SATURDAY, OCTOBER 19, 1895.

### STATE TICKET.

STATE TREASURER,  
BENJAMIN J. HAYWOOD, of Mercer.

SUPERIOR COURT JUDGES,  
JAMES A. BEAVER, of Centre.  
E. W. WILLARD, of Lackawanna.  
CHARLES E. RICE, of Luzerne.  
GEORGE B. ORLADY, of Huntingdon.  
JOHN J. WICKHAM, of Beaver.  
HOWARD REEDER, of Northampton.

### COUNTY TICKET.

JUDGE OF ORPHANS' COURT,  
THOMAS H. B. LYON, of Mahanoy City.

CONTROLLER,  
BENJ. R. SEVERN, of Shenandoah.

DISTRICT ATTORNEY,  
CHAS. E. BRECKONS, of St. Clair.

CORONER,  
DR. S. J. SEYFERT, of Pinegrove.

DIRECTOR OF THE POOR,  
S. R. MIDDLETON, of Gilberton.

COUNTY SURVEYOR,  
JOSEPH W. GEARY, JR., of Pottsville.

STILL another electric light company is talked of.

TALK to your neighbor and interest him in the success of the ticket.

MINORITY representation entitles the Republicans to the judgeship this year.

It is true that he laughs best who laughs last, the Republicans must be the best laughers.

ACCORDING to the assessor, the First ward hasn't a stage or carriage for hire within its boundaries.

"I REACH and reach, but cannot grasp," can be forcibly applied to Edgar W. Bechtel after election.

THERE is a growing impression that the term District Attorney as applied to Edgar W. Bechtel is superfluous.

HOUSECLEANING time at the White House being over, the President and his family are ready for the winter season.

EVERY Republican should constitute himself a committee of one to see that his neighbor votes the Republican ticket.

SENATOR QUAY is back to work directing the campaign and incidentally doing a little toward getting the campaign of 1896 into shape.

The officially reported increase in the manufacture of American tin is given at 800,000 boxes. This is certainly very encouraging.

EVERY active Republican should lend his aid in getting out a full vote on election day. A full vote means an unprecedented majority and that is what we want in a year preceding a national election. Schuylkill county should not be behind other counties in this respect.

"CHARLIE" BRECKONS gained the prominent position he now occupies as a member of the bar through his own efforts, not upon the prestige of his relations. Every workingman in Schuylkill county should cast his vote for the Republican nominee, if for no other reason than that he is one of their number.

THE Republican campaign in this county is being pushed with vigor by the Executive Committee, and gratifying reports continue to come in from all parts of the county. The workers within the ranks of the party are evincing a greater interest, and everything foreshadows the success of the entire ticket, county and state.

PHILADELPHIA is often grieved by the newspapers of other cities as being a sleepy town, and a case which will be made much of occurred there recently. The watchman of a building fell asleep and a sneak thief got in and stole a lot of jewelry. If that watchman is not careful some one will steal him.

In sentencing Morris Schoenholz to forty-eight years imprisonment for arson, Judge Fitzgerald has done the community a great benefit. A man who, for personal gain, will risk the lives as well as property of others should be placed where he can do no further harm, and, as the Judge justly remarked when sentencing this miscreant, "he is entitled to no consideration whatever upon any grounds, and the safety of the community requires that he be imprisoned during life. The minimum sentence will be practically for his life, but I am aware that at some future time it may be said I gave him the lowest sentence I could under the law and that might be used in his behalf. I will therefore give him more than the minimum sentence." The action of Judge Fitzgerald will tend to repress the crime of arson in New York.

## Indigestion

Yields readily to Hood's Sarsaparilla because it tones and strengthens the stomach and aids digestion by supplying pure blood.

"I had indigestion so badly that I was all run down and could hardly walk. Had no appetite and could not sleep. I began taking Hood's Sarsaparilla, and before I had taken a fourth of a bottle I was very much better. I also used Hood's Pills and found them splendid, very mild, yet effective. I cannot say enough in praise for what they have done for me. Since using two bottles of Hood's Sarsaparilla and Hood's Pills occasionally I feel almost like a new person. I have a splendid appetite, sleep well and work with ease." ANNE C. LANTZ, Belleville, Pennsylvania.

