A friend brought

me Dr. Miles' book, "New and Start-ling Facts," and I finally decided to try a bottle of DR. MILES' Reorative Nervine. Before I had taken one bottle I could sleep as well as a 10-yr.-old boy. My appetite returned

CONSPIRED TO ROB THE CITY.

City Clerk Phillips Sold City Warrants to a Bank Which Had Already Been Sold to Other Citizens-He and the Water Commissioner Arrested.

BEATRICE, Neb., Aug. 17.—Beatrice is in state of the wildest excitement today occasioned by the arrest yesterday of City Clerk J. T. Phillips and Water Commissioner George Hawkins upon a charge of obtaining money under false pretenses. The information under which the arrest was made was filed by W. P. Norcross, president of the Farmers and Merchants bank. Some time ago City Clerk Phil-lips sold to the Farmers and Morchants' bank city warrants amounting to nearly \$1,100, discounting the same at 8 per cent.

Upon examining the warrants the president of the bank discovered they were in favor of parties who are in the habit of holding their warrants until paid by the city. By use of the telephone he learned that the parties to whom the warrants were issued held warrants for the exact amounts of those purchased by the bank. In the meantime Phillips had taken the cartificate of deposit received in payments. certificate of deposit received in payment for the warrants and placed it to his ac-count at the Beatrice National bank, and upon its presentation to the Farmers' and Merchants' bank payment was refused.
It is understood Hawkins is implicated

in the matter through the fact that a part of the warrants were drawn up on the water fund, and Clerk Phillips claims they were furnished him by the water commissioner. The city council has declared the offices vacant.

Fatal Shooting in a Court Room, PLATTE CITY, Mo., Aug. 17—Buring the progress of a petty trial in the circuit court here Watt Reed shot and fatally wounded Newton Winn. Reed is under arrest. The court room was crowded at the time and a wild riot ensued. Winn and Reed are prominent farmers from near Plattsburg. One had charged the other with stealing a large number of hogs, and in a fight that grew out of the occurrence the people of Clinton county took sides. In court yesterday Winn at-tempted to strike John Cross, lawyer for Reed, when Reed drew his revolver and sent two bullets into Winn's body. Winn is dying and Reed is in jail, and many of his enemies are making threats against his

Chicago's Hospital Scandal. Chicago, Aug. 17.—Following close on the holding of George Gough and John P. Anderson to the criminal court for the murder of George Pucik at the Dunning asylum will come a series of investiga-tions into the deaths of other patients supposed to have been foully dealt with at the county infirmary and the deten-tion hospital As a result of the exposure of the methods used in controlling insane patients at the detention hospital the body of Kittis Pears will be retained and and of Kittie Peetz will be exhumed and steps taken toward establishing the cause of her

Mother and Two Daughters Cremated. MEMPHIS, Aug. 17.—Just before day-light a double log house near Arlington, this county, occupied by Mrs. Callie Har-rell, her two grown daughters and a son, was burned to the ground, and Mrs. Har-rell and the girls perished in the flames. The son, who occupied a room in the rear of the building, barely escaped with his life. It is thought the women were drugged before the fire was set, as log houses burn very slowly, and they should have wakened up in time to escape. Their bodies were burned to a crisp.

Parochial Schools Not Included.

SPRINGFIELD, Ills., Aug. 17 .- Assistant Attorney General Newell gave his opinion | It takes but little room. that the new law requiring the United States flag to be placed on public buildings and school houses does not apply to so called parochial schools or to schools under the charge of religious de nominations, where religious instruction is imparted. While declining to discuss the constitutionality of the act, he de-clared the senate bill to be a vicious one.

Burned to Death by Acid.

AURORA, Ilis., Aug. 17 .-- A Chicago and Northwestern passenger train ran through an open switch about a mile north of this city and collided with some freight cars on a siding. Ten boys were standing on one of the freight cars, which was loaded with sulphuric acid. All the boys were more or less burned, Thomas Rush, aged 15 years, being burned to death by add and steam, and Charles Chilvers so seri-ously burned that he will die.

Bail Refused for a Murderer,

POMEROY, O., Aug. 17.—John B. Lindsay, charged with the murder of William Gundiff on Aug. 7, after a preliminary hearing, was sent to jail last night without ball. The court room was crowded with West Virginia miners, friends of the murdered man, who openly declared they would lynch Lindsey if he was admitted to bail. Hundreds followed him to the jall door and raised a yell when the door closed on him.

A DYNAMITE BOMB FOR REPUGEES.

A Hundred Persons Killed and Three Hundred Houses Destroyed by Fire-Fomenting Fresh Atrocities to Incense Europe Against the Turkish Government,

LONDON, Aug. 17.—The Times prints a dispatch from Sofla confirming the report of the attack by 600 Bulgarians on the Mobammedan village of Dospat, across the Turkish frontier, before dawn on Saturday last, as was cabled to the Associated Press on Tucsday. The later reports received show that 300 houses were burned and 100 persons killed. A dynamite bomb was thrown from a mosque into a crowd of refugues. The Times says that the villages lie in

the vildest recess of the Rhodope mountains, southeast of Batak. It is inhabited by Mohommedan Bulgarians, brave and warlike fanatics, who hate the Christian Bulgarians more than the Turks, and are, therefore, likely to take a terrible re-It is believed that the attack was arranged by the Macedonian committee in order to provoke fresh atrocities, and thus

incense Europe against Turkey. The Bulgarian government has ex-plained to the porte in reply to the protest of that government the difficulty of watching the frontier because a large concentration of troops would be regarded with suspicion by Turkey.
