We still claim that the election of Mr. Payne to that position was not the wisest move, believing that a man should have been selected who was not prominently identified with either faction. FUGITIVE EX-MONK ARRESTED.

Darnley Beaufort Must Answer to Charges of Fraud and Assault.

LOUISVILLE, Oct. 14 .- Darnley Beaufort, the deposed principal of Gethamne col-lege, near Bardstown, Ky., was arrested in this city on Saturday, and is now in jail. The police have been searching for Beaufort for some time, but were unable to locate him. He says he has been in Louisville and New Albany all the time, however.

The cause of Beaufort's arrest here was a warrant sworn out by Mr. J. L. Deppen, a clothier, charging him with obtaining money under false pretenses. Beaufort, in August last, gave Mr. Deppen a check for \$100 on the Marion National bank, which was protested. His case was called in the police court on Saturday, but was continued until Oct. 29.

An officer from Bardstown arrived in the city with two warrants for Beaufort's arrest, charging him with committing nameless offenses upon two boys who at-tended Gethsamne college. Beaufort re-fused to give ball in the Deppen case, claiming that he would be rearrested and taken to Bardstown, where he said he afraid that he would be assassinated by his enemies, and he thought it was safer for him to remain in the Louisville jail. He claims that he will be able to clear himself of all the charges against him at the proper time. In the Bardstown cases bail was fixed at \$2,000 each.
