STABBED IN THE STREET

Dastardly Attempt to Assassinate Serbia's Ex-Premier.

HIS WOUNDS MAY PROVE FATAL.

M. Stambuloff Attacked by Four Men While Returning from the Union Club. His Hands Nearly Severed, and Both Have Since Been Amputated.

SOFIA, Bulgaria, July 16.—M. Stambuloff, ex-premier of Bulgaria, was returning home last evening from the Union club, accompanied by a colleague, M. Petcoff, when they were attacked by four persons armed with revolvers and knives. The assailants attacked the carriage, compelling the coachman to stop. M. Stambuloff's servant fired his revolver, but missed the mark. M. Stambuloff jumped out and received immediately a cut which almost severed his hand from the wrist. M. Stambuloff then tried to escape, but was followed and stabbed and received a

evolver shot, when he fell to the ground, where his assailants continued their stabs, badly wounding his other hand. M. Petcoff, running to his assistance, was also stabbed. M. Petcoff declares that he saw gentlemen running away, as well as the assailants.

The shots were heard at the Union Club, and the friends of M. Stambuloff came and found him covered with blood and surrounded by several persons and by gentlemen, none of whom professed to have noticed where the assailants fled.

M. Stambuloff was taken to his house and was laid upon a sofa. The physicians found it necessary to amputate both of the wounded man's hands, and they fear that he may die of his many wounds.

While surrounded by his political friends the chiefs of police wanted to enter the house, but the wounded statesman's wife sternly forbade them to do so, and accused them of complicity in the crime. She told them to search for the culprits. Several arrests have been made. There is great indignation felt in the city. The attack was made upon a frequented street. It is greatly remarked now that the last number of the government newspaper organ violently attacked M. Stambuloff, accusing him of being a foreign spy.

The outrage is believed to be the personal vengeance of persons who suffered during his regime as premier.

Consul Borden a Cuban Insurgent.

BOSTON, July 16.—Minister Deputy De Lomo, of Spain, who has established a temporary summer legation at Swamp Scott, says, regarding Mr. Borden, of Fernandina, Fla., who is reported to be laboring among the Christian Endeavorers for a resolution favorable to Cuba: "This Mr. Borden was our vice consul in Florida, but was dismissed for being connected with Martí and for having arms in his store for the filibusters. Mr. Borden was vice consul for Spain, England, Sweden and Norway. Uruguay and Brazil. After his dismissal by the Spanish legation the facts were placed before Sir Julian Pauncefote, and Borden was obliged to resign his British vice consulate. The Swedish minister and the consul general of Uruguay have also requested him to resign. The Brazilian minister will undoubtedly take the same course."

A Pearl Hunter's Rough Experience.

ST. AUGUSTINE, Fla., July 16.—A half starved man in a small yawl boat was thrown on the beach by the surf yesterday afternoon. The man was in a very weak condition and could scarcely speak. After restoratives were given him he told an unusual story of suffering and privation. Ten days ago he started from his home in the Bahamas, hunting pearls along the Keys. He was out but a short time when a storm struck him and carried his boat out to sea. He lost an oar and drifted at the mercy of the winds. All hope had gone when he was blown upon South beach. A collection was taken up for the man, and enough was secured to send him home.

Determined Lynchers in Kentucky.

WINCHESTER, Ky., July 15.—The jail last night was surrounded by 100 armed men, the county judge having received warning that a mob was coming to lynch Bob Huggard, a mulatto, who is accused of having assaulted a young woman south of here Saturday. At 12:15 a. m. this morning a mob of 300 men arrived south of the city. The electric lights were turned out and the city left in darkness. The Winchester division of the Kentucky state guard was ordered out. [A later dispatch from Cincinnati announces that Huggard was lynched at 4 o'clock.]

To Protect the Traveling Public.

WASHINGTON, July 16.—The interstate commerce commission yesterday granted an extension of time within which all railroads must equip their cars with secure grabbars and handholds in the ends or sides of cars from July until Dec. 1 next. The time for complying with the act requiring the use of grabbars of the standard height on all cars has also been extended until Feb. 15, 1896.

