## THE CHINESE MASSACRE

An American Missionary's Story of the Outrage,

APATHY OF CHINESE OFFICIALS.

Our Consul at Fu Chau Has Abundant Proof That the Officials Knew for Days in Advance of the Massacre That Trouble Was Brewing.

FOO CHOW, China, Aug. 8.—Dr. Gregory, an American missionary wno escaped from Ku Cheng, gives the following account of the massacre there:

At 12:30 p. m., on Thursday Aug. 1, a native Christian rushed into my study, enying that several of the foreign lattics at Hwasang, a mountain resort about twelve miles from the city of Ku Cheng had been killed that morning, and that two houses had been burned.

Fifteen minutes later a note from Mr. Phillips confirmed this. He wrote that five ladies were dead, the stewards were missing, and four persons were seriously wounded. He expressed the hope that I

was then on my way to Hwasang.

I immediately went into the yamen,
where hundreds of excited native had already gathered, and requested the district magistrate, Wong, to send some soldiers at once to Hwasang to protect those still living. In half an hour the magistrate went to Hwasang under an escort of

about sixty soldiers.
At 2 p. m. I left Ku Cheng city under an except of thirteen soldiers, arriving at Hwasang at 8 p. m. to find that nine adults, all British subjects, had been murdered, and that all those still alive at Hwasang-eight only-had been more or

less severely injured.

On my arrival I set to work to make the

injured as comfortable as possible.

Miss Codrington received a aword cut extending from the left angle of her mouth diagonally outward and down-ward seven inches long, completely dividing the lower lip and exposing the inferior maxiflary bone; one cut on the crown three inches in length and quite down to the inner table of the skull; one cut across the nose beneath the right eye, five inches long, and another three inches long on the right side of the neck. Her condition

Miss Mabel C. Hartford, of the Methodist mission, the only American residing in Hwasang at the time, was living in a small, native house some twenty rods from the English cottages, was attacked by one assassin armed with a trident. She received a slight cut in the lobe of the right ear, was thrown to the ground and beaten about the lower extremities and the body. While the murderer was en-gaged in this attack, a servant grappled with the assailant and during the struggle,

Miss Hartford escaped.
Mildred Stewart, aged 12 years, received wound on the outside of the right knee joint six inches long, exposing the joint, and two punctured wounds, one on the left leg and one on the left foot. Her con-

dition is serious. Kathleen Stewart, II years old, received several slight wounds and bruises about the face and the lower extremities. They

are not serious, Horbert Stewart, 6 years old, received a deep wound on the right side of the neck four inches long; one on the crown which chipped the external table of the skull; one on the back part of the head, cleaving the skull and exposing the brain, and several other wounds. He died thirty hours later. Evan Stewart, 3 years old, was stabled in the left thigh, and received several bruises and scratches on the head and body. His condition is not serious. Topsy Saunders' death was caused by a spear wound on the right side of the head,

the weapon entering the brain. This frightful massaure was done by members of the secret society known as the Vegetarians, who have been causing trouble alike to Christians and heathens in and around Ku Cheng city. From various reports of those who saw the attack, I believe that about eighty men were engaged. They were armed with spears and swords and seemed strongly organized under one chief leader. Thirty minutes from the time the onrian was to be seen near the grounds of

Hunting Down the Chinese Assassius,

SHANGHAL Aug. 8 .- J. Courtney Hixson, United States consul at Fu Chau, in the course of a consular inquiry on the spot, obtained the names of fifty natives implicated in the Fu Cheng massacre, including the leaders and some of the actual murderers. He also obtained abundant proof that the Chinese officials knew that mischief was brewing for several days prior to the massacre. Not a single Chinese 1 35 a. m. and 4 40, 7 15 and 16 00 p. m. official attended the funerals of the victorial attend official attended the funerals of the vicin the interior are subjected.

An Obedient Boy Murderer. Houston, Fig., Aug. 8.—Albert Tillis, aged 12, killed Annie Avant, aged 2 years, returning from school. The boy knocked the girl in the head, dragged her body into the woods, and partly covered it with leaves. Mr. Tillis and Mrs. Avant, who is widow, had quarrelled, and Tillis orde his son not to allow the little girl to walk with him from school any more, even if he had to kill hor.

Mrs. White, a Citizen of Ithaca, Was

Saved.

(From the Ithaca Herald.)

Our representative, hearing of the case of Mrs. II. T. White, called to see her at Seneca and Plain streets. We publish their conversation in the following interview:

"Mrs. White, I hear you have something to say about a new remedy for backache and kidney disorders. Will you give me your statement for publication?"

"Yes, I am quite satisfied to do so. I think the public should know when a really good remedy is to be had, it is the least good remedy is to be had, it is the least I can do in gratitude for my recovery."

"Tell me about your complaint."
"About a year ago I had the Grippe, and since then my back has pained me constantly in the region of the kidneys; a dull stantly in the region of the kidneys; a dull pain at times, and at other intervals, sharp, darting pains piercing through me, were almost unbearable. I seemed to be giv-ing out as the pain in my kidneys grew worse, and at last I had to stay in bed the greater part of the time. Finally, I gave up altogether. I had terrific headaches, and artifaced as much religious contents. and suffered so much pain my appetite

"Did the disorder affect the bladder?"
"Finally, it did. The urine was highly colored, and varied in suppression and excess. I often told my friends I believed I should go insane from the pain. I heard of Doan's Kidney Pills, and began their use. After taking them two or three days I began to feel their good effects. I continued, and now am perfectly well."

"Am I to understand that Doan's Kid-

ney Pills have entirely cured you?"
"Yes, that's the truth. I have no more "Yes, that's the truth. I have no more headaches or pains, and my appetite has returned. Before using Doan's Kidney Pills I found it very trying to go up and down stairs, or to sleep on my back; but now I can do so without a single pain, I feel completely cured, and I wish the manufacturers every possible success."

# THE OMAHA CONTEST.

Members of the City Council Adjudged Guilty of Contempt.

A DEFEAT FOR ANTI-CATHOLICS.

Judge Hopewell Reads the Offending Of-Scialan Lecture on the Necessity of Obeying All Orders of a Court, but Indiets No.

OMARA, Aug. 8.-After convincing the OMAIA, Aug. 8.—After convining the ten members of the city council who de-fled the laws and the court's orders on last Friday that they acted without a pre-cedent, and that they were really in open contempt of court. Judge Hopewell yesterday dismissed them with a severe buke. The council had been ordered by the court not to approve the bonds of the A. P.
