

Mahanoy City Business College.

This new college opened Monday, September 19th, in the Hopper building, 205 East Centre street, Mahanoy City, and already shows plainly that it will soon be one of the best business training schools in the state...

The teachers are the very best that can be secured. They are practical business men, are highly educated, and have had long and successful experience in teaching thoroughly all the branches that are of use to the business man...

The Commercial and the Shortland and Typewriting courses together (time unlimited) can now be had for \$50 in the day school, or \$40 in the night school. If only a few subjects are taken special rates will be made to suit. Send for catalogue. Students may enter at any time.

The Ideal Panacea.

James L. Francis, Alderman, Chicago, says: "I regard Dr. King's New Discovery as an Ideal Panacea for Coughs, Colds and Lung Complaints, having used it in my family for the last five years, to the exclusion of physician's prescriptions or other preparations."

Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for 50 years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery. Try this Ideal Cough Remedy now. Trial bottles free at A. W. Wadley's drug store."

Notice.

The HERALD no longer occupies the offices in the Reflowich building. The only office the paper has in this town is at the new quarters, No. 8 South Jardin street.

Sent It to His Mother in Germany.

Mr. Jacob Eshenau, who is in the employ of the Chicago Lumber Co., at Des Moines, Iowa, says: "I have just sent some medicine back to my mother in the old country, that I know from personal use to be the best medicine in the world for rheumatism, having used it in my family for several years. It is called Chamberlain's Pain Balm. It always does the work." 50 cent bottles for sale by Grubler Bros. Druggists.

Coming Events.

- Sept. 20.—Grand opening ball, Shenandoah Foot Ball team in Eddins' hall.
Oct. 22.—Grand supper, under auspices of Calvary Baptist church, in Robbins' hall.
Oct. 23.—Grand supper by the Trinity Reformed church, in Robbins' opera house.
Oct. 25.—Second Annual Telegraphers' Assembly and contest, in Robbins' auditorium.

Spring Any Leaks Tight?

We can't stop the leaks from the clouds but Bell, the plumber, corner Main and Centre streets, can stop all your leaks in water and gas mains with satisfaction.

It May do as Much For You.

Mr. Fred Miller, of Irving, Ill., writes that he had a severe kidney trouble for many years, with severe pain in his back and also that his bladder was affected. He tried many so-called kidney cures but without any good result. About a year ago he began use of Electric Bitters and found relief at once. Electric Bitters is especially adapted to cure all kidney and liver troubles and often gives almost instant relief. One trial will prove our statement. Price only 50c. for large bottle. At A. W. Wadley's drug store.

Publishers' Announcement.

The local circulation of the EVENING HERALD continues in the hands of Messrs. Hooks & Brown, publishers, No. 4 North Main street. People who are not receiving the paper can have it served every evening by carrier upon leaving their orders at the place stated. Orders for job work and advertising will also receive prompt attention if placed in their hands.

Relief in Six Hours.

Distressing kidney and bladder disease relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great success on account of its extraordinary promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by Isaac Sharp, druggist, 167 South Main street.

The Water Question.

EDITOR EVENING HERALD.—In looking over the columns of your valuable paper we notice an article, or rather a notice from the Shenandoah Water and Gas Company to its consumers, prohibiting the people who are not on these works and are on the public water works from receiving any water, and making a fine of \$10 for such a violation, to the various gentlemen that have remained with them. It is true that water is the topic of the day, and it is a rare article at this time all over the country. Thank God that water was made for us all, for the poor as well as the rich, and that members of Council Committee have not been so narrow-minded as to attack a \$10 toll to a glass of water for the thirsty. The public water works, as stated in your paper before, have sufficient water to pull through the drought, with a little economy. We certainly do not allow willful waste, but at no time do we prohibit any of our customers from giving a drink of water, pure, fresh water, or a bucket full, if required, or have a \$10 toll attached to it.

A. D. GABER, Chairman, Shenandoah, Pa., Sept. 21st, 1905.

Shenandoah Business College.

The Shenandoah Business College and School of Shortland and Typewriting reopened Wednesday Sept. 18, in the 2nd floor of Reflowich's Hall, South Main street. This is the best place for anyone desiring to take a Business or Common Course as our rates are sufficiently low to give every one an equal chance. Parents send your children.

JAMES F. WALDRON, Principal.

Cause of the Odor.

Visitors to the vicinity of the Shenandoah City colliery are annoyed by a strong odor that is as disagreeable as can be imagined and when it is suggested that the colliery officials institute a search for and cause a removal of the defunct rats, the clerks in the office smile provokingly and say there is no dead vermin of the kind about the place. The odor does not come from that source, but from the steam exhausted at the engine house which is built on the bank of the creek. This steam is a course into which a great deal of the sewage of the town and the refuse water from the washery empties, and at a point opposite the breaker the creek is converted into a reservoir from which all the water, regardless of quality, is pumped into the engine house and used to operate the machinery. It is said that without this supply, as poor as it is in quality, the breaker would frequently be obliged to suspend operations. The employees have become so accustomed to the odor that they are like fish out of water when they get into a flower garden.

