

Waterproof collars and cuffs that will not wilt, are not effected by moisture and look just like linen are all the fashion now. They are made by covering a linen collar or cuff with "celluloid " and are the only waterproof goods made with an interlining, consequently the only ones that will stand wear and give perfect satisfaction. Try them and you will never regret it. Always neat, and easily cleaned. When solled simply wipe off with a wet cloth or sponge. Every piece of the genuine is stamped as follows :

Ask for those so marked and refuse any imitations, as they cannot possibly please you. If your dealer does not keep them, we will send a sample direct on receipt of price. Collars 25c. each. Cuffs 50c. pair. State size and whether stand-up or turned-down collar is wanted.

THE CELLULOID COMPANY, 497-499 Brondway, New Yorks

## TOPICS OF THE TIMES.

The watermelon season has begun. You can satisfy yourself by casting an eye along the fruit stands. It will be a source of gratification to many to learn that this will probably be a fine season for watermelons, as far as quality and quantity are concerned. It is also hoped that there will be plenty of watermelon weather and a be plenty of watermelon weather and a fore the convention adjourns, which will strong demand for the cooling fruit. The probably be on Friday. watermelon has not much flavor, but it is full of liquid and very refreshing. No drink has a cooling effect as a large piece of good, fresh melon. The melon's qualities are genuine. It is a really valuable hot weather food. But unless the heat is considerable there is not a great demand for them. It is when the temperature he took refutes in a house a short distance away. He was promptly pulled out and watermelon is preferred to more highly field, and in about thirty minutes over flavored but less cooling fruits. The melons now arriving are of good size. They come him." new arriving are of good size. They come him." A few cool heads were present, almost entirely from Florida. The Georgia and finally prevailed on the crowd not to melons are also coming in and the South lynch him. The negro was taken to the Greenville jall. Everything seems quiet Carolina melous are also making their appearance. They should increase in size here, and no further fears of lynching are and quality from now on. An experienced dealer says that South Carolina now supplies more good melons than any other state. Georgia held the palm for a long time, but the crop has fallen off in recent years. Next month the melons of the north irn states will be in the market. It is a case difficult matter to index the quark is a very difficult matter to judge the qualis a very difficult matter to judge the qual-ity of a melon successfully from its appear-against the perils of this veritable graveance, because the catable part is far from the outside. The ability to do this a valuable stock in trade. The average consumer must be at the mercy of the retailer from whom he buys. A good melon should have great weight for its size. The heavier it is the better, as a rule. Weight is an indication that the melon is full of juice. The state prison building commission yesterrind should be firm. As a rule the best day afternoon opened about twenty-five bids for the construction of the new 200 pulp should be firm, but not too hard. coll wing and hospital for the prison. The Some of the best melons have very thin rinds, but these are not often sold here, as city, for \$45,342, and for constructing the they are namally damaged and spoiled in cells to the Paulcy Jall and Iron Building passage. Don't eat a watermelon that is company, of St. Louis, for 800, 507.12. The not entirely above associon. This is a amount which the legislature appronot entirely above suspicion. This is a very important summer "don't." A melon that is over rips or under rips is likely to cause sorrow, suffering, and even death. It is also important to avoid eating the greenish-white part of the melon, next to the rind.

## RUNNING DUEL IN CHICAGO. A Would be Robbyr shot and Killed by

a Policeman. CHICAGO, July 9 .- In western desperado style a man supposed to be C. E. Cole as-saulted and attempted to rob P. J. Me-Gioin, in his saloon at 64 Adams street, in the heart of the business district of Chicago, last night. After seriously wounding McGloin the thief escaped and made the most remarkable race for liberty ever seen in the streets of Chicago. After firing into the mob that pursued him, and seriously wounding three citizens, he was run down and killed by Officer Rosenthal opposite the entrance of the Auditorium, n Congress street. The wounded are: P. G. McGloin,

The womined are: F. G. Mediani, saloon keeper, three wounds in the hoad, will recover; H. M. St. Koerg, shot in the abdomen, will probably die: Sanuel Stone, shot in the right leg, will recover. Medioin was alone in his aloon when Cols entered and ordered a giass of beer. He then asked the saloon keeper to get

him some mean that he claimed to have left in the ice Lox of the saloon. McGioin walked to the currance of the lee box, and Cole, drawing a reveaver, ordered him to go inside and stay there. McGloin turned and struck the robber in the face, nearly mocking him down.

The two men then elinebed and fought desperately. Colo insnaged to get one arm free and with his revolver he pounded the saloon keeper viciously, inflicting three severe wounds on the head. The robber then broke loose and rushed to the street, followed by the bloeding soloon keeper and au excited crowd. Officers Resenthal and Daly joined in the chase and Cole fired several shots into the crowd. Their Resenthal, after ordering the fugitive to surrender and receiving a shot in return, fired with fatal effect.

