INCREASED ENROLLMENT.

The Third-Day Public School Attendance Beats All Records.

Yesterday was the third day of the present public school term in this borough and a census taken of the attendance shows it to be the largest in the history of the schools for the period. The enrollment for the day was as follows: High school, 108; 2nd grade grammar, 170; 1st grade grammar, 227; 4th grade primary, 257; 3rd grade primary, 389; 2nd grade primary, 430; 1st grade primary, 706; Turkey Run, 57; total, 2,412.

Superintendent Whitaker says the enrollment is unprecedented and exceeds the highest for any previous third day by about 300. The attendance for the term promises to be very large.

County Jail Scandal.

WILLIAMSPORT, Pa., Aug. 26.—Following closely upon the severe criticism by the state board of public charities of the Lycoming county jail comes a startling revelation made by Mrs. B. A. Taylor, a prisoner. She charges that the woman's department in the prison is being visited nightly by Tom Taylor, a prisoner acting in the capacity of turnkey, and several of his favorites. Improvements of the key were made in soap, and from this a false key was constructed, with which the door is unlocked.

Not an American Citizen.

WASHINGTON, Aug. 26.—The Mexican minister has received official dispatches regarding the statement contained in a telegram from Nogales, printed some time ago, to the effect that one Francisco Varela, said to be a citizen of the United States, had been sentenced in Mexico as a smuggler and kept in prison after his sentence had expired. Varela is a Mexican citizen, was tried for theft, of which crime he pleaded guilty, and is now serving his sentence.

Reported Slaughter of Indians Discarded.

WASHINGTON, Aug. 27.—The report of the killing of fifteen Bannock Indians by cattlemen in the neighborhood of Diamond valley, Ore., is not believed at the Indian bureau. The commission of Indian affairs says he believes there is no foundation for the report. He says there is no reservation within 300 miles of the region where the affair is stated to have taken place, and that so far as the Indian office is informed no Indians were in the vicinity.

Four Chengtu Murderers Executed.

LOUISON, Aug. 27.—The correspondent of The Pall Mall Gazette at Shanghai telegraphs that according to advices received there from Chengtu, four of the ringleaders of the recent massacre of missionaries there have been executed. Before being beheaded the men are said to have complained they only acted with the consent of the old viceroy.

leading lawyers of that county, and the manner in which his friends are working he hasn't even chance among the long list of aspirants. Stranger things have happened in the game of politics.

Senator Quay and his followers made a bold dash yesterday in the fight for supremacy by taking possession of the state committee and deposing B. F. Gilkeson from the chairmanship. Their object in doing this was to place themselves in position to prepare the rolls of the delegates for to-morrow's convention, so that they might appear before that body with a prima facie case. What the effect of this move will be cannot yet be foretold, and the next move of the Hastings people is looked for with great interest.

The situation in general is intensely exciting and altogether uncertain. Both factions are claiming victory. The junior senator has his headquarters at the Leibel hotel. As the delegates arrive they are confronted for the first time in the history of the Republican party in this state by dual headquarters of the state committee. One of these is at the Commonwealth hotel, and is in charge of Mr. Gilkeson, who is assisted by A. D. Fetterolf, secretary of the committee. The other is at the Leibel hotel, and had been engaged by Chairman Gilkeson, but when he came to take possession yesterday he found that Senator Quay's followers had captured the room and placed J. B. Rex, of Huntington, another of the secretaries of the state committee, in charge.

Large placards announcing the location of the rival headquarters and requesting delegates to present their credentials at each of them ornament the walls in many parts of the town.

Seventy-three of the 121 members of the state committee attended the meeting held in the interests of Senator Quay. Thomas V. Cooper, of Delaware county, was made temporary chairman by acclamation. A resolution was then adopted that a committee of three be appointed to wait upon Chairman Gilkeson and to notify him that the committee had convened, and that a majority of its members were present and desired him to preside over their deliberations. This committee was composed of Louis H. Waires of Scranton, W. A. Stone of Allegheny and E. A. Pinchot of Pike county. They repaired to the Commonwealth hotel and found Chairman Gilkeson, to whom ex-Lieutenant Governor Waires read the resolution. When this had been done Mr. Gilkeson said: "I have not called the state committee together, and I have no business to lay before it."

The committee returned to the headquarters in the Leibel house and made its report, after which a resolution was adopted by J. D. Scott, of Dauphin, and adopted that Walter Lyon, Henry E. Boyer, W. H. Abbotts, General J. K. Siegfried, Dr. H. Thomas, James S. Binwood, E. W. Duffell, George R. Seel and J. H. Harrell be appointed a committee on credentials and authorized to make up the rolls of delegates to the state convention. The committee was instructed to make its report at a meeting of the state committee to be held at 11 o'clock today at the Leibel hotel headquarters.

