Withdrawal of Valkyrie Because of Interference.

## THE CUP WILL REMAIN HERE

The Britisher Crossed the Line, However, as a Matter of Formality, But Immediately Withdrew-May Race Off Newport or Marblehead.

New York, Sept. 13.—The international series between Defender and Valkyrie for the America's cup is ended. On the whole 8-12-3t Factory S. it has been an extraordinary series, and while the result is satisfactory to the American people, two at least, of the contests that went to make up the match

tions were such as to lead many to suppose that of all days Valkyrie would be in her element.

night, and he said it most emphatically, away coats and a full stock of boy's saits, to leave town and went to Sunbury. He rethat he would withdraw his boat on the morrow if an absolutely clear course was not provided. He claimed that during the not provided. He claimed that during the lead, and mothers should call here very industrious and deserving waman, was previous race his boat had been greatly in-terfered with, and as everything depended upon the outcome of the third of the series assertment of reefer suits, and children's colliery to one in town, in order to leave the he adhered to that decision so closely that Juniors, which can be bought at big dwelling to be occupied by Eisenhower's Valkyrie merely crossed the starting line bargains. A full line of mea's, boys' and brother, Wash., who recently came from and then retired from the contest. De children's single pants, and a big stock of Reading and succeeded to the position of fender was well in advance when the handleap gun was fired, continued on her jour- saits with knee pants to the age of 10 years. prodigal didn't like the turn affairs had taken

By her three straight victories, Defender

retains the historic cup for America.

The race scheduled for yesterday prom.

At the ised to be a more exciting one than either of the two preceding, for it was to be expected that every effort would be made by Dunrayen, after Tuesday's disappointment, to score a victory with the boat he

had brought so far.
Wednesday Valkyrie had been tuned up to the highest pitch in anticipation of yesterday's contest. Several alterations had been made, and those upon whom her FA salling qualities depend most largely were prepared to expend every ounce of muscle and skill to bring her over the line a victor Lord Dunraven had expressed himself as

apparently satisfied with the decision rendered by the cup committee on the

about twenty minutes after the fixed time. committee boat and a signal sent up de-noting that a delay would take place. Then the announcement was made from the patrol boat that Lord Dunraven had refused to ra + unless a clear course was guaranteed by the committee. So far as the committee was concerned it seemed impossible to do more to secure open water preparatory gun was fired, the nearest cents a ton on all sizes of anthracite coal, boat to the racers was fully half a mile except pea coal. This applies only to line away, and the great majority of the ex-cursion steamers and other craft were action has been followed by a similar move much further off in the distance.

much further off in the distance.

The starting gun went at the appointed and will presumably also be followed by time, and almost at the same instant Detries, and almost at the same instant Detries. fender crossed the line. Valkyrie's com-mander had so maneuvered her that she was still a long way off, and just a mo ment before the handleap gun was fired she, too, crossed the line. It was evident p.12-3t to those who had been watching the English boat that she had no intention of racing, and so it proved, for no sooner was the line crossed than she hauled to on the tween the 17th and 21st of this month a storm starboard task, instead of following her rival out, and passed under the stern of shores of all the continents from the equator

steamed in the direction Defender had Wiggins, it will be remembered, predicted the taken. The American boat was making great storm that occurred in March, 1893. good headway with her spinnaker set, and after starting at 11:20:24 rounded the first mark at 1:56:58, and finished at 4:04:36. In the light breeze this was a particularly good performance, and the beat to wind. making. These are the qualities contained ward was much faster than had been an-in Columbia beer, the best brewed on earth. ticipated, for during one part of that jour ney the very light breeze seemed to die out almost entirely. But even in that De-fender made good headway, and when she crossed the home line, the winner of the e, the winner of the series. Defender, and the belching of cannon and the cheers of thousands for the gallaut victories she

It is understood that valuable trophies may be offered for contest between the yachts Defender and Valkyrie off Newport

or Marblehead.
The Atlantic Yacht club contemplates an attempt to arrange a race, or a series, between Valkyrie and Defender for a spedal cup to cost about \$2,000. Dunray will be allowed to arrange details, if the plan materializes, to choose the waters between Sandy Hook and Marblehead, and the date within the limit of Oct. 1; to arrange that the public be kept in ignorance of the dates, and to select rules of either the New York, Atlantic or Larchmont clubs, the three leading clubs of the country, to govern the race.

# LORD DUNRAVEN'S OBJECTIONS.

Steamers Causes Him to Quit. LONDON, Sept. 13.—Reuter's News Agency sent a request by cable to the Earl of Dunraven for a statement of the rea-sons for his action in withdrawing from the third race for the America's cup. The following reply has been received from

"Owing to the excessive crowding by steamers at the first two races, especially at the start off and the last ten miles of

tee on the 10th inst., requesting that the letter be not opened until after a decision had been rendered with regard to the foul at the start of the second race, that owing to the danger of a serious accident by collision with the excursion steamers, and Disturbance in a Family Leads to owing to the absolute absurdity of carry-ing on races under such conditions, I should decline to start unless some rangement were made to race in clear A REVOLVER HARMLESSLY USED !

"I requested a postponement, of yester day's race, with a view of arriving at such Thomas Eisenhower, an Ex-Stable Boss, DRESS GOODS. an arrangement. The committee found it impossible to concode this. I then notified them that I should be at Sandy Hook light ship yesterday for the purpose of giving Defender a start."