Notice to the Public.

I beg to inform the public that I have taken possession of the Shenandoah Steam Renovating plant, and will clean carpet, feathers, mattresses and do all other jobs pertaining to the business in a satisfactory manner. 8-16-1W

MAYLON C. ALLERMAN, Mgr.

In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y., says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, lame back, pains in the side and chest, and Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unopposed by any other. They are for sale here by Grubler Bros. Druggists.

Their Report Delayed.

The report of the County Auditors has not yet been submitted to the court, although nearly nine months of the year 1905 have elapsed. Their statement of the county finances has been prepared, but the delay in submitting the same is said to be on account of the statements of some of the county officials being as high as \$800 for expenses and others demanding as much as \$2,500 as fees above their salary. Notices have been sent to these officials to appear before the Auditors and explain the items more definitely. Should these explanations prove unsatisfactory, charges will be made against nearly every county official of 1894, including ex-Sheriff Wall, in sums ranging from a few hundred dollars to several thousand. The Auditors believe these accounts should be itemized, in order that the taxpayers may have an intelligent understanding of them.

Almost a Runaway.

This morning as one of Lettig's beer teams was standing in front of the Western Union telegraph office, the horses suddenly became frightened by the appearance of a performing bear, and started to make a wild dash across the street, but were checked by the timely assistance of Joe Tempel, who jumped upon the wagon and checked them. Had it not been for Mr. Tempel's presence of mind there might have been several serious runaways, as the opposite side of the street was blocked with teams.

THE DURRANT TRIAL.

Adolph Oppenheim, the Pawnbroker, Says He Was Offered Bribe Money.

SAN FRANCISCO, Sept. 21.—The prosecution in the case of Durrant announced today that its witnesses would be through with direct examination next Wednesday. The crowd at the trial yesterday exceeded in size that of any previous day since the case opened.

George King, the organist, was called for further cross examination. After a few unimportant questions from the opposing attorneys King was excused, to the surprise of all, it having been expected that the prosecution would interrogate closely upon the alleged variation in his statements concerning Durrant, made at different times.

Frank O. Siedemann, formerly janitor at the church, testified that on April 8, the day Blanche Lamont disappeared, the gas fixtures were in perfect order.

Adolph Oppenheim, a pawnbroker, testified that on April 4 Durrant came to his store and offered for sale a ring with a small chip diamond. The witness selected a ring from those identified as belonging to Blanche Lamont, and said that was the ring offered him by Durrant. He had declined to purchase it, and Durrant had taken it away with him.

The witness stated that since testifying at the preliminary examination he had received two letters offering him bribes to modify his testimony. One of the letters offered him \$500 on condition that he stated on the stand that he could not positively identify Durrant. He was not to see any one in connection with the bribe until after he had given his testimony, when the money would be paid to him. The second letter was of a similar character. The witness said he had turned both letters over to the police.

Oppenheim was still on the stand when the court adjourned until Monday.

Bicyclists Badly Injured.

READING, Pa., Sept. 21.—The races of the Penna wheelmen, of this city, on the fair grounds, were somewhat marred by several accidents. The first accident occurred in the first heat of the Class B one-half mile open event, when C. M. Murphy, of Brooklyn, had a fall, and had his left knee badly injured. He was also hurt internally. John M. Von Neida, of Ephrata, was the next unfortunate. After he had covered the first half mile in the two mile handicap the front rim of his wheel split, dashing him against the fence with frightful force. His injuries are of an internal nature, and quite serious. W. J. Hoffer, of Ulen, N. Y., fell against the fence in the last lap of the three mile handicap, and A. W. Warren, of Hartford, fell over him. Both riders were badly skinned and bruised.

Gang of Railroad Thieves Unearthed.

KANSAS CITY, Mo., Sept. 21.—Probably the most extensive, and for years the most successful, scheme for stealing has just been unmasked by secret officers here. About \$20,000 worth of goods have been stolen and four of the culprits concerned are under arrest. The railroad companies have known for several months that a systematic robbery of freight in transit was being done. Thomas Nolan, foreman of the railroad transfer company, was arrested charged with stealing a case of goods, but escaped. A search of his house and several pawn shops since has displayed one upon one of valuable merchandise that had been stolen while en route to and from the depot.

Run Over by a Locomotive.

YORK, Pa., Sept. 21.—George Nehrm, who recently served in the regular army, was probably fatally injured at Hanover, this county, yesterday. Two days ago he was employed as a brakeman on the Western Maryland railroad, and while trying to climb on the tender of a locomotive his foot slipped and he fell to the track. The engine passed over him, and both legs were severed from his body. His recovery is doubtful.

Senator Puffer Injured in a Wreck.

CHATTANOOGA, Sept. 21.—A collision occurred on Lookout mountain yesterday afternoon between trains of the broad and narrow gauge roads. The speed of both trains was checked in time to avert a serious accident. Several persons were injured, including Senator Puffer, of Kansas, who was thrown from his seat and cut about the head severely, but not seriously. Stephen Parrish, of Chicago, had his leg broken.