A resolution was also adopted instructing a committee to ascertain what arrangements had been made for the admission of delegates, members of the press and others to the privilege of the floor, and to see in the manner in which the votes upon various propositions will be taken. This committee is composed of John F. Rutley of Schuylkill, Albert Miller of Dauphin and Charles H. Speakman of Chester. The state committee then adjourned to meet today.

At the anti-Quay headquarters David Martin, G. L. M. and the other delegates sat around a table, and the situation there, all proceedings of the most confidential manner possible, and it is said that they had seen their final. Chairman Gilkeson declined to give out any more, but Mr. Martin said he knew the delegates who were voting against Quay for state chairman. This is fifteen more than the number necessary to win. Senator Quay reiterates his previous observation that he has not less than 100 delegates. Both sides claim to have captured some wavering delegates.

Two sub-committees of the state committee to which were referred the contests in the First ward wards of Philadelphia, involving and seats of five delegates, and a pro-Quay session. Senator Patton, of Philadelphia, represented the contestants and presented a number of affidavits showing that the Quay delegates were illegally elected. The anti-Quay delegates, whose names have been placed on the regular roll by Chairman Gilkeson, were not represented, and the sub-committee decided to recommend that the names of the five contestants, four from the First ward and one from the Fifth, be placed on the Quay roll.

Thomas V. Cooper, who acted as temporary chairman of the meeting of the state committee, and Justice Miller called at the capitol twice yesterday afternoon after the meeting adjourned. The anti-Quay people claim that they suggested as a compromise that Quay and Gilkeson both retire. Quay being willing to permit his opponents to name the state chairman. Mr. Cooper says his visit was for an entirely different purpose. The suggestion, he says, was made that it was improper for a man occupying the high executive position of governor of Pennsylvania to take active part in a factional fight, and that he should therefore get out of it.

Both factions are busy preparing rolls of delegates, and it will probably not be known until tonight, when both sides caucus, whether there will be two conventions. Many of the knowing ones profess to believe that the Quayites, failing to get control of the temporary organization to-morrow, will bolt and hold an independent convention. In this event there may be two Republican tickets in the field this fall.

Reciprocity.

The reciprocal feeling between Mahanoy City and Shenandoah never existed as strongly as it does now. Many saloonkeepers and their friends, of Shenandoah, come over here every Sabbath while the saloon men of Mahanoy City, with a body guard, go to Shenandoah on the same day. And, strange to say, the temperance editor of the American never meets the hotel men from either town in the many first-class soda water dispensaries which are in both towns. The inconvenience of compulsory abstinence will not be fully appreciated until the wives and mother-in-laws of the saloon men are initiated into the mysteries of the Liquor League.

Only a Few Laid Off.

A report that one of the hat and cap factories had laid off a number of its girl operatives has proved somewhat exaggerated. The Schuylkill Hat & Cap Company had off three of its operatives yesterday to prepare for the operation of the law which goes into effect on September 1st, next, prohibiting the employment of operatives under the age of sixteen years.

A Laughable Mistake.

Two ladies entered a book-store recently and the younger asked the clerk for a book called "Favorite Prescription." The puzzled attendant was unable to comply with her request and she left the store disappointed. Inquiry elicited the fact that she had overheard a conversation between two literary ladies in which "Favorite Prescription" was mentioned with extravagant praise, and had jumped to the conclusion that it was a book. She now knows that Dr. Pierce's Favorite Prescription is a sovereign cure for the ill and "weakness" peculiar to women, for she has been cured by its use. Send for a free pamphlet, or remit 10 cents in stamps for book (100 pages) on "Woman and Her Diseases." Address: World's Dispensary Medical Association, Buffalo, N. Y.

POLITICAL POINTS.

All roads now lead to Harrisburg. We still believe Little Gilkeson is defeated. Pay your taxes, Republicans, prior to October 8th, and then you can vote.

Dame Rumor says the Controldership of this county will figure in the deals at Harrisburg to-day.

The Republicans are in a position to win in Schuylkill this fall, while the Democrats appear to be lukewarm.

The friends of District Attorney Ryan are urging that gentleman to aspire for Congressional honors next year.

The name of Controller on the Democratic ticket will be placed between that of Coroner and Director of the Poor.

The Hastings club is well represented at Harrisburg, and the members will do good work for the "Silent Man from Beaver."

The friends of M. H. Master are confident of his nomination for Controller. Candidly, we would rather see the Democrats nominate some one else. Our chances would then be brighter.

R. H. Koch, of Pottsville, has consented to allow the use of his name in connection with the Berks county Judgeship. Who imagined otherwise?

It is a little amusing to see Tom Cooper and Jack Robinson locked arms battling together for Quay. They are always at daggers' points in county fights.

The Democrats are in a quandary on the Orphans' Court judgeship. Dunn, of Minersville, appears to have the lead. Judge Lyons has no opposition so far on the Republican side.

The Schuylkill bar will meet on Saturday and take steps urging upon the Democratic state convention the nomination of Judge Bechtel for the Superior Court. Why, certainly. In the event of his election (?) it will leave a vacancy on the county bench for one of their members. To be sure.
