NOTES ON THE LEHIGH VALLEY R. R. A Project to Operate Competing Trolley Lines is Dropped.

The Lehigh Valley Railroad will soon begin the erection of a building in the Pickering yards for the manufacture of air-brakes, grab irons and hand holds, which will be put on all freight and coal cars after January 1, 1896, when the recent act of congress requiring all cars to be so equipped will go into effect.

The Lehigh Valley Railroad Company made an effort recently to find out the cost of equipping and operating five branch roads with trolley. They found that the cost of equipment and operation was such as to prevent a profit. This was due to the fact that such branch lines could not compete successfully with existing and independent trolley roads, being situated out of town and not reaching main streets or thoroughfares.

One day last week an engine and five passenger coaches made the fastest and most wonderful run on the Lehigh Valley road that has ever been made through that particular section. The train was that of the Patriotic Order Sons of America excursion. It left Wilkesbarre at 9.15 a. m. and reached Allentown at 11 a. m., occupying just one hour and forty-five minutes. Reduce ten minutes from this for "slow ups" and taking water, leaves the actual running time one hour and thirty-five minutes for eighty-three miles. This is a record unprecedented in railroad history over such a curvy road.

Frederick D. Kurts and Miss Martha Jordan were united in marriage last evening at the home of the bridegroom's parents, at Wm. Penn, and in the presence of a small company of near relatives. Rev. Ephraim Potts, pastor of the Wm. Penn Methodist Episcopal church, officiated. A reception was held at the residence of the bride's parents, in Lost Creek No. 2, where all partook of a substantial repast and spent the evening in a very enjoyable manner. Ellis Jordan, brother of the bride, was the groomsmen and Miss Maggie Green, daughter of Justice J. P. Green, of Wm. Penn, was the bridesmaid.

Anthony Kuslowski and Stanis Correll, two boys of town, were acquitted at the Potsville court today on the charge of sending a threatening and obscene letter by messenger to Maggie Hilbert, a 15-year-old girl. All the parties reside in the Fifth ward. The costs were put on the county.

COLLIERY IMPROVEMENTS. Progress of New Work at the Gilberton and Draper.

When the alterations and improvements at the Gilberton colliery are completed the mine will be one of the most improved in the region. The breaker is being re-modeled and complete changes of locations of chutes, screens, etc., are being made.

Inside the mine the Buck Mountain vein slope has been struck from the 3rd to the 4th lift, or 90 yards deeper, having a vein at the bottom of the slope 10 feet 6 inches thick. A pipe is being made between the 3rd and 4th lifts and is down 300 feet on an angle of 25 degrees and will probably continue so for nearly 200 feet more.

Work started today on a water shaft south of the present slopes and not far north of the P. & R. station. It will probably be sunk 1,000 feet, or to the depth of the Draper colliery. This shaft will be 19x19 feet in the clear and will have four compartments.

The best mine in the world for cuts, bruises, sores, ulcers, salt rheum, fever sores, letter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. It is guaranteed to give perfect satisfaction or money refunded. Price 25 cents per box. For sale by A. Waseley.

How to Fry with Cottolene. Fry everything from potato chips to doughnuts in Cottolene. Put Cottolene in a cold pan—heat it slowly until it will delicately brown a bit of bread in half a minute. Then put in your food. It will pay you to try Cottolene just this way—see how delicious and wholesome it makes the food.

Don't Believe Us! Ask your neighbor what kind of bread she has from the "GOLD MEDAL FLOUR" she received. This is our best testimonial. If you wish to try it give your grocer your order. If he has not got it he will get it for you, but insist on getting "GOLD MEDAL."