## The Elks Will " Get Together."

ATLANTIC CITY, July 9.-This city is overrun with Elks, who are attending the third annual convention of the grand lodge of the Benevolent Protective Order of Elks, which opened at Morris Guards' armory at 10 o'clock today. The convention promises to be the greatest in the history of the order. The last batch of delegates to arrive were those from Phila-delphia, who came down this morning 200 strong. At a meeting of Grand Exalted Euler Edwin B. Hay and Meade T. Detwiler, of Harrisburg, who was elected grand exalted ruler by the Buffalo faction, yesterday it was agreed to compromise the differences existing between the two factions. Mr. Detwiler is here with full authority to act, and it is now a set-tled fact that the order will be united be-

## The Law Was Not Violated.

PIEDMONT S C., July 9 .- Sunday evening Ira Johnson, a young nogro, shot and mortally wounded Frank Langford, a young white man of Marietta, S. C., with out cause. The neuro at once tried to make his escape, but was so hotly pursued that 300 people were around him, some with guns, pistols and ropes, crying "lynch now entertained.

# THE THEORY OF THE DIGESTION

OF FOOD.

OF FOOD. The human stomment is a pear-shaped into which all food drops at once which blood rankes blue the stome of the stomach (not into its interior) to pear the stomach (not into its interior) to provide the stomach (not into its interior) to prove oppound optical states of the gastrie juice and, then, the stomach weat its thousands of little duets or prove optical states into the stomach begins a wave-like, chiming move-ment which thoromyly mixes the pastrie juice with the rood, and by-and-by changes the whole into a gray look-ing semi-liquid paste called chims. This a digestion as it takes place in health. This enough of it, the food simply lies in the stomach and turns sour, putrefies for outdoors. This is indigestion, dys-persion of results like theses beaded read-ratio of results like theses beaded read-past into the circulation and set up a ratio of results like theses beaded read-past into the circulation is of appe-ted and nausea; furred tongue; dis-ordered heart action; beryous weak-by heat flackes; distress and weight in the stomach act in the read tongue is the para of the stomach to secrete gastrie und comes of a model in time, by grave of the stomach to secrete gastrie und, comes of a model in the stomach for the sec-tore. The studied this subject for many

Having studied this subject for many veurs the Shakers of Mt. Lebanou, (N Y.,)-famous as medical chemists and nerbalists—sought among the plants sultivated by them only for a remedy which should have the distinct and special effect of stimulating the flow of especial effect of stimulating the flow of gastric julice to a normal amount and at the same time of the full, natural di-gestive strength. No other so-called remedies for dyspepsia have this pur-pose in view, yet it is the absolutely es-sential thing. Successful in their efforts, even beyond their hopes, they have placed their discovery on the market under the name of he Shaker Digestive Cordial. Its effects are immediate and radical. Relief is felt at once and a per-manent cure soon follows. It is the sure and scientific remedy for indigestion and dyspepsia. — Confident in their work the Shakers offer trial bottles at the nominal price of ten cents. For sale by nearly all druggists.

#### Hurled to Death.

Patrick Bakey, of Minersville, who was engineer of the Lytle collicry pumps, was instantly killed y sterday morning. After instantly killed y sterday morning. After starting the pumps early in the morning Bakey descended the slope to uil the work-ings. A quantity of gas had collected there over Sunday and Bakey's naked hamp ignited it, thus causing a terrific explosion which cost him his life. The airways of the place wave de-located, timbers were form from their places and that part of the mine lo-tally demolished. The loss to the company will each into the thomsards of dollars. will each into the thousands of dollars. As soon as the disast-r occurred a rescuing party was formed. The mea entered the mine and found Bakey's mangled mass of humanity. Parrick Bakey lived in Minersville and was 32 years of age. He was married and is survived by bit wife and several children.

#### A Heavy Surcharge.

It is said the County Auditors have charged ex-Sheriff Woll upwards of \$.,200 for credits not allowed him for hore thre and other incidentals claimed by him in his last report.

## Electric Bitters.

Electric Bitters is a medicine suited for Electric Bitters is a medicine suited for any season, but perhaps more generally needed in the spring, when the languid exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhapsfatal bilions fevers. No med-icine will act more surely in counteracting and precing the system from the malarial poison. Headache, indigestion, constipa-tion, dizziness yield to Electric Bitters. Only fifty cents per bottle at A. Wasley's drug store. drug store.

Section Pioneer Corps.

Last summer one of our grand children was sick with a severe bawel trouble. Our docrot's remedies had failed, then we tried Chamberhain's Colle, Cholera and Diarr-hoen fernedy, which gave very speedy relief. We regard it as the best medicine ever put on the market for bowel com-plaints --Mrs. E. G. Gregory, Fredericks-town, Mo. This certainly is the best med-icine ever put on the market for dysentery, ichie ever put on the market for dysentery, summer complaint, colic and cholera in-fantum in children. It never falls to give prompt relief when used in reasonable time and the plain printed directions are rollowed. Many mothers have expressed their sincere gratitude for the curve it has effected. For sale by Gruhler Bros., drug-CHAIN.

Ton of Cont Fixed by Law. One of the laws of widespread interest in Pennsylvania signed recently by the Governor is that fixing 2240 pounds as a ron of cost. Dealers who sell less than that can now be fined. In some parts of the State dealers have been giving only 2000 pounds for a ton, and the complain-ing housekeeper could not easily get re-dress. Now the exact ton is fixed by law and coal dealers will have to look sharp less they turable into a trap by giving light weight.
