STATE TICKET.

STATE TIKASURER.
BENJAMIN J. HAYWOOD, of Mercer.

SUPERIOR COURT JUDGES.
JAMES A. BRAVER, of Centre.
E. W. WILLARD, of Lackawanna.
CHARLES E. RICK, of Luzerne.
GEORGE E. ORLADY, of Huntingdon.
JOHN J. WICKHAM, of Berks.
HOWARD REEDER, of Northampton.

COUNTY TICKET.

JUDGE OF ORPHANS' COURT,
THOMAS H. B. LYON, of Mahanoy City.

CONTROLLER,
BENJ. R. SEVERN, of Shenandoah.

DISTRICT ATTORNEY,
CHAS. E. BRECKONS, of St. Clair.

CLERK,
DR. S. J. SEYFERT, of Pinegrove.

DIRECTOR OF THE POOR,
S. R. MIDDLETON, of Gilberton.

COUNTY SURVEYOR,
JOSEPH W. GEARY, Jr., of Portville.

CLEVELAND will be a candidate again next year and may be the winner—of the National League pennant.

The Democrats are not so sanguine as they were a week ago. By the end of next week they will be hunting their holes.

The Democratic candidate for District Attorney is on the run. In fact, he runs so fast his father-in-law can't keep up.

The Democratic party in this county is in great straits when it is necessary to bring out the moss-backs and tap their barrels.

It is an easy matter to grant rights of way; but rights once granted are not so easily revoked. Our Solons should thoroughly investigate questions of this kind before taking final action.

The Ashland Telegram is very unkind in its claim of being the only Democratic daily in the county. There are a number of our contemporaries who depend upon prestige of this nature for their existence.

WILKESBARRE will have no new court house just yet. The Supreme Court sustains the lower court in restraining the Commissioners of Luzerne county from making the purchase of a site without the consent of two grand juries.

CONTROLLER SEVERN has more trouble. After having come to an amicable agreement with the Commissioners whereby he was to assume the position, the Auditors have decided to enter quo warranto proceedings to test the constitutionality of the law creating the office. It is to be hoped the matter will reach the courts without delay for settlement.

GET OUT THE VOTE.
The present campaign, like all those in our years, is dragging along listlessly and from present indications even the average of 61 per cent, which is usual, will hardly be reached. Of course, the Republican party will suffer more from this lethargic condition of affairs than the Democratic party, and it therefore behooves every good Republican to endeavor to bring out the vote as much as possible.

The candidates presented are irreproachable and are all well qualified for the offices they seek. While there is not much doubt in regard to the state or county it must not be taken for granted that no work is necessary to elect the ticket. On the contrary, considerable work is needed, and that of the "still hunt" order.

Every citizen having the proper conception of his duties will permit no election to pass without taking advantage of the privilege given him under the laws of voting for the selection of those who are to exercise authority. There are many, however, who are indifferent, or fail to comprehend the full responsibilities of citizenship, who will, unless spurred on, neglect to exercise that right. These are the people to get at—those who are stay-at-homes—and it behooves every active Republican to use his best endeavors to get these votes out on election day. Talk to them, reason with them, and exact a promise that they will go to the polls and vote the Republican ticket.

A little united action by all the Republicans of town will show that Shenandoah is beyond doubt a Republican town for all time to come. We are pleased to see that the Republican League is about to take action on these lines and trust it will have the active assistance of every Republican voter, whether he belongs to it or not; that he will become a missionary of the grand old party which has done so much for the state and country during the past generation.

Active Exercise
and good food in plenty, tends to make children healthy. If children suffer, however, from Scrofulous, Skin or Scalp Diseases—if their blood is impure and pimples or boils appear, they should be given the right medicine. Dr. Pierce's Golden Medical Discovery brings about the best bodily condition. It purifies the blood and renders the liver active as well as builds up health and strength. Puny, pale, weak children get a lasting benefit and "a good start" from the use of the "Discovery." It puts on wholesome flesh, and does not nauseate and offend the stomach like the various preparations of cod liver oil. Once used, it is always in favor.

Dr. Pierce's Pellets cure constipation, headaches, indigestion, dyspepsia. One a dose. Sold by all dealers.

Disappointed Train Robbers.
TEMPLE, Tex., Oct. 17.—When the south bound Missouri, Kansas and Texas train arrived at Little River, eight miles south of Temple, Tuesday night, two masked men got on the engine and made the engineer pull out. Arriving at the river, a mile distant, the train was stopped and the mile, express car and engine pulled over the bridge. Here an attempt was made to blow the express safe open with dynamite. The car was badly wrecked, but the safe was not opened. The robbers abandoned the job and escaped on horseback across the country. No one was hurt and no booty secured.

