

GOLDIN'S CORNER.

A Great Push for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No back numbers! No misjudgments! No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—millions turn to us to save money. \$5 or \$6.75 all-wool suits, good as before \$10 or \$12. \$10 suit now, good as you used to get for \$15. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices.

Our entire store represents superior taste which makes competition impossible. Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

THE EXECUTION OF STOKES.

Summary Hanging of an Englishman by Order of a Belgian Official.

LONDON, Oct. 15.—The Pall Mall Gazette publishes an interview with Dr. Michaux, the Belgian official who is said to have been the only European witness of the trial and execution by hanging of Stokes, the English trader who was executed by order of Captain Lohaire, the Belgian commander at Lindi, Congo Free State.

Dr. Michaux is quoted as saying that on Jan. 15 of the present year Stokes was brought before an alleged court martial. Captain Lohaire composing the entire court and he and the doctor being the only whites present. The only witnesses were a few Arabs, who stated they had purchased rifles from Stokes. The trial lasted between one and two hours, after which Captain Lohaire announced that Stokes was sentenced to death, and that he would be executed on the following day.

Continuing Dr. Michaux said: "All my impressions were futile. Captain Lohaire refused to grant even a few days' reprieve. At 6 o'clock the next morning a servant called me, and informed me that Stokes had been stricken with apoplexy, or that he had poisoned himself, and I was started to find a gallows and a new made grave. Stokes had been executed and buried while I slept. As to the question of his guilt or otherwise, I must be silent."

Thieving Bank Cashier Confesses.

FORT SCOTT, Kan., Oct. 15.—Last Wednesday Cashier J. R. Coleman, of the State bank, left town suddenly, and a big defalcation in his accounts has been discovered. Yesterday the bank was closed by the state bank commissioner. On Saturday last Coleman confessed to D. F. Coone, president of the bank, who met the defaulter in St. Louis. He said he had lost about \$23,000 in stock and bond speculation, and that the thefts had been systematically practiced for a period of over two years and covered up by manipulation of the bank's books. The loss will fall wholly upon the stockholders, as the assets of the bank are amply sufficient to pay all depositors. Coleman has not yet been arrested.

Pennsylvania Defeats Lehigh.

PHILADELPHIA, Oct. 15.—The University of Pennsylvania eleven yesterday defeated Lehigh at football by the one sided score of 34 to 0. The "Varsity" boys played the best game they have yet put up this season, and the score was a revelation to their most ardent supporters. The Lehigh team was the strongest that the Pennsylvania have yet tackled, and the latter were able to score thirty points in the first half and twenty-four in the second. The Lehigh team made but two gains during the entire game, and these were eight and ten yards, respectively.

Creedon Defeats Craig.

LONDON, Oct. 15.—Frank Craig, the "Harlem Coffee Cooler," and Dan Creedon, well known in America, fought a twenty round battle at the National Sporting club last night, and Creedon won in the twentieth round. Thousands of the rough element crowded outside the National Sporting club, and the police had great difficulty in preserving order. About 9 o'clock a stylish brougham brought Lord Lansdowne to the scene of the battle. The crowd of spectators included a plentiful array of honours of titles.

A Runaway Boy's Mishap.

ANSONIA, Pa., Oct. 15.—Max Fink, aged 17 years, who ran away from his home in New York city two weeks ago, was run over by a Fall Brook freight train near here yesterday and his right leg was cut off above the knee. He tried to jump the train and was knocked under the car by striking a mail post. The boy had started out to get rich quick by peddling notions, leaving a position as typewriter in his uncle's office because his wages were small.

ASHLAND CITIZENS MEET.

Recommendations for a Better Water Supply in Public Meeting.

ASHLAND, Oct. 15.—The citizens of this town held a large meeting in the Metropolitan Rink last night for the purpose of discussing the water question and expressing a preference as to the best method for procuring an adequate supply. The discussions were earnest, but good feeling prevailed throughout the meeting.

McHenry Wilhelm, Esq., called the meeting to order and Dr. C. S. W. Schomus was made permanent chairman. The latter gentleman spoke in favor of the storage system and his sentiments were coincided by Mr. Wilhelm, who made a strong speech. Excise Collector Minogue also spoke, but devoted his time chiefly to finding fault with the Borough Council and intimated that he was in favor of a Lexow investigating committee. J. Harry James, Esq., defended the Borough Council and favored the storage system.

A vote of the audience was taken and it was in favor of the storage system and increasing the capacity of the dams.

The water committee, known as the citizens' committee of nine, will report tomorrow. It is believed they will favor storage. There is an impression that the committee will favor the purchasing of the Haupt dam at Frockville. At all events they will favor storage. It is also said they will favor horizontal boring and the purchase of the Haupt dam. The opposition favor a system of perpendicular bore holes.

Many of the people believe the town has a sufficient supply if it is properly husbanded. They claim the great fault lies in leaks and waste. They are opposed to the beer pumps being used when the water is scarce. One gallon of water is used for every glass of beer pumped. This has been demonstrated both in Shamokin and Ashland. It is claimed these pumps ought to be turned off as well as the motors when the supply is short.

Observe the Health Rules.

A case of diphtheria reported to the Board of Health has revived discussion of the necessity for strict observance of the Board's rules, regardless of any legal penalty that may be incurred by a violation. The Board seems satisfied that the case arose through visits to the house of a victim of the disease. As to a question of lapse of time between such visits and the development of the disease, a case is recalled in which a child of town contracted the disease from an old satchel which had been thrown from a house in which diphtheria existed a year previous. The safest course to pursue is to avoid houses where contagious diseases exist until the crisis is past and the house has been properly disinfected.

They have become so popular that most all the young people may be seen wearing their colors.

Was He the Legal Heir?

LOCKPORT, N. Y., Oct. 15.—The disposition of 4,000 acres of land near Marinus, Fla., hinges on the outcome of a suit to determine whether Rastus G. Gage, formerly a well known business man of Middleport, this state, unlawfully wedded two women. The land in question was the property of Miss Elizabeth Hawkins, whom Gage married in Florida in 1870. She died in 1888, and there being no children, Gage inherited the land. Robert G. Hawkins, a brother of the dead woman, contests this disposition of the property on the ground that the marriage of Gage to Elizabeth Hawkins was null and void, it being alleged that Gage had married a Jane Reynolds at Middleport in the '60's, and that she was alive at the time of the second marriage. Evidence will be taken tomorrow at Middleport.

Prize Fighters Held for a Hearing.

NEWTON, L. I., Oct. 15.—Young Griggs and "Kid" Lavigne, who fought before the Empire Athletic club on Saturday night in Masspeh, and were arrested on a warrant sworn out by a minister, Rev. Edward McGuffee, were arraigned yesterday afternoon. The charge was that the men were about to break the law by engaging in a prize fight, but several officers declined to serve the warrant before the fight, and it was not served until the fight was over. The case was postponed by Justice Monteverde until Saturday. Complainant McGuffee refused to go into the court room to press the charge. It is probable that when the case comes up the charge will be changed, and that the men will have to answer for engaging in a prize fight.
