

HEART DISEASE

like many other ailments when they have taken hold of the system, never gets better of its own accord, but constantly grows worse. There are thousands who know they have a defective heart, but will not admit the fact. They don't want their friends to worry, and don't know what to take for it, as they have been told time and again that heart disease was incurable. Such was the case of Mr. Silas Farley of Dyesville, Ohio who writes June 19, 1904, as follows:

"I had heart disease for 23 years, my heart hurting me almost continually. The first 15 years I doctored all the time, trying several physicians and remedies, until my last doctor told me it was only a question of time as I could not be cured. I gradually grew worse, very weak, and completely discouraged, until I lived, propped half up in bed, because I couldn't lie down nor sit up. Thinking my time had come I told my family what I wanted done when I was gone. But on the first day of March on the recommendation of Mrs. Fannie Jones, of Anderson, Ind., I commenced taking Dr. Miles' New Cure for the Heart and wonderful to tell, in ten days I was working at light work and on March 19 commenced framing a barn, which is heavy work, and I have not lost a day since. I am 56 years old, 5 ft. 4 in. high and weigh 250 lbs. I believe I am fully cured, and I am now only anxious that everyone shall know of your wonderful remedies."

WESTERN FOREST FIRES

Disastrous Rush of the Flames in Washington and Oregon.

TWO DEATHS REPORTED THUS FAR.

Several Big Ranches in Danger of Destruction by the Sea of Flames—Settlers Burning Their Valuables to Save Them from Destruction.

OLYMPIA, Wash., Aug. 12.—The Associated Press representative returned last evening from the burned district near Summit, west of here. Much timber has been laid waste, but unless heavy winds spring up settlers feel confident the worst is over. In the logging camps of Mason county men are still guarding against flying embers, while others are rebuilding burned out camps.

The big fire started about twelve miles from here, where the flames had full play and are raging all the way to Elma, over a large territory on both sides of the road. Several ranches are in danger, and the occupants are using every means for protection from the flames. In most cases they are fighting fire, and many of them have buried all their valuables, clothing, etc., to save them in case they are obliged to flee. Several shingle mills are in imminent danger, the only hope of salvation being that the wind will not spring up before rain sets in.

Residents of Summit, a small settlement supported by the shingle industry, had a most exciting experience. They say the flames came upon them with the speed of a race horse. Men were forced into the mill to escape the fierce heat. One man trying to save his household effects stayed by the fire when others sought shelter, but finally he started to retreat, but fell between the house and mill. Several men rushed out and dragged him inside. Several houses were burned to the ground.

The city is covered with dense smoke and a shower of fine ashes is falling continuously. Thus far two deaths have been reported. Kars Peters and Thomas White were riding on a logging train near Shelton, when the train went through a burning trestle. The engineer and fireman escaped, but Peters and White were burned in the wreck.

Heavy winds have fanned the fire through the dry timber until the roaring of the flames is heard miles away, and the quick, successive falling of the trees resembles the noise of a battle.

Fierce Forest Fires in Oregon.

PORTLAND, Ore., Aug. 12.—Forest fires have prevailed in the mountains throughout the northwest for two weeks past, and the atmosphere has become so smoky as to almost entirely obscure the sun at midday. In the Nahalem Valley much timber has been destroyed, and it is feared that Mr. and Mrs. North, living on Clear Creek, have been burned to death.

Disastrous Sunday Fire in Newark.

NEWARK, N. J., Aug. 12.—The fiercest fire the department of this city has had to contend with in many years, with the possible exception of the big grain fire at the Ballentyne brewery a couple of months ago, broke out in the plant of the Central Stamping company yesterday afternoon. The front of the Central Stamping company's plant was on New Jersey Railroad avenue, and covered ten city lots on that street. From this branched another building, five stories high and seventy-five feet wide, running through the block to Liberty street. From this building there was a wing of the same size, extending from the middle of the block through to East Fair street. On the south side of the main building on the avenue were five three story brick buildings, and on the north was a new two story brick structure. All these were totally destroyed. The loss to the Central Stamping company is estimated by State Senator Ketcham, treasurer of the company, at upwards of \$500,000. The other losses will aggregate \$300,000.

A Young Woman Charged with Murder.

WELLSBORO, Pa., Aug. 12.—The mystery surrounding the death, on May 17 last, of Miss Elizabeth Knapp, was partly cleared by the arrest of Miss Charlotte Dutton, alias Howell, on a warrant charging her with murder. Miss Knapp, who made her home in the family of Chauncey Howell, became suddenly ill on May 10, and died the following day. She maintained up to the last that she had been poisoned, and the coroner's jury so decided. Miss Knapp's friends employed a detective, and enough evidence was secured to warrant the arrest of Miss Dutton. It is charged that the alleged murderess was jealous of Miss Knapp. Two other mysterious deaths in the Howell family will probably be charged to Miss Dutton, who claims she is married to Howell. One of the victims was Howell's wife.

