### COUNTY TICKET.

JUDGE OF ORPHANS COURT,  
THOMAS H. B. LYON, of Mahanoy City.

CONTROLLER,  
BENJ. R. SEVERN, of Shenandoah.

DISTRICT ATTORNEY,  
CHAS. E. BRICKONS, of St. Clair.

CORONER,  
DR. S. J. SEYFERT, of Pinegrove.

DIRECTOR OF THE POOL,  
S. K. MIDDLETON, of Gilberton.

COUNTY SURVEYOR,  
JOSEPH W. GEARY, JR., of Pottsville.

THE cold water enthusiasts have filed their  
nomination papers.

This is truly a quiet campaign. It is not  
confined to one party, either.

Our subscription list is daily growing,  
which is an indication that the people ap-  
preciate our efforts to give them a newsy  
paper.

CHIEF BURGESS BURNS should pay partic-  
ular attention to the bad pavements at this  
time, before winter sets in. Now is the op-  
portune time for this work.

SECRETARY LAMONT says President Cleve-  
land does not want a third term. This was  
unnecessary. The people have fully made  
up their minds as to that matter.

CONFIDENTIALLY we don't mind saying  
the fight against Senator Quay is all wrong,  
but it is adding insult to injury to ask him to  
settle the Payne-Wilhelm controversy. He  
might well exclaim, save me from my friends!

THE Philadelphia Inquirer's Harrisburg  
correspondent, in a political article, gives  
names of delegates to the National Con-  
vention next year. He names John F. Finney  
and D. D. Phillips as the delegates from  
Schuylkill. As the election of delegates will  
not occur until next year, it appears to be  
rather premature. Or, perhaps, the Major  
has given him a tip.

The appeal of County Chairman Payne,  
published in another column, will be read  
with much interest by all Republicans. It is  
in line with the suggestion of the HERALD  
—namely, that the "unpleasantness" between  
the Chairman and Mr. Wilhelm be deferred  
until after election for settlement. Now let  
all Republicans turn in for the success of the  
ticket, and victory is assured.

The annual visit of the Board of City  
Trusts to the Girard estate in the coal region  
usually inspires some Schuylkill editor to  
give them advice as to how the income of the  
estate could be best disposed of. As the  
eccentric philanthropist who created the  
trust took time enough when making his  
will to say how the income was to be used,  
the editors ought not to inflict their advice  
on the gentlemen composing the trust who  
are bound to carry out the will, even if it  
does not coincide with the ideas of our  
editorial friends.

### THE DISTRICT ATTORNEYSHIP.

The Republicans of Schuylkill county have  
placed in nomination for the important office  
of District Attorney a lawyer of recognized  
ability. He was the choice of the party voters  
as expressed through their representatives in  
convention assembled. There were three  
candidates before that body, either one of  
whom would have made an acceptable  
nominee. In the selection of Charles E.  
Breckons there was no undue advantage  
taken—it was simply a choice between the  
three, and Mr. Breckons was successful. He  
has no warmer supporters than his two com-  
petitors for the nomination.

How is it with his Democratic opponent?  
In the convention of that party no name  
other than that of Edgar W. Bechtel was  
mentioned. Why? Simply because the ring  
that now controls the destinies of that party  
entered into a deal to secure his nomination  
with that of his colleagues upon the tickets  
and thus throttled the will of the Democratic  
voters. And the indications are that they  
will resent the assumption at the polls.

The position is the most important to be  
filled this fall. The District Attorney, if he  
is a man of ability and integrity, can save  
the county thousands of dollars annually.  
The Republican nominee is in every way  
fitted for the position. His ability as a

lawyer is of the highest order. He is, in  
every sense of the term, a self-made man,  
and asks the support of the voters of the  
county on his own merits, not those of his  
father, or his uncle, or any other relative.  
That is the kind of man the people want, and  
when they want anything they generally get  
it.

### Shot Into a Crowd of His Countrymen.

WILKESBARRE, Pa., Oct. 15.—A serious  
shooting affray occurred at Boretown. A  
number of Austrians returning from a  
festival had occasion to pass the house of a  
fellow countryman named Joseph Puzo.  
They thought they would have a little fun  
and began throwing stones at the house.  
Puzo ran upstairs and began firing into  
the crowd with his Winchester. Joe Pipka  
fell seriously wounded about the lower  
region of the back. John Berush was  
wounded in the right hand and leg, and  
George Barrow in the right arm and face.  
Pipka may not recover. Puzo was arrested,  
but was afterward released on habeas  
corpus proceedings.

### Four Men Dead in a Mine.

STORY CITY, Ia., Oct. 15.—The shaft  
house at the Summit Coal mine, three  
miles south of here, burned on Saturday  
night. Four miners, Albert Peterson,  
single; Alexander Eastman, single; Inge  
Engelman, single, and George Payne, a  
married man, were suffocated to death.  
The engineer had built a fire in the fur-  
nace which hoists the shaft, and left for  
supper. While he was gone the timbers  
close to the furnace became ignited, and  
the mine rapidly filled with smoke. He  
returned, and attempted to draw the im-  
prisoned men from the mine, when the  
cable broke, precipitating them to the bot-  
tom of the shaft.

