

GOLDIN'S CORNER.

A Great Push for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We establish a new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No back numbers! No misjudgments! No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to suit this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it. It's multitudes turn to us to save money. \$3 or \$6.75 all-wool suits, good as before \$10 or \$12. \$10 suit now, good as you used to get for \$15. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. No one's prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices.

Our entire store represents superior taste which makes competition impossible. Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

L. GOLDIN, Prop.

EVENING HERALD

THURSDAY, OCTOBER 10, 1893.

Mahogany City Business College. This new college opened Monday, September 9th, in the Hoppes' building, 305 East Centre street, Mahogany City, and already shows plainly that it will soon be one of the best business training schools in the state. For the many students now in attendance are progressing rapidly and new ones are continually entering.

The teachers are the very best that can be secured. They are practical business men, are highly educated, and have had long and successful experience in teaching thoroughly all the branches that are of use to the business man. Bookkeeping, Business Arithmetic, Grammar, Spelling, and the Laws of Business are taught plainly and fully in the Commercial Department; and Shortland, Typewriting, Spelling and Grammar are given in the Shortland Department. In both departments students must also take PENMANSHIP and CORRESPONDENCE so as to be able to write plainly, neatly and correctly the different kinds of business letters.

This college is a branch of the splendid Wilkesboro Business College, and the same effective methods of teaching Bookkeeping and the same kinds of typewriters are used. The Commercial and the Shortland and Typewriting courses together (time unlimited) can now be had for \$50 in the day school, or \$40 in the night school. If only a few subjects are taken special rates will be made to suit. Send for catalogue. Students may enter at any time.

The Discovery Saved His Life.

Mr. G. Callhoun, Druggist, Boonesville, Ill., says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at A. Wadley's Drug Store.

New York Fashion Letter.

Stylish costumes of mohair and alpaca are made with jaunty blazers trimmed with bands of material covered with machine stitching. Cameleon silk blouse fronts flash prettily these gowns. The skirt is six yards wide and is ornamented with stitched bands. The new sleeves are all tight on the fore-arm and above are one or two immense puffs or they are the regulation gigot. Caps and all trimmings which lengthen the shoulder are very popular. Combinations in color will be used to a great extent for evening toilettes. Plain satins are employed for revers, Marie Antoniette fichus and other such trimmings combined with velvet of several shades. A profusion of colors the blended chameleon is a popular novelty. Franchise or raspberry red, pruned purple and washrose together with Dahlia and Periwinkle shades, Froila and Maroon brown are the leading novelties. A new blue is being. The earliest autumn hats are of the fancy dark straw. In these new shades they are trimmed more or less with rosettes and bows of velvet mingled with fanciful lurls. Creped gauzes are very fashionable for evening dresses. Very charming effects are given them by Persian coloring. The effect of ticks is seen in many. Large plaids are used as well as flowers and polka dots. In the new Fashion Magazines published by A. McDowell & Co., one sees a large variety of the latest styles which are introduced for the coming season. Of the McDowell Fashion Magazines "La Mode de Paris" and "Paris Album of Fashion" cost \$3.50 per year's subscription, or 35 cents a copy. If you are unable to procure either of these journals from your newsdealer do not take any substitute, but apply by mail to Messrs. A. McDowell & Co., 4 West 11th street, New York.

Late Literary News.

Rudyard Kipling makes his last appearance as a teller of Jungle Stories in The Cosmopolitan for October. "Mowgli Leaves the Jungle Forever," and the curtain is drawn over one of the most charming concoits in literature. In the same number appears for the first time before an American audience, the now-famed Richard Le Gallienne in a plea for religion under the title of "The Greatness of Man." A very important paper on "State Universities" is contributed to this number by Professor Ely. And among the story-tellers are Hopkinson Smith and Boyesen. No more beautiful work has ever appeared in any magazine than the marvelous illustrations of Cabinetry used as a frontispiece and accompanying the prose poem by Mrs. Carlotta Drake—who is said to be Kipling's favorite artist for his Jungle Stories—Carter Beard, Osterling, Denman, and Kemble, are among those who contribute a wealth of illustration to this number. The Cosmopolitan announces that it will begin the publication in January of The Agriculturist's Illustrated Magazine, to be fully the equal of The Cosmopolitan, but containing from sixteen to twenty pages by the ablest agricultural writers of the world, upon subjects of importance to the agriculturist, horticulturist, and stock-growing interests.

A Successful Concert.

A very enjoyable and successful concert was held last evening at Wm. Penn for the benefit of the Methodist Episcopal church of that place. It was excellently attended and the treasury of the church will be considerably swelled by the receipts. Miss Inspector William Stein was master of ceremonies and acquitted himself of the duties in a very fitting manner. There were anthems by the Wm. Penn choir; recitations by Miss Mahala Fairchild, of Shenandoah, and Miss Garner, of Ashland; vocal solos by Misses Gwendoline Reese and Arabella Gilpin, of Shenandoah, Prof. Davis, of Ashland, Master Phillips, of Mt. Carmel, William Waters, of Shenandoah, and Miss Katie Jones, of Lost Creek; quartettes by a party of Ashland singers, and singing by the Schoppo party, and the Plantation Quartette, consisting of Messrs. Harry Reese, W. J. Jacobs, Thomas Simons and James Patterson. Mandolin and guitar duettes were also rendered by gentlemen from Ashland. The concert was pronounced one of the best that has been held at Wm. Penn, and as several of excellent quality have been held there recently the verdict is an enviable compliment to the ladies and gentlemen who took part in last night's success. At the close of the concert an excellent collation was served at the generous expense of Mr. Philip Jones.

A Fake, Pure and Simple.

Editor Parker, of the Mahanoy City Daily Record, should call his reportorial staff before him and lecture them upon the necessity of avoiding fake news. Somebody is doing some tall lying or else playing a joke upon the reporters of that paper. The Shenandoah Councilmen held no conversation with the engineer of the Mahanoy City water works, and no one knows it better than that individual. To publish such a fake is indeed unkind, after we have been doing their washing. If the Mahanoy City people will visit their works they will discover that the water works authorities are pumping the water twice over to increase the size of the stream. They have two blow holes in the main pipe, and the water from these amounts to about 100,000 gallons, which again flows into Nigger Hollow. That is a cute trick, to be sure.

Installation of Officers.

Last evening the officers of Shenandoah Tribe No. 155, Improved Order of Red Men, were installed by D. G. S. George Hughes, of Powhatan Tribe No. 151, of Mahanoy City, assisted by P. S. John J. The officers installed were Robert Woodham, S.; Charles Lewis, S. S.; Joseph Ball, J. S.; David Lewis, 1st S.; James Herrington, 2nd S.; David Evans, 1st W.; John J. Williams, 2nd W.; Lewis Hughes, 1st B.; William Calk, 2nd B.; Edward Capper, G. of W.; W. T. James, G. of T.; David Jenkins, Trustee for eighteen months.

CRISP RUST. Is the making of a pie. The making of a crisp crust depends largely upon the shortening. Use COTTOLINE, the new vegetable shortening, instead of lard, and soggyness will be an unknown element in your pastry. Cottolene should always be economically used—two-thirds as much Cottolene as you would ordinarily use of lard or butter, being ample to produce the most desirable results. The saving in a year represents a considerable item. There are many imitations of COTTOLINE; you should therefore be careful to get the genuine. Sold every where in tins, with trade-marks—"Cottolene" and "steer's head in cotton-piast" smooth—on every tin. Made only by THE N. K. FAIRBANK COMPANY, CHICAGO and 192 N.