Consensus Made Him a Coward.

MIDDLETOWN, N. Y., Aug. 12.—George Sanford Price, a well known ex-temperance lecturer, who fled from Goshen, near here, ten years ago, to escape arrest, has returned and delivered himself to Constable Lardy. In 1885, Price forged a note for \$500 and one for \$500. Price fled, an indictment for forgery in the third degree being found against him. Although there was no warrant against him on his return, he agreed to wait until the district attorney could be seen. A warrant was procured and he was taken to prison. During his absence, Price says, he has been in constant fear of arrest. He spent five years on a ranch in Nebraska, but fled one night on the arrival of a stranger, although he was not followed.

Thirteen Bodies Recovered.

NEW YORK, Aug. 12.—Laborers yesterday discovered three bodies in the ruins of the Broadway building which collapsed last Thursday. All of them were bodies of men clothed like workmen, but they were so battered and mutilated that they could not be identified by friends of the missing who visited the morgue. There are seven men on the list of missing, and doubtless the three bodies are three of those men. The death record from the disaster now reaches thirteen, and the bottom of the wreck has not been reached.

Jumped From a Window to Death.

NEW YORK, Aug. 12.—Alice Jewett, 36 years old, who was stopping with her father and mother at the Windsor hotel, committed suicide yesterday by throwing herself from a third story window in the courtyard of the hotel. She was instantly killed. Miss Jewett had been insane for some time. She lived at New Brighton, Staten Island, and was prominent in a society.

THREW AWAY THE BELT

Mr. Wm. Thornton of 127 W. Market Street Explains How and Why He Did It.

(From the Elmira Gazette.)

Old age has many infirmities, none of which are more prevalent than kidney disorders. Have you ever noticed how the old people complain of backache, lame back, and general listlessness? And there are many other symptoms of which they do not speak, such as bloating of the limbs, painful and infrequent urination or excessiveness of urinary discharge. Most people think they are too old to find relief and cure, but this is not so. No better evidence than the following, which comes from an Elmira citizen, who has benefited of a very severe case at 77 years of age. Mr. Wm. Thornton of 127 West Market Street, speaks of his case in this way: "I am 77 years old. I have been afflicted with that dreaded complaint (kidney disease) for over ten years, making my old age a burden. I was so bad as to be forced to carry a belt at all times, and when my suffering became beyond endurance, I would put on the belt drawing it tightly around me and buckle it, thus bringing an extreme pressure over the kidneys; this, undoubtedly, forced the urine out, a function which the kidneys themselves had become too diseased to perform. My condition I put down to a strain I received. I began taking Doan's Kidney Pills. After two or three days I noticed their effect. I was much surprised, as the ailment was so severe and so long standing, while I had tried many remedies without any relief whatever. The pain I have experienced at times from straining in my efforts to discharge the urine was simply awful. I have done away with the use of my leather belt, and the pain has all gone, and I recommend Doan's Kidney Pills to all afflicted with kidney and urinary disorders."

CHEERS FOR CAMPOS.

Enthusiasm Among Patriotic Spaniards in Havana.

REVIEWING SPANISH VOLUNTEERS.

The Commander of the Spanish Forces in Cuba Makes Patriotic Speech in Havana Denouncing the Insurgents as a Mob "Whose Motto is Destruction."

HAVANA, Aug. 12.—Early yesterday morning immense crowds began to invade the Parque de la India to be present at the review of the 10,000 Havana volunteers which were going into the field. The city was early decorated, and thousands of ladies were on the streets and in the balconies overlooking the route of the parade. At 8 o'clock Captain General Martinez de Campos arrived at the park, accompanied by his staff, by General Arderius, by the governor and his secretary and by Calvo Munoz, and preceded by the pioneers. This is the first appearance in public of Captain General Campos since the battle of Peralajo, the name by which the battle between Manzanillo and Bayamo, on July 13, in which General Santedices was killed, has come to be called.

Marshal Campos is an enemy of personal demonstrations. Nevertheless he was received by all the colonels and officers of the volunteers, while fifteen bands played a grand march. The police were not able to restrain the crowds from rushing out through the barriers to greet General Campos, cheering Spain and shouting acclamations for the conqueror of Peralajo. The enthusiasm was indescribable, and General Campos was never received with a more kindly demonstration by the people.