### Active Exercise

and good food in plenty, tends to make  
children healthy. If children suffer, how-  
ever, from Scrofulous, Skin or Scalp  
Diseases—if their blood is impure and pimples  
or boils appear, they should be given the  
right medicine. Dr. Pierce's Golden Medical  
Discovery brings about the best bodily con-  
dition. It purifies the blood and renders the  
liver active as well as builds up health and  
strength. Pale, weak children get a  
lasting benefit and "a good start" from the  
use of the "Discovery." It puts on whole-  
some flesh, and does not nauseate and offend  
the stomach like the various preparations of  
cod liver oil. Once used, it is always in  
favor.

### Dr. Pierce's Pellets cure constipation, head- aches, indigestion, dyspepsia. One a dose. Sold by all dealers.

### Mr. Rose's Challenge Accepted.

NEW YORK, Oct. 15.—The challenge for  
the America's cup by Charles D. Rose, of  
England, has been formally accepted.  
Secretary J. V. S. Oddie, of the New York  
Yacht club, last night sent cablegrams  
announcing the fact to Secretary Thellus-  
son, of the Royal Victoria Yacht club, and  
to the challenger. These cablegrams were  
the result of a meeting of the New York  
Yacht club, which had been specially  
called to consider the challenge. Commo-  
dore Brown appointed the committee of  
1895, headed by ex-Commodore Smith, to  
arrange the conditions of the match.

### The Darlington, Wis., Journal says editorial- ly of a popular patent medicine: "We know from experience that Chamberlain's Colic, Cholera and Diarrhoea Remedy is all that is claimed for it, as on two occasions it stopped excruciating pains and possibly saved us from an untimely grave. We would not rest easy over night without it in the house." This remedy undoubtedly saves more pain and suffering than any other medicine in the world. Every family should keep it in the house, for it is sure to be needed sooner or later. For sale by Grubler Bros., Druggists.

### Trainmen's Brotherhood Headquarters.

GALESBURG, Ill., Oct. 15.—The com-  
mittee of the Brotherhood of Railway  
Trainmen that has been considering bids  
for the permanent headquarters of that or-  
ganization last night accepted the bid of  
Peoria, Ill. Peoria takes the printing  
plant here off the hands of the brother-  
hood, gives a bonus of \$5,750 and promises  
interest on daily balances in the bank.

### Indicted for Election Bribery.

CANTON, N. Y., Oct. 15.—The grand  
jury handed in two indictments for bribery,  
alleged to have been committed dur-  
ing the recent Republican senatorial fight  
in St. Lawrence county, against Thomas  
McMadel and Oscar England, both of Can-  
ton. Both pleaded not guilty, and the  
cases were sent to the sessions.

### The Sultan Objects to Dictation.

CONSTANTINOPLE, Oct. 15.—The sultan  
accepted the reduced scheme of reform in  
principle, but declines to promulgate it  
forthwith, because such acceptance would  
look like acting under pressure. If he per-  
sists in this policy the storm will certainly  
gather again and will break with renewed  
violence.

### Elevated to the Peerage.

LONDON, Oct. 15.—Sir Algernon Borth-  
wick, bart., M. P., proprietor of The Morn-  
ing Post, the Right Hon. Baron Henry De  
Worms, formerly under secretary of state  
for the colonies, and the Hon. Horace Cur-  
zon Plunket have been raised to the  
peerage.

### Murdered by a Bristol Drunkard.

STRETBOROUGH, Oct. 15.—At Hope-  
dale, O., Miss Buckingham, a highly re-  
putable young lady, was met by a drunken  
man named Leggett. The girl stopped off  
the sidewalk to avoid Leggett, but he  
grabbed her by the arm and with an oath  
drew a revolver and shot the young woman  
through the heart. He escaped, but was  
quickly overtaken by a mob which was  
about to lynch him when he was rescued  
by the officers of the law.

### Italian Murderer Sentenced to Death.

SCRANTON, Pa., Oct. 15.—Joseph Bos-  
chino, the second person to be found guilty  
of murder in the first degree, and the first  
tried for homicide in Lackawanna county,  
was yesterday sentenced by Judge  
Gunster to be hanged. Boschino is an  
Italian, as was his victim, Frank Comfort.  
The tragedy occurred at Dunmore on Nov.  
11, 1894. The case will be appealed.

### Urging Action in the Waller Case.

CHICAGO, Oct. 15.—John G. Jones, of  
this city, who is the attorney of John L.  
Waller, ex-United States consul at Mad-  
agascar, now imprisoned at Marselles,  
France, by the French government, left  
France for Washington with a strong peti-  
tion to the president requesting him to  
take immediate action in the matter.

