FISCAL YEAR CLOSED

The Board of Health Preparing for Reorganization.

MEETING HELD LAST NIGHT

Members of the Grand Army and Women's Relief Corps are Making Arrangements for a Joint Celebration.

A regular meeting of the Board of Health was held last evening in the Council chamber with all the members, Messrs. Spalding, Miles, Broughall, Malone and McHale in attendance. It was the last meeting of the fiscal year. On the first Monday of August the board will meet for re-organization and Mr. Maurice Morrison will take his seat as successor to Mr. T. J. Broughall, whose term expires.

The committee on epidemics made a report showing that there were fifteen deaths in the town during the nine days preceding the meeting.

Health Officer Miles made an extended monthly report in which he stated that he had caused several nuisances to be abated, had disinfected several places and in one instance caused the removal of meat that was unfit to use.

As a whole, the town appears to be in a good sanitary condition and no complaints of serious nuisances are made in any quarter.

A JOINT CELEBRATION.

The G. A. R. and Women's Relief Corps Making Arrangements. At a meeting of Watkin Waters Post No. 146, G. A. R., Messrs. B. G. Hess, Benjamin Woomer and John Watson were appointed a committee to confer with a similar committee from the Women's Relief Corps on a proposition to celebrate the anniversary of both organizations next month by holding a joint picnic. It is expected the committee will be ready to report at a meeting of the Post to be held next Friday evening, and if it is favorable the picnic will be made one of the best the Post has ever held.

Watkin Waters Post was organized on July 20th, 1868, and consequently is over 25 years old. It was named after Watkin Waters who was a resident of town and became a charter member. He was killed in a boiler explosion at Shenandoah City colliery about a month after the Post was instituted.

A man caught a few days ago in a mining camp at Monogah, West Virginia, has been identified by Detective O'Brien, of Wilkesbarre, and Chief of Police Loftus, of Pittsburgh, as George Windsch, who brutally murdered his wife at Hughestown, Luzerne county, last April. Detectives have started for Wilkesbarre with the man. A few weeks ago Detective Amour arrested a stranger in town named Tom Taylor who remarkably resembled the murderer. SHATTERED BY A WHEEL

Engineer Albert Smith's Serious Accident This Morning.

AN ARM TERRIBLY MANGLED

He was Operating a Breaker Engine at Indian Ridge Colliery When the Fly Wheel Broke and Struck Him.

Albert Smith, Jr., aged 20 years, and son of the outside foreman at the Indian Ridge colliery, met with a disastrous accident at that colliery this morning. Smith was employed as engineer and had charge of the engine that hoists cars from the shaft into the breaker.

This morning he started up his engine and had operated it but a short time when a fly wheel broke. One of the pieces of the wheel, in its flight, struck Smith on the left arm with terrible effect. It tore the flesh and shattered the bones so badly that the limb hung in shreds. The arm was almost torn off a few inches above the elbow and the rest of it was so badly mutilated that additional amputation may be necessary.

Smith was rendered unconscious and was taken to his home on North Jardin street in that condition. He was attended by Dr. D. W. Straup and G. M. Hamilton.

This afternoon Smith was conscious and the doctors said there were good chances for his recovery. The arm was amputated a little above the elbow.

The pieces of the fly wheel did considerable damage to the breaker. The floor was torn up and some of the heavy timbers near the drum were forced from their places. The hoisting rope was torn and a piece of debris struck and put a hole in an exhaust boiler.

Tosh and Womer Charged.

Amrose Buchinski, of Shepton, appeared before Justice Lawlor as complainant against Chief of Police Tosh and Amardus Womer, charging them with highway robbery. Buchinski says he hired a team at Shepton and came to town to get his trunk and missing tools. Tosh and Womer, he alleges, overtook him at Brandonville on the return trip, threw the tools out of the wagon, unhitched the horse, and took the wagon away with them. Tosh and Womer have entered \$500 bail each. They say they were acting under an attachment procured by one Anthony Magunis, who claimed the wagon. Buchinski has also caused Tosh to be placed under \$500 bail on a charge of false arrest and Tosh has required Buchinski to furnish \$500 bail to answer a charge of assault and battery.