After he had reviewed the volunteers General Campos, with great emotion, delivered a patriotic speech. He said that the volunteers were going to protect the plantations and property which were threatened with burning by a mob, whose only motto is destruction, when they ought to be, as native Cubans, the first to defend this property. The volunteers left immediately by express train for Villar. Lieutenant Colonel Rodon, with 800 troops and artillery, left Bayamo to protect a convoy, which was transported by the river Caute. In El Judío, near Coralito, he surprised the insurgents with a discharge of his shots by the yamunero and with five shots from the artillery. The insurgents lost ten killed and twenty-six wounded, and were dispersed to the mountains.

Challenged to Fight a Duel.

SAN FRANCISCO, Aug. 12.—Senator Calderon, consul for Salvador, seeks the blood of M. Casin, president of the Central American Development company. He has challenged Casin to a duel, and the latter has signified his intention of fighting the duel. While Casin was in company with Consul Bullen, of Ecuador, Calderon passed through the Kennedy street and sneered at Casin. The latter rushed after Calderon and begged him to follow him, so that they might fight out. Instead Calderon sought the protection of a big policeman, and declined the invitation. Then Casin called him a coward and other unpleasant things. Still Calderon would not fight, and went home under guard of the policeman. Later, however, as Casin was dining with General Ezeta, a messenger arrived with a challenge from Calderon to a deadly combat. Casin said today he did not think it would be necessary to fight Calderon with deadly weapons. His fists would be sufficient. Calderon and Casin were formerly intimate friends, but when General Ezeta arrived trouble began. Ezeta is Calderon's bitterest enemy, while Casin has become very intimate with the fugitive warrior.

Cuban Insurgents' "Officials."

NEW YORK, Aug. 12.—Cubans in this city are delighted at the news that a provisional government has been formed in Cuba, with Colonel Lopez de Queralta, a prominent Cuban, said: "The president elected, General Maso, is a Cuban to the very core of his heart. He is a native of Manzanillo, is the owner of vast property in Cuba, and is wealthy. General Maso is about 55 years old and has a record as a valiant soldier. In the revolution of '68 to '78 he was commander of an important division, and distinguished himself on the field of battle. Joaquin Castillo, who has been selected as diplomatic agent to the United States, is well known in New York and is extremely popular."

Would-be Lynchers Foiled.

LEBANON, Ky., Aug. 12.—A mob of about forty men went to the Springfield jail about 10 o'clock in the morning and demanded of the jailer the keys leading to the cells of Matthew Lewis and Jesse Ray, who outraged Mrs. Shields, white, recently. The jailer, seeing resistance was useless, handed over the keys and the men at once proceeded to the jail. None of them could unlock the jail doors, and they tried to batter down the doors, but after hours of hard work they abandoned the job. They then emptied their revolvers into the cells of the jail, but no one was hurt.

Desperate Prisoners Break Jail.

PERRY, O. T., Aug. 12.—At 5 o'clock yesterday morning Ben Cravens and Bill Crittenden, two noted United States prisoners, broke out of the federal jail here. Crittenden is a half-breed Cherokee Indian, and he and Cravens are classed as two of the most desperate men of the territory. The men were arrested a few days ago six miles east of here after a running fight of six miles. A posse of twenty men went in pursuit, and news has reached here that the posse came up with them twenty miles east of here, and Cravens was killed.

Ran Down by an Excursion Train.

SYRACUSE, N. Y., Aug. 12.—A Sunday excursion train on the Rome, Watertown and Ogdensburg railroad struck a party of pleasure seekers, consisting of James M. Northrop, a speculator, his wife and 4-year-old child, at the Marsh road crossing, fatally injuring Mrs. Northrop and seriously injuring both of the other members of the party. Mr. Northrop's carriage was demolished and all of the party were thrown fifty feet.

Injured in a Frolley Accident.

CINCINNATI, Aug. 12.—Last night two electric cars collided at Fourth and Main streets, severely injuring three and slightly injuring others. A Fort Thomas car was demolished and a Price Hill car badly damaged. Ben Krumburg has his left arm broken and body mangled; Albert Toberg, feet mangled and limbs injured; John Knuts, face and head cut. Their condition is serious.

How To Use Cottolene

the new shortening, like all other things must be rightly used if you wish the best results. Never, in any recipe, use more than two-thirds as much Cottolene as you used to use of lard. Never put Cottolene in a hot pan. Put it in when cold and heat it with the pan. Be careful not to burn Cottolene. To test it, add a drop of water; if hot enough, it will sizzle. Cottolene, when rightly used, delights everyone. Get the genuine, sold everywhere in tins, with trade-marks—"Cottolene" and steer's head in cotton-plant wreath—on every tin. Made only by THE N. K. FAIRBANK COMPANY, CHICAGO and 132 N. Delaware Ave., Philadelphia.