### Fleeing Convicts Recaptured.

MICHIGAN CITY, Ind., Oct. 15.—Four  
convicts made a dash for liberty yesterday  
from the state prison here. One fell from  
the prison walls and broke his leg. The  
other men were captured by the guards.

bruises, sores, ulcers, skin, fever, scald,  
and other eruptions, and positively cures piles,

25 cents per box. For sale by A. W. Wasyly.

# THE SHAKERS DO THEIR DUTY.

"If a man discovers a valuable medicine,"  
said Horace Greeley, "it is his duty to  
advertise it." Yes, and once for suffering  
demands the speediest relief possible. But  
let the man first be sure. Suffering had better  
wait than be deluded by false hopes. Medi-  
cine, like surgery, must often seem cruel in  
order to be really kind. On this principle  
the Shakers, of Mt. Lebanon, N. Y., with-  
hold their great indigestion and dyspepsia  
remedy from the public for several years.  
With their right-doing is everything—  
money, comparatively nothing. Hence the  
popularity and success of whatever they  
offer for sale. Having satisfied themselves of  
the merit of their medicine by employing it  
in the worst cases of digestive disorders in  
their own vicinity for years, they did their  
duty—they advertised it, under the name of  
the Shaker Digestive Cordial. In all cases  
where there is distress after eating, pain in  
the stomach, chest and back; aversion to food,  
with the resulting symptoms, such as head-  
ache, furrowed tongue, eructation of gas, with  
weakness and loss of flesh, etc., the Cordial  
has a most happy effect. Being itself a  
digested food with power to digest other  
foods, it relieves the weak and possibly in-  
flamed stomach of the labor it is in no  
condition to perform, gives new strength to  
the body and presently restores to the dig-  
estive organs their normal vigor. Taken  
immediately after eating this remedy insures  
the digestion of the meal and prevents the  
fermentation of the food, which is the source  
of most of the afflictive symptoms which  
accompany dyspepsia. It is also agreeable  
to the taste, and later excretion, the results of  
overwork, sickness, worry,  
etc. Full strength, develop-  
ment and tone given to  
every organ and portion  
of the body. Simple, nat-

has. No other preparation in existence  
has such a record of wonderful cures.

# DYNAMITE WARFARE.

Extraordinary Precautions for Its Sup-  
pression in Cuba.

HAVANA, Oct. 15.—The recent use of dy-  
namite by the insurgents along the line of  
railroads is causing great uneasiness, and  
it has been considered necessary to employ  
special measures to suppress the practice.  
It will be recalled that on several occasions  
recently dynamite bombs have been  
hurled at railroad trains containing pas-  
sengers and details of troops, and dynam-  
ite has also been found placed upon the  
tracks. Considerable damage has been  
done in this manner, and fears are felt  
that greater harm may come from the  
practice.

With a view to checking it and pre-  
venting further attempts Captain General  
Martinez de Campos has published an or-  
der that all trees and bushes shall be cut  
down and all huts shall be removed within  
a distance of 300 yards of the railroad track  
on both sides. It is further ordered that  
no one shall be allowed to approach the  
trains. Violators of these orders are to  
be summarily court-martialed.

As a further warning against the use of  
dynamite severe Spanish laws enacted in  
Spain in 1894, as a result of the Liceo the-  
ater horror at Barcelona, are to be published  
here.

Captain General de Campos also pub-  
lishes an order which proclaims that he  
will continue his practice of pardoning all  
rebels who lay down their arms and sur-  
render themselves to the authorities, ex-  
cept the chiefs. Those latter are subject  
to the decision of the captain-general, who  
will investigate to ascertain whether any  
of them have been guilty of outrages in  
the conduct of the insurrection.

# Atlantic's New Street Car Company.

ATLANTIC CITY, Oct. 15.—City council  
last night passed a resolution to the or-  
dinance passed in 1879, 1881 and 1888 grant-  
ing the Camden and Atlantic Railroad com-  
pany the right to operate a line of  
street railway on Atlantic avenue. An  
ordinance was then introduced and passed  
first and second reading, granting the At-  
lantic City Southern Street Railway com-  
pany the right to build and operate a line  
of street railway on Atlantic and Rhode  
Island avenues. The wires are to be placed  
under ground. The ordinance is assured  
final passage at the next meeting of coun-  
cil, and takes effect immediately.

# Was Miss Flagler Been Indicted?

WASHINGTON, Oct. 15.—It is stated with  
a certain degree of confidence about the  
city hall that the grand jury, which has  
been investigating the case of Miss Eliza-  
beth Flagler, charged with killing a young  
colored boy last August, had voted to re-  
turn an indictment charging Miss Flag-  
ler with manslaughter. The district at-  
torney stated that he was compelled to re-  
main silent regarding this subject, and he  
declined to affirm or deny the statements  
circulated.

murdered.
