SATURDAY, AUGUST 10, 1895.

CAN YOU tell who will receive the Control-  
lership plum, and when the appointment will  
be made?

We may look for the appointment of a  
Controller for Schuylkill at any time, now  
that the delegate elections are over.

If China does not speedily whate the out-  
rages upon the missionaries the nations will  
turn upon her and administer another spank-  
ing a la Japon.

WEATHER PROPHECY DUN says look out for  
hot weather from now on until the middle of  
September. He adds, "August will be the  
warmest month of the year." Everything  
points to scorching weather from now on.

BITTER complaints about bad water come  
from many parts of the state, but the king-  
pin comes from Philadelphia where it is said,  
the water is so impure that when a 14th tub  
is drained two inches of mud is left at the  
bottom.

GOVERNOR HASTINGS has appointed Joseph  
D. Lloyd as Controller of Luzerne county. The  
delegate election in that county was held last  
week. Probably the Governor will name the  
Controller for this county, now that the state  
delegates have been elected. Do you note the  
coincidence?

STREET paving is being agitated in Hazle-  
ton. It is hoped the people will not have as  
hard a fight to get the paving as the people  
of this town had. The time spent to secure  
the paving of two squares was sufficient to  
pave all the streets. But, then, Hazleton  
wears the dignity of a city and her people  
may take more kindly to the improvement.

THEY are having lively times over in Gil-  
berton. The Borough Council and Chief  
Burgess don't pull together and the former  
has ordered by resolution that the officer  
attend to his business, or resign. Delinquent  
Chief Burgess can make Borough Councils  
specifically powerless, and it is a pity that  
some mode of impeachment has not been  
provided for delinquent boroughs. Few, if any,  
of them will resign when it is optional with  
them, and the boroughs are obliged to pay  
them whether they work or not. There is  
only one remedy, and that is to elect reliable  
men.

ONE of the notable events of the week was  
the annual convention of the Catholic Total  
Abstinence Union of America, which was  
held in New York. Two very important  
questions were before the body. One was  
the enforcement of the excise laws of New  
York, and the other, and most important,  
was the creation of the sentiment that no  
man can be a liquor seller and a good  
Catholic at the same time. This society, and  
especially the local branch here, has done  
effective work for the temperance cause, and  
is increasing its usefulness with each suc-  
ceeding year. A publication bureau has  
been established in connection with the  
union, and has distributed since 1892 over  
11,000,000 pages of temperance literature.

### COUNTY CONTROLLER.

Under an act passed by the last legislature  
Governor Hastings is given the power to  
appoint a County Controller for Schuylkill  
county to serve until the first day of January,  
1896. Under the provisions of this act the  
voters of the county, at the general election  
in November next, will be called upon to  
elect a person to that position to serve for the  
term of three years, beginning January 1st,  
1896. It is now two months since the pas-  
sage of the bill, yet Governor Hastings  
has not availed himself of the privilege of  
making the appointment, although he has  
had at least two applications before him  
during that time.

There are several reasons why the appoint-  
ment should have been made immediately  
upon the act becoming a law. In the first  
place, had the Governor exercised his author-  
ity and made a selection previous to the de-  
legate election in this county, the insinuations  
that are now made against him about using  
the appointment as a lash over the heads of  
the applicants and their friends to whip  
them into line for Gilkeson would have been  
avoided, and he would have been relieved  
of the odium of using the exalted office of  
Governor of this commonwealth in the inter-  
est of a certain faction of the party.

There are other, and more important,  
reasons why the appointment should have  
received early consideration. There appears  
to be some doubt as to the constitutionality  
of the act, and to relieve any uncertainty  
that may exist in that respect the County

Commissioners, we are informed, have decided  
to test its constitutionality. But they can  
not act until an appointment has been made  
or the office filled by an election, when  
that is done they can then enter quo war-  
rant proceedings against the acting Con-  
troller, compelling him to prove his right to  
hold the position. Such a procedure will  
bring the question before the proper legal  
tribunal, and will effectually put at rest all  
doubt as to the constitutionality of the act.

If the Commissioners have decided to test  
the law, their action will be approved by the  
majority of the citizens. Their experience in  
the past, and that of the Controller himself,  
should be sufficient to prove to them the ad-  
visability of such a move.

