Mahanoy City Business College.

The work of organizing the new Busines Collège in Mahanoy City was begun last week, and the way students are enrolling it will be a very successful business school.

Being a branch of the excellent Wilkesbarre Business College, and the management offering so low rates of tarition for the first year to organize it thoroughly, it gives the people of this county an opportunity to attend a first-class business college at nearly half the usual cost.

A Charter Membership is issued which entitles the holder to a complete course (time unlimited) in the commercial and English branches, and shorthand and typewriting for only \$50. In night school only \$40,

There will be excellent teachers and thorough courses. In the commercial department the celebrated Sadler system will be used for teaching accounts. It is being adopted now by the best and largest schools in the country. The shorthand and typewriting department will be nicely equipped The Standard Graham system of shorthand will be taught, and both Remington and Smith Premiers Typewriters used.

For further particulars write to G. W. WILLIAMS, Principal.

Missing Treasurer Fitz's Shortage. Chelsea, Mass., Sept. 4.—It became known here today that the affairs of Alfred W. Fitz, son of ex-Mayor Fitz, of this city, and treasurer of the Chelsea Wire Fabric company, who has been missing since Aug. 12, are in a bad condition. The company's factory on Broadway has been closed and expert accountants have been set at work examining the books. President William Martin, of the company while admitting that Fitz had deceived the directors in his annual reports, denied that the missing treasurer had taken \$100, 000, as reported. The amount of the short age will not be known until the experts finish their work.
