

A Great Cash for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We establish a new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the latest styles and novelties in clothing for the children.

No back numbers! No misjudgments! No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on. The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—millions turn to us to save money. \$5 or \$6.75 all-wool suits, good as before \$10 or \$12. \$10 suit now, good as you used to get for \$15. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices. Our entire store represents superior taste which makes competition impossible. Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

### EVENING HERALD

FRIDAY, OCTOBER 11, 1895.

#### Mahanoy City Business College.

This new college opened Monday, September 9th, in the Hoopes' building, 305 East Centre street, Mahanoy City, and already shows plainly that it will soon be one of the best business-training schools in the state. For the many students now in attendance are progressing rapidly and new ones are continually entering.

The teachers are the very best that can be secured. They are practical business men, are highly educated, and have had long and successful experience in teaching thoroughly all the branches that are of use to the business man. Bookkeeping, Business Arithmetic, Grammar, Spelling, and the Law of Business are taught plainly and fully in the Commercial Department; and Short-hand, Typewriting, Spelling and Grammar are given in the Short-hand Department. In both departments students must also take PENMANSHIP and CORRESPONDENCE so as to be able to write plainly, neatly and correctly the different kinds of business letters.

This college is a branch of the splendid Wilkesbarre Business College, and the same effective methods of teaching bookkeeping and the same kinds of typewriters are used.

The Commercial and the Short-hand and Typewriting courses together (time unlimited) can now be had for \$50 in the day school, or \$40 in the night school. If only a few subjects are taken special rates will be made to suit. Send for catalogue. Students may enter at any time.

#### BIG POW-WOW ON FOOT.

The Democratic Braves to Get Together at Pottsville To-morrow.

Soon after the golden rays of the morning sun tinge the hill tops to-morrow the Democratic braves of Schuylkill county will arise and, leaving their wigwags, take the trails towards Pottsville to meet in a grand powwow at the Merchants' hotel, which has been fixed upon as the medicine lodge in which to arrange plans for pouring oil upon the troubled waters that have been surging against the peace of the Democratic party for several moons.

The call for the meeting was a quiet one. Quiet to the extent that only those considered capable and of sufficient influence to bring about a smoking of the pipe of peace were notified. The result will be impatiently awaited. Some of the braves look upon the movement as very likely to terminate in "heap much good" to the county ticket recently nominated, and many expect that the wigwag belts will take on a cupulent shape after the great chiefs have spoken. The medicine man is that old Democratic veteran of Tanamiqua, Daniel Shepp. His record, influence and wigwag belt commands the admiration of all the tribes, and since he has consented to sit with the braves in the medicine lodge on Saturday there seems to be much hope that the evil spirits will be driven out of all wigwags of the tribe and there will be a united effort to take all Republican scalp next month without mercy. Great has been the Tanamiqua chief in the past! It will be interesting to know how his 'bawl' will stir up in the present crisis. To-morrow will tell. Uh! There is blood on the moon for the Republican pale face—according to the program, and as a result it may be expected that several campaign sheets will spring up like mushrooms.

For Pin Worms, Eczema, Hives, in fact, any of the various torturing, itchy diseases of the skin, Dean's Ointment is an instant and positive remedy. Get it from your dealer.

#### AFTER THE FIGHTERS AGAIN.

Governor Clarke Says the Fight May Now be Prevented in Arkansas.

HOT SPRINGS, Ark., Oct. 11.—Both Corbett and Fitzsimmons will do the remainder of their training in this city. Brady and Julian have settled the matter of a referee, Brady agreeing to permit Fitzsimmons to select good reputable men, and from them Brady will select the referee. Brady, who is at San Antonio, said today that the fight would certainly take place in Hot Springs on Oct. 31, even if they had to go into the woods to settle it, with only five or six men as witnesses. He has assurance, however, that the public exhibition will not be interfered with.

After having opened court yesterday Judge Duffie asked for the sheriff. Sheriff Houghton stated to him that he had been informed and believed that an attempt would be made to bring the Corbett-Fitzsimmons fight off in Hot Springs, and that he wished to call his attention to the fact that in doing so the principal would be breaking the laws of the state and outraging the dignity of the state of Arkansas. He would, in conjunction with Judge Touge, the prosecuting attorney, inform the sheriff at what stage it is his duty to interfere.

LITTLE ROCK, Oct. 11.—When shown the dispatch from Hot Springs about the action of Judge Duffie, in connection with the Corbett-Fitzsimmons fight, Governor Clarke said that he expected as much of Judge Duffie. Prosecuting Attorney Touge and Sheriff Houghton. Governor Clarke was emphatic in saying that should Judge Duffie have taken the initiative in the matter it would be a very easy matter to stop the fight. The chief executive of the state could now intervene and preclude the possibility of the affair being pulled off in the city of Hot Springs.

# GET WELL! ENJOY LIFE!

## Don't Suffer With Rheumatism--Take Paine's Celery Compound.

The common sense of the people has long refused to believe that rheumatism and neuralgia were diseases hopeless of cure. Prof. Edward E. Phelps, M. D., LL. D., of Dartmouth college, has confirmed their belief. There is an absolute specific for both of these diseases in Paine's celery compound. Thousands of men and women are every year entirely freed from these two torturing disorders by Paine's celery compound. Neuralgia-pain affects first one part of the body and then another. Nature's restorer, sleep, is sought in vain, and life's ordinary duties become burdens too heavy to be borne. In this condition of sleeplessness Nature's call for rest must be regarded. If unheeded, serious consequences are likely to ensue. The nerves must be built up by a proper nerve food. There is nothing equal to Paine's celery compound.

The body is not a machine which simply wears out after a certain number of years, but a vital organism having the power of reviving itself—capable of being hard worked, and demanding frequent times of recuperation and sleep.

To quickly furnish a fresh and abundant supply of nutriment for every tissue of the body is the purpose for which Paine's celery compound was first prepared. This rapid production of fresh nervous energy and pure blood was the one endeavor of Prof. Edward E. Phelps' long study of the cause of nervous exhaustion.

The result of his life work was Paine's celery compound, that remarkable remedy that permanently and speedily cures disease. It is the greatest nerve regulator and blood purifier of this present century.

For men and women out of health, Paine's celery compound should be tried without fail. It has meant health in place of sickness in thousands of cases that seemed hopeless.

The fact that is the season when rheumatism most painfully shows itself, makes the following communication from Mr. J. M. Tobias, of South Omaha, Neb., of special interest. Mr. Tobias writes:

"I suffered for years with rheumatism in the joints of my hands and arms, so that I could perform my work only with the greatest difficulty. I used all kinds of medicines without result. Finally I secured a bottle of Paine's celery compound, and it benefited me at once. Paine's celery compound certainly cures rheumatism!"
