ROBERT J.'S VICTORY.

The Grant Son of Hartford Establishes

a New Record. LOUISVILLE, Sept. 13. - Not only the grand stand, but the standing room ca-pacity of the Louisville Driving Fair association was taxed yesterday afternoon A fast track and a bright sunshine fay ored the great pacing race which Robert J., John R. Gentry and Joe Patchen were to battle for supremacy.

At 2:30 o'clock, when the three horses scored for the opening heat, it is estimated nearly 10,000 people were on the grounds. Robert J. the great son of Hartford, came off victorious; but for the fact that Joe Patchen went into the air when within forty yards of the wire in the fourth heat there might have been another ending. Robert J., however, was as stendy as a clock, and not once during the four heats did he go off his fort.

The fourth heat, which was paced in 2.01%, establishes a new record, being the first fourth heat ever trotted by any horse in that time. There were seven races on the program, but it was necessary to carry both the 2.11 and 2.16 trots over until to day, while the 2.24 trot was not reached.

Novaradine died as a result of Wedness day's seven heats in the 2.17 trot, which was not decided. She was valued at \$2,500 and owned by J. Swathen, Jr., of Lynn, Ky

Victims of the Storm.

WATERTOWN, N. Y., Sept. 13.-A terrible thunder storm visited this section during the night. Wires were blown down in all directions, and communication was cut off for hours, except by one wire. The wind and lightning were accompanied by a deluge of rain. Several farm houses in this vicinity were struck by lightning and burned. A tornado struck the village of Cape Vincent just as the members of a large excursion party at the Jefferson county fair at Watertown were about to take the boat for Kingston, Canada. The Rome, Watertown and Ogdensburg station collapsed. George Godfrey and Thomas Arneal, of Cape Vincent, received injuries from which they died within an hour. Use All The Tobacco You Want Till Your "Carping," is Gone.

NARCOTI-CURE is the only remedy in the world that acts directly on the nerves and drives the nicotine from the system in from four to ten days. It leaves the patient in better health than before taking, and is warranted free from any injurious ingredients.

NARCOTI-CURE is popular because it allows the patient to use all the tobacco he wants while under treatment, or until the "craving" and "hankering" arc gone. It is then no sacrifice to throw away tobacco forever.

NARCOTI-CURE is sold at the uniform price of \$5.00 a bottle, and one bottle cures.

Money refunded if a cure is not effected when taken according to directions.

ONE of the interesting sequels of the late contest for supremacy in the Republican party comes out at Hazleton, where several miners were discharged by the Lehigh Valley Coal kyrie off Marblehead, Mass. Company for their activity in behalf of Senator Quay. The superintendent of the Lehigh Valley Coal Company, Mr. Fred. During the contest the Pottsville Republican, day in and day out, vilified the officials of the P. & R. B.