Governor Hastings should make the ap-  
pointment immediately, or at least before the  
nominating conventions are held. Otherwise  
the various candidates before the two county  
conventions will hardly feel disposed to spend  
their time and money in a canvass, with a  
probability that after the election the act  
may be declared unconstitutional.

### GOVERNOR, NAME THE CONTROLLER.

#### TO-DAY'S BATTLE.

THE HERALD told the exact truth in its  
summary yesterday of the political contest in  
this county when we stated that Little Gilkeson  
would not figure in the fight, and that  
Schuylkill's quota of seven delegates would  
be favorable to Senator M. S. Quay for chair-  
man of the state committee and Governor  
Hastings for president of the state conven-  
tion. A glance at our news columns today  
will verify this. The opposition to the  
Junior Senator failed to materialize. The  
course of the conventions held to-day opens  
the way for the white-winged dove of peace  
to hover over the contending factions. Let  
there be peace.

## QUAY'S SWEEPING VICTORY

(Continued from First Page.)

nominated H. E. Dangler, of Shenandoah,  
which provoked hearty applause. William  
Broughall, of Lanihan, nominated Harrison  
Ball, of Mahanoy City, which renewed the  
applause.

Messrs. Dangler and Ball were declared  
elected by a vote of 47 to 12 amid great en-  
thusiasm, and upon motion of Cyrus Giese  
the election was made unanimous.

The votes cast for Messrs. Fowler and  
Phillips were those of David Allen and H. E.  
Engle, Delano; Jacob Oswald, Cole's No. 2;  
Edward Downing, Hills; Charles Mader and  
William Perry, Morea; Charles Metz, Lost  
Creek; William Rudge, Mahanoy City; J.  
C. Brown, Brownsville; D. B. Shafer and  
Thomas Gayne, Jr., Mahanoy City.

The committee on resolutions presented the  
following report.

WHEREAS, Popular sentiment on public  
questions and political policies, under our  
form of government, can find expression only  
through its representatives duly chosen; and

WHEREAS, The Republican voters of the  
First Legislative district are thus represented  
by their duly-elected delegates; now, there-  
fore,

Resolved, That we affirm with the empha-  
sis of conviction our faith in the principles of  
the Republican party as to all the great issues  
and policies that are now the subject of party  
differences.

Resolved, That we deplore and condemn  
the work of Democratic national rule so far  
as it has found expression in legislation, and  
view with sadness the dire results of it among  
the masses of the people.

Resolved, That we endorse most heartily  
the wisdom and faithfulness of the Hon.  
Joseph Wyatt, representative of this Legisla-  
tive district, in his many methods and large  
success in serving the people whom he repre-  
sents.

TROS, GILL, Chairman,  
HENRY GOODMAN,  
S. T. MILLER,  
J. H. FRANK,  
MICHAEL KEIPER,  
Committee.

The convention elected T. J. Davies, of  
Shenandoah, and Michael Keiper, of Lanigan,  
alternate delegates by acclamation,  
after which an adjournment was taken.

### WALK OVER FOR PHILLIPS.

The Convention at Ashland Was Strong  
for Quay.

SPECIAL TO EVENING HERALD.  
ASHLAND, Aug. 10.—The Second district  
convention convened here with a strong  
sentiment in favor of Senator M. S. Quay.  
Patrick Clark, of Ashland, was made chair-  
man and M. M. Delaney and McHenry  
Wilhelm, Esq., of Ashland, secretaries.

Hon. D. D. Phillips, of Gordon, was elected  
state delegate by acclamation. John H. Rowe  
had been nominated in opposition, but his  
name was withdrawn.

The convention was almost unanimous for  
Quay and adopted resolutions instructing the  
delegate to use all honorable means to  
further the cause of Senator Quay for chair-  
man of the state committee, and at the same  
time endorsing the state administration.

### JOB WINS AT TAMAQUA.

The Committee on Resolutions Get Lost at  
This Point.

SPECIAL TO EVENING HERALD.  
TAMAQUA, Aug. 10.—The Third district  
convention convened here this morning and  
elected A. W. Ward, of Kline township,  
chairman. J. W. Kershner and Capt. W. R.  
Conrad were made secretaries.

