In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y., says: "It may be a pleas-ure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who re-sides at Dexter, Iowa, was about to visit may a few years since, and before leaving home-wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be to the system. quantity with her, as she did not like to be without them." The medicines referred to The controversy in Lazerne county over Druggist

THE CASE OF WALLER.

Facts for a Month. WAMINGTON, Sopt. 6.— The shite d partment has been advised, that the record in the Waller court martial, for which to

There is a growing feeling in the deparat that France has purposely sought delay in producing this record in the hope of causing the United States to make a percemptory and unconstitional demand for Waller's release. It is believed that if made this demand would be grantish, and the restoration of his land concession.

which could not be dramand a after his re-lease, it would be impossible to show that Waller had been unjustly densived of his property. The denarrament is using every effort to avoid failing into this trap, while at the same time it is determined to pro-tect Wallor in all his interests. The department is understoral to be in receipt of the full statement of the case as sampled by the commander of the Casther. It is believed that the irritation of the French authorities at Tanative was really aroused. by his investigation brin this case rather than by his failure to salute the French