If your children are subject to croup, watch for the first symptom of the disease—hoarseness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse it will prevent the attack. Even after the croupy cough has appeared the attack can always be prevented by giving this remedy. It is also invaluable for colds and whooping cough. For sale by Gruhler Bros., Druggists.

Then the rope was fastened to the feet, and in that position the mutilated body was again strung up.

Dempsey, the Pittsburg labor leader and alleged conspirator to poison non-union workmen in the Carnegie mills at Homestead during the strike of 1892, was argued before the board of pardons last night. Counsel for the prisoner contended that his conviction was unwarranted and that there was no evidence to prove his guilt. Captain Beck, of Pittsburg, representing the Pinkerton detective agency, protested against the pardon. The board held the case under advisement. The death sentence of William Webber, Reading, was commuted to life imprisonment, and a receipt of thirty days was recommended in the case of Frank Bezek, of Scranton, sentenced to be hanged Nov. 6.

A FILTER INSIDE YOU.

HOW YOUR BLOOD IS KEPT PURE.

Health Comes From Pure Blood—Pure Blood Depends on Your Filter Inside You.

Your Kidneys Keep Your Blood Pure if You Are Well. A Few Facts About Them, and How to Make Them Well When They Are Sick.

Your blood is what nourishes your body. New blood is made every minute. It goes to the lungs, gets fresh air, and then passes through the body. In passing, it deposits new flesh, fat, bones, etc., and takes up worn out matter.

This worn out matter goes to the kidneys. The kidneys filter it out of the blood and throw it out of the body.

That is, when they are well, they do. When your kidneys are well they act as perfect filters, to keep your blood pure. When they are sick, they act imperfectly. They leave the bad matter in. Sometimes they take out the good.

There is nothing more poisonous than bad blood.

A proof of this is rheumatism. It is simply a blood-poisoning caused by the bad matter left in the blood by sick kidneys.

Bright's disease is the kidneys working the other way—taking the good food out of the blood.

Both kinds of kidney sickness are dangerous. Both can be cured by Dr. Hobb's Spangus Kidney Pills.

One of the most wonderful facts of our body is this natural filter inside us. Our kidneys are very important organs. We don't take enough care of them. We are sick often more than we are well. It is simply because we take no heed to our kidneys.

Sick kidneys show their effects in many different diseases. Rheumatism and Bright's Disease are very common. Anemia, Neuralgia, Pain in the Back, Dizziness, Bladder Troubles, Gravel, Diabetes, Sleeplessness, Nervousness.

These are only a few symptoms, or so-called "diseases." Back of them all are sick kidneys.

Once the filters can be made to work, all these symptoms will disappear.

Dr. Hobb's Spangus Kidney Pills are made principally from the roots of the asparagus plant, which has a special curative action on the kidneys. It gives them new life and strength. It helps them to do their work as it ought to be done. It cures their sickness. It cleans and renews the filter.

When the kidneys are well you will feel a great difference at once. Your complexion will clear, and your whole body will get renewed life and freshness.

This is the effect of Dr. Hobb's Spangus Kidney Pills on the sick kidneys, of the revitalized kidneys on the impure blood.

With a course of Dr. Hobb's Spangus Kidney Pills you will get new life. They will cure you when other medicines, which do not reach the real seat of disease, cannot help you.

Dr. Hobb's Spangus Kidney Pills are for sale by all druggists, price, 50c per box, or will be sent prepaid to any address on receipt of price.

An interesting booklet, explaining about the kidneys and their power for good and evil, sent free on request. Address Hobb's Medicine Co., Chicago or San Francisco.

THE PRIZE FIGHT PUZZLE.

Governor Clarke Has Ordered the Militia to be Ready

TO PREVENT THE PROPOSED FIGHT

In Hot Springs, However, It is Asserted That a Satisfactory Arrangement Has Been Made with the Executive—Fitzsimmons Still Remains in Texas.

LITTLE ROCK, Oct. 17.—Colonel Hollenberg, commanding the First regiment, Arkansas Guards, has issued orders to every company in his regiment to hold themselves in readiness, subject to a call to move to Hot Springs. In an interview today Colonel Hollenberg said:

"There is no secret about the matter. Orders have been sent to every company of white militia in the state notifying them to be in readiness to move to Hot Springs on short notice. If the managers of the fight continue in their determination to have the fight come off the militia will be called out