Upon the nomination for state delegate F.  
C. Job and H. A. Weldy were named, and  
Job was elected by a vote of 23 to 18.

Shindel, Ellis, Kershner and Clayberger  
withdrew from the contest and the Quay  
men among them turned in for Job in pre-  
ference to Weldy, who is a strong Quay ad-  
herent.

A committee on resolutions was appointed,  
but it failed to report.

### QUAY WINS AT POTTSVILLE.

Whitehouse and Losch Among the De-  
feated in the Convention.

SPECIAL TO EVENING HERALD.  
POTTSVILLE, Aug. 10.—The Fourth district  
convention in session here today was dis-  
tinctly a Quay assemblage and the White-  
house-Losch faction was not in the fight from  
the beginning, although all available ground  
was fought for inch by inch.

The convention was called to order by  
General J. K. Sigfried and George M. Roads,

Esq., was made permanent chairman of the  
convention. Daniel Duffy and S. Burd Ed-  
wards were elected secretaries.  
C. S. Haessler, of Pottsville, Dr. C. H.  
Quail, Auburn, and Reuben Barto, Pine-  
grove, were elected delegates to the state  
convention, defeating Hon. S. A. Losch, of  
Schuylkill Haven; W. J. Whitehouse, Esq.,  
Pottsville, and Joseph T. Millington, Tre-  
mont.

The vote cast was as follows: Haessler, 74;  
Quail, 73; Barto, 78; Losch, 42; Whitehouse,  
40; Millington, 38.

The convention was strongly Quay all  
through and the resolutions adopted in-  
structed the delegates to support the Junior  
Senator in his contest for the chairmanship of  
the state committee with all honorable means.

Echoes of the Conventions.  
This was surely a Quay and Hastings day.  
Billy Middleton makes a good convention  
chairman.

Little Gilkeson's name wasn't even whis-  
pered to-day.

Captain William E. Jones was in the thick  
of the fight to-day.

Hon. Joseph Wyatt's was headquarters  
for the Quay delegates.

Hon. M. P. Fowler made a good showing  
for a late-day candidate.

The convention moved as smoothly as  
could have been desired.

Phillips' "jap" was not as effective in this  
fight as it was one year ago.

Brown, of the Fifth ward of town, has  
something to explain to his constituents.

The Water Company's office, on Lloyd  
street, appeared to be Hastings' headquarters.  
C. O. Smith got out of the field, but Senator  
Coyle's fidus achates, John Phillips, took his  
place.

Ex-Sheriff Andrew Conroy was a conspicu-  
ous attendant at the convention and did some  
effective work for Quay.

The Philadelphia Ledger wants to put  
Schuylkill in its exclusive Quay column in  
the next table it publishes.

Voorhees' "grip" did not put in an appear-  
ance, but his emissaries were well heeled  
with some of its contents.

Tom Reese, of Centralia, and Lambach,  
of Hazleton, were the carpetbaggers in charge  
of the Combine's secret affairs.

The fight in the First district appeared to  
be more of a Coyle and anti-Coyle battle,  
than that of the state leaders.

Hon. D. D. Phillips still appears to have a  
large political following, notwithstanding the  
fact that he lives in the 30th Senatorial dis-  
trict.

Hon. Joseph Wyatt should feel highly  
flattered at the hearty endorsement he re-  
ceived at the hands of the convention in this  
district. He deserves it all.

### Killed in a Government Steamer.

WASHINGTON, Aug. 10.—Michael Mur-  
phy, a colored messenger at the state,  
war and navy building, had the life  
crushed out of him yesterday afternoon by

LONDON, Aug. 9.—The Times publishes  
a report of the estimated conditions of the  
crops on Aug. 1. Taking 100 as a normal  
standard, wheat is placed at 73; barley, 86;  
oats, 80; potatoes, 95; beans, peas and  
roots, 75; grass and hops, 71.

### Russia's Opposition to Ferdinand.

LONDON, Aug. 10.—The correspondent

garian deputation at St. Petersburg was  
virtually told that Russia would do nothing  
for Bulgaria unless Prince Ferdinand abdi-  
cated."

