A Great Posh for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and group the conditions of lower prices. We establish a For Years Mr. Burgheim Had new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent, and then loaded it with the added the largest stock of Fall and Winter Clothing for Men. Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—multitudes turn to us to save money. \$5 or \$6.75 all-wool suit, goed as before \$10 or \$12. \$10 suit now, good as you used to get for \$15. \$25 suit now, good as you used to get for \$35.

We're told we're getting too little, but we are not jaying attention to the profits. We are not jaying attention to the profits. We are not given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our elething we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices.

Our entire store represents appearing that.

Night He Lives.

Steep is one of the things that cannot be put off from night to night.

The punishment for sleeplessness is worse than pain. It means a shattered mind.

It often happens that a sudden stress of work or anxiety robs one of the night's rest.

The effect is soon apparent in the languor.

Our entire store represents superior taste which makes competition impossible.