**Hood's Sarsaparilla** is the only True Blood Purifier prominently in the public eye. \$1; six for \$5.

**Hood's Pills** easy to take, easy to take, easy to take.

## PINGREE'S GREAT VICTORY.

Detroit's Mayor Assured of a Nearly Unanimous Re-nomination.

DETROIT, Mich., Oct. 19.—After a hot and acrimonious campaign, preliminary to the Republican city caucuses, Mayor Pingree has won the nomination for a fourth term as mayor of Detroit. Pingree's victory carries with it nearly all the aldermen whom he favors, and also secures the nomination of the present city clerk and treasurer. The Republican convention will be held this afternoon, and he will go into the convention with 104 votes, against seven for Vernon, his only opponent. His majority is so overwhelming that there can be no real opposition to him or to his plans.

Bazen S. Pingree is a man of original ideas and great force of character. His first great triumph was the securing of a three cent car fare for Detroit several years ago. Then he forced the bakers to reduce prices, made war on inefficient and dishonest office holders, brought about lower rates for electric lighting and telephone service, and introduced other reforms. His chief claim for public service is his successful scheme allowing Detroit's poor to farm the waste and about the city.

The Darlington, Wis., Journal says editorially of a popular patent medicine: "We know from experience that Chamberlain's Colic, Cholera and Diarrhoea Remedy is all that is claimed for it, as on two occasions it stopped excruciating pains and possibly saved us from an untimely grave. We would not rest easy over night without it in the house." This remedy undoubtedly saves more pain and suffering than any other medicine in the world. Every family should keep it in the house, for it is sure to be needed sooner or later. For sale by Grubler Bros., Druggists.

## BIG FIRE AT BLANCHESTER, O.

The Business Portion of the Town Wholly Wiped Out.

BLANCHESTER, O., Oct. 19.—At 1:30 o'clock yesterday afternoon fire started in Burke's livery stable, on Broadway, and never stopped until 7 o'clock last evening, when it had wiped out the whole business portion of the town, five squares, bounded by Center, Short, Grove streets, Broadway and the Baltimore and Ohio Southwestern railway. A high wind prevailed and spread the flames like a prairie fire before a gale.

The fire departments of Lovell and Lynchburg and Hillsboro responded to the call for help, but were of little avail because of the total lack of fire hydrants and the great scarcity of water. The flames did as they pleased and only stopped when the wind went down and the fuel burned out. The result was the total destruction of thirty-seven business houses and their contents; twelve dwellings and contents, two churches, two secret societies and the postoffice.

The total loss is variously estimated at from \$150,000 to \$250,000. All is confusion, and nothing definite is known of the insurance. The dwellings burned ranged from \$2,500 down to \$500. Many families are homeless, and many mechanics and shopkeepers lost their all.

If Troubled With Rheumatism Read This.

ANNAPOLIS, Md., April 16, 1894.—I have used Chamberlain's Pain Balm for rheumatism and found it to be all that is claimed for it. I believe it to be the best preparation for rheumatism and deep seated muscular pains on the market and cheerfully recommend it to the public. Jno. G. Brooks, dealer in boots, shoes, etc., No. 18 Main St.

Ward, the absconding treasurer and manager of the Memphis Barrel and Heading company, left here with his wife on the south bound Illinois Central train Tuesday afternoon, and it is thought he took passage for Honduras on the steamer Breakwater, which left New Orleans on Thursday. It is now thought that Ward's operations in forged paper will exceed \$200,000. All of the paper was negotiated here.

Y., says that he always keeps Dr. King's New Discovery in the house and his family has always found the very best results follow its use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at A. Wasley's drug store. Regular size 50c and \$1.00.

# MUNYON

Makes Permanent Cures Where Physicians Fail.

Mr. O'Neil Was Said to Be Incurable.

Mr. Thomas O'Neil, fireman at Sellers' Ship Harbor, Staten Island, says: "Last fall I was laid up with sciatic rheumatism. I was treated by four doctors with every remedy known to medical science, even electricity, but they finally gave me up saying my leg would always be paralyzed. At this time I was urged to try Munyon's Rheumatism Cure. His effects were wonderful. I found entire relief from pain after a few doses, and, by continuing the pellets, was completely cured."