Captured by Indian Police.  
CHOCOTAH, I. T., Aug. 10.—Rufus Buck,  
Lucky Bruner, Sam Simpson and Naomi  
Kud were arrested on Thursday after a  
desperate battle in the Chonarty moun-  
tains, near Okmulgee. A few days ago  
these four, together with Louis Davies,  
ravished three white women, one of whom  
has died of her injuries. Davies escaped.  
Over a hundred men joined in pursuit of  
these fiends, but their capture was made  
by the Indian police, assisted by United  
States deputy marshals. It will require a  
strong guard to land the prisoners in the  
Fort Smith (Ark.) jail, as much excite-  
ment prevails, and lynching is talked of.

An Alleged British Backdown.  
ST. JOHNS, N. F., Aug. 10.—Intelligence  
from the French shore brings details of  
an exasperating outrage upon British sub-  
jects by the French fishermen. The warship  
Pelican forced a party of New Foundland  
fishermen to leave a fishing harbor on the  
French shore because the French wanted  
it. The New Foundlanders had to aban-  
don the fishery altogether. They will  
claim indemnity from the imperial govern-  
ment. The people here are very indign-  
ant, though they say such backdowns on  
England's part are of yearly occurrence.

The Atlanta Bull Fight.  
ATLANTA, Aug. 10.—President Collier,  
of the Cotton States and International  
exposition, in response to a request for a  
statement about the bull fight which has  
caused so much agitation of late, said:  
"The performance will take place within  
an enclosure, which no one can enter with-  
out the payment of an admission fee, and  
it will only be seen by those who care to  
pay for the privilege. There is nothing  
worse in the bull fight under the condi-  
tions in which it will be presented than  
the thrilling scenes of Buffalo Bill's Wild  
West show."

A Protest Against Minister Denby.  
SHANGHAI, Aug. 10.—The Americans  
here have sent a cable dispatch to Presi-  
dent Cleveland protesting against United  
States Minister Denby's action in con-  
senting that the British consul should  
represent America in the Sze Chuen in-  
quiry. They recommend a reconstruction  
of the commission by sending an Ameri-  
can official of adequate rank and the ex-  
clusion of implicated Chinese officials. They  
also recommend that a marine cor-  
psort accompany the commission.

Horsewhipped the Editors.  
SAVANNAH, Aug. 10.—Ethel Carter, an  
aeronaunt making ascents here, invaded  
the office of The Free Lance, a weekly  
paper, armed with a cowhide whip, and  
assaulted the proprietor, William Orr,  
and his assistant editor, John Donelan.  
Miss Carter used the whip with such force  
that she finally broke it. The Free Lance  
charged that she failed to make an adver-  
tised balloon ascension because she was  
half intoxicated.

Drowned Before His Father's Eyes.  
BROOKLYN, Aug. 10.—Hugh McKnight,  
with his son George, 22 years old, and a  
nephew, Charles H. McKnight, went to  
Broad Channel, at the head of Jamaica  
Bay, fishing. The two young men went  
in swimming, and were seized by the  
current and carried away, and in their efforts  
to regain the boat became exhausted and  
drowned before the father could reach them.

Holmes Writing His Life History.  
PHILADELPHIA, Aug. 10.—H. H. Holmes  
is occupying his time in prison by writing  
a history of his life. It is to be 500 pages  
in length and will be printed in cloth and  
paper. It is said that he has already found  
a publisher and that the story will be out  
inside of a week. District Attorney Gra-  
ham said today that he expects important  
developments within the next few days.

Will Resign His Judgeship.  
NEW YORK, Aug. 10.—Judge Henry W.  
Soney, of Kenton, O., who has been in  
this city recently, decided while here to  
resign his position as judge of the circuit  
court and come to New York to practice  
corporate law. The salary of the judge-  
ship is \$4,000, and Judge Soney thinks

Mascot Defeats Hal Pointer.  
BUFFALO, Aug. 10.—In the match race  
between Mascot and Hal Pointer yester-  
day Mascot won, though it took him the

SHAMOKIN, Pa., Aug. 10.—The Royal

son, has been shut down and the em-  
ployees discharged. The reason given is  
that during the prevailing low prices for  
coal it does not pay to run the colliery.

WILLIAMSPORT, Pa., Aug. 10.—Florence  
Verry, the 3-year-old daughter of Edward