An Accused Pennsylvania Postmaster.

EASTON, Pa., July 16.—Otto Horn, postmaster at Richmond, Northampton county, was arraigned before the United States commissioner here yesterday afternoon and held in ball for trial in the United States district court, Philadelphia, upon the charge of detaining letters in his office. It is asserted that Horn was trapped by means of a decoy letter sent out by Post Office Inspector Malone.

Died Without a Will.

OAKLAND, Cal., July 16.—The public administrator has discovered that Professor Harold Whiting, of the State university, who, with his entire family, was lost in the wreck of the Colima, did not leave a will, as was supposed. Professor Whiting left an estate valued at \$100,000, which will go to his brothers and other relatives in Massachusetts.

WHEN HOPE FADED

Mrs. White, a Citizen of Ithaca, Was Saved.

(From the Ithaca Herald.)

Our representative, hearing of the case of Mrs. H. T. White, called to see her at Seneca and Plain streets. We publish their conversation in the following interview:

"Mrs. White, I hear you have something to say about a new remedy for backache and kidney disorders. Will you give me your statement for publication?" "Yes, I am quite satisfied to do so. I think the public should know when a really good remedy is to be had, it is the least I can do in gratitude for my recovery."

"Tell me about your complaint." "About a year ago I had the Grippe, and since then my back has pained me constantly in the region of the kidneys; a dull pain at times, and at other intervals, sharp, darting pains piercing through me, were almost unbearable. I seemed to be giving out as the pain in my kidneys grew worse, and at last I had to stay in bed the greater part of the time. Finally, I gave up altogether. I had terrific headaches, and suffered so much pain my appetite left me."

"Did the disorder affect the bladder?" "Finally, it did. The urine was highly colored, and varied in suppression and excess. I often told my friends I believed I should go insane from the pain. I heard of Doan's Kidney Pills, and began their use. After taking them two or three days I began to feel their good effects. I continued, and now am perfectly well."

"Am I to understand that Doan's Kidney Pills have entirely cured you?" "Yes, that's the truth. I have no more headaches or pains, and my appetite has returned. Before using Doan's Kidney Pills I found it very trying to go up and down stairs, or to sleep on my back; but now I can do so without a single pain, I feel completely cured, and I wish the manufacturers every possible success."

A MYSTERY NO LONGER.

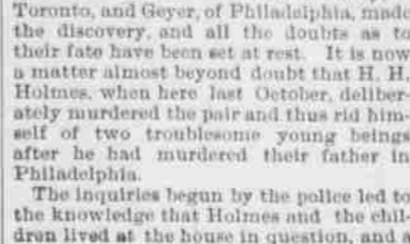

Bodies of the Pitezel Children Found in Toronto.

THEY WERE BURIED IN A CELLAR.

Evidently Killed by Insurance Swindler Holmes, Who Wanted to be Relieved of Their Care—He Will Undoubtedly be Taken to Canada on a Murder Charge.

TORONTO, Ont., July 16.—Found buried in the cellar of the house No. 16 St. Vincent street were the bodies of Alice and Nellie, the two missing daughters of Benjamin F. Pitezel. Detectives Cuddy, of Toronto, and Geyer, of Philadelphia, made the discovery, and all the doubts as to their fate have been set at rest. It is now a matter almost beyond doubt that H. H. Holmes, when here last October, deliberately murdered the pair and thus rid himself of two troublesome young beings after he had murdered their father in Philadelphia.

The inquiries begun by the police led to the knowledge that Holmes and the children lived at the house in question, and a

search was made by the two officers. A photograph of Holmes was shown to Frank N. Nudel, of the educational department, owner of No. 16, and without any hesitation he identified it as that of his tenant. When they reached the cellar it appeared to the detectives that something had disturbed the cellar floor. A short distance below the surface they came across the arm and a portion of the head of one of the little murdered girls
