

From LaGrippe.

How Dr. Miles' Nervine Restored One of Kentucky's Business Men to Health.

No disease has ever presented so many peculiarities as LaGrippe. No disease leaves its victims so debilitated, useless, sleepless, nerveless, as LaGrippe. Mr. D. W. Hilton, state agent of the Mutual Life Insurance Co. of Kentucky, says: "In 1899 and '00 I had two severe attacks of LaGrippe, the last one attacking my nervous system with such severity that my life was despaired of. I had not slept for more than two months except by the use of narcotics that stumped me, but gave me no rest. I was only conscious of intense mental weakness, agonizing bodily pain and the fact that I was hourly growing weaker. When in this condition, I commenced using Dr. Miles' Restorative Nervine. In two days I began to improve and in one month's time I was cured, much to the surprise of all who knew of my condition. I have been in excellent health since and have recommended your remedies to many of my friends."

A POPULAR VERDICT.

Alleged Cuban Filibusters Released from Custody.

THE VERDICT WILDLY APPLAUDED

After the Discharge of the Prisoners They Were Treated an Impromptu Reception by Wilmington Citizens, Many of Whom Are Wearing the Cuban Colors.

WILMINGTON, Del., Sept. 24.—Judge Wales, in the United States district court yesterday, charged the jury in the trial of the twenty-one Cubans charged with violation of the neutrality laws. In his charge Judge Wales said:

"The suspicious movements of the defendants on the night of the 29th of August, the devious and mysterious manner in which the arms and ammunition were brought to Wilmington and taken out on the Taurus to be transported to an unknown point beyond the water from Philadelphia, the omission of the defendants to make any explanation of their designs—all these circumstances may reasonably excite suspicion of wrong doing. The appearance of the defendants, their nationality, their silence under arrest, the fact of an existing insurrection in Cuba, and the probability that they are in sympathy with the insurrectionary party, unsupported by other evidence, would not be sufficient to warrant a verdict of guilty."

The jury was out only fifty minutes, and on returning to the court room announced a unanimous verdict of not guilty. Instantly there was a mighty shout, accompanied by the clapping of hands, which demonstration lasted a couple of minutes. The court officers could not make themselves heard, and had to wave their hands to restore quiet.

Judge Wales asked the United States district attorney whether there were any other charges against the defendants, and he replied in the negative, whereupon they were discharged.

After the defendants had shaken hands with their counsel, the spectators, among whom were many women, pressed forward and congratulated the Cubans. The tendering of congratulations consumed a quarter of an hour, and at the conclusion of this interesting scene the court room was vacated. A multitude followed the men to the postoffice corridor, where an informal reception was held, after which the Cubans proceeded to their hotel, the Delaware House, whether they were accompanied by many sympathizers. Immediately after their arrival at the hotel a large American flag was unfurled in front of the balcony.

Cuban colors and the American flag are to be seen in many button holes. City Treasurer Adams flew a Cuban flag under the Stars and Stripes on the flagpole on his store. It was greeted with cheers. When the flag on the city hall was hoisted the Cubans gathered on the balcony of their hotel opposite, took off their hats, and cheered "The American Flag."

As a result of the acquittal of the alleged filibusters there was a big demonstration of Cubans and Cuban sympathizers in the shape of a parade last night. There were about 2,000 men in line, and with numerous bands of music, they enthusiastically marched throughout the city.

It has not yet been determined what will be done with the arms and ammunition which were captured at Pennsboro, but it is thought it will be given to the Cubans.

Justifiable Hon. etc.

WELLSBORO, Pa., Sept. 24.—William Mosher, aged 39 years, was shot by Mrs. Etta Canedy, a 19-year-old married woman, early in the morning, and Mosher died shortly afterwards in the office of Dr. L. C. Brown, of Tioga, to whom he was brought for treatment. Mosher, with three male companions, went on a spree, and about midnight they drove to the home of Modestia Canedy, near Tioga, Canedy, who is quite ill and feeble, was sitting helplessly on the porch, and his wife was in bed with their 2-year-old child. After roughly handling Canedy they invaded the house and entered the woman's room. Mrs. Canedy seized a revolver and threatened to shoot if they did not leave. All but Mosher fled, but he seized Mrs. Canedy, and, according to her testimony, the weapon was discharged during the struggle. Mrs. Canedy, whose character is above reproach, is in delicate health. The coroner's jury rendered a verdict of justifiable homicide.

The Durrant Murder Trial.

SAN FRANCISCO, Sept. 21.—The tenth week of the trial of Theodore Durrant commenced yesterday. The prosecution now has its case substantially before the jury and all that the district attorney will now introduce is corroborative testimony. The important evidence yesterday was that showing that the prisoner had attempted to pawn a ring belonging to Blanche Lamont. When Durrant was positively identified by witnesses not a muscle of his face twitched. He neither betrayed guilt nor flashed back the glance of injured innocence.

Police Stop a Boxing Match.

BALTIMORE, Sept. 21.—A thousand people saw the boxing contest between Mike Leonard, of New York, and Charlie Gehring, light-weight champion of Baltimore, at the Europa club last night. The contest was to be twenty-five rounds, but ended in the third round, and was declared a fight because of police interference. The police interfered to suppress an riotous riot which started among the friends of the pugilists on account of an alleged foul by Leonard.

A Bomb Thrown in Newark.

NEWARK, N. J., Sept. 24.—James Carlo, an Italian, was locked up yesterday on the charge of throwing a bomb in the yard of Justice of the Peace Buchanan, at No. 16 Factory street. The bomb exploded and blew out all the windows of the house of the justice. The justice narrowly escaped. Carlo said he had no idea he threw it as a joke, to frighten Mr. Buchanan.

YOU LACK STRENGTH.

Weak Nerves, Tired, Exhausted Bodies.

The Complaint of Thousands Upon Thousands.

Health and Strength are Within Your Grasp

Dr. Greene's Nervura Makes You Strong and Well.

It is the Great Restorative of Nerve and Body.

The world is filled with people who, while not exactly sick, yet lack strength. They are weak, tired, languid and nervous, especially at this season of the year, and have lost their old-time vigor and energy, and go about their work in a listless manner, without ambition, and feeling dull and dissatisfied.

In this connection we publish the cure of Mrs. E. B. Graves, of Middlefield, Mass., in the lady's own words:

"I was sick for two years, and have been a great sufferer during all that time. I was fearfully nervous, and could get but little sleep. I was constantly worrying about something. My head ached nearly all the time so that I could hardly endure it. My stomach was in a terrible condition, and I could eat but very little. I suffered awfully from the little food I did eat."

"I was fearfully thin and exhausted all the time, and could do almost no work at all. I was in a fearful condition from all these complaints, and thought I never should get well."

"I took medicines and employed doctors but got no better. Finally I began the use of Dr. Greene's Nervura blood and nerve remedy, and in a few days I felt a great improvement. I gained rapidly in health and strength, and every one of my troubles soon left me. I was entirely cured of them all by that wonderful medicine, Dr. Greene's Nervura blood and nerve remedy. There is no other medicine in the world that will do what that will. I advise everybody to use it."

Use it—it will make you strong and well—give you back your snap, energy and ambition to work.

It is not a patent medicine, but the prescription of the most successful living specialist in curing nervous and chronic diseases. Dr. Greene, of 35 West 14th St., New York City. He has the largest practice in the world, and this grand medical discovery is the result of his vast experience. The great reputation of Dr. Greene is a guarantee that his medicine will cure, and the fact that he can be consulted by any one at any time, free of charge, personally or by letter, gives absolute assurance of the beneficial action of this wonderful medicine.
