

GOLDIN'S CORNER.

A Great Push for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We establish a new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No luck numbers! No judgments! No by-gone mistakes! No makeshift trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—millions turn to us to save money. \$6 or \$7.50 all-wool suits, good as before \$10 or \$12. \$10 suit now, good as you used to get for \$12. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as you represent them. We are promoters of low prices.

Our entire store represents superior taste which makes competition impossible. Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

SHENANDOAH WINS.

The Colors of the Mahanoey City Eleven Again Lowered.

The foot ball team that represents this town again showed its superiority over rival teams in a game with Mahanoey City's eleven Saturday afternoon at the Trotting Park. The score was 8 to 0, and only one half of the first twenty minutes was played, owing to the lateness of the hour and an accident happening to one of the Mahanoey City players.

The line-up was the same as published in these columns on Saturday. Mahanoey City showed many weak points, especially at its centre. They got the ball but once during the game, and all through the contest the home team displayed superior knowledge of the line points.

Smith, of Mahanoey City, took the kick-off and Shortall, of Shenandoah, got the ball. He carried it fifteen yards up the field. Backing of the visitors' centre and a run of 20 yards by Fisher landed the ball at the 20-yard line. Wertz gained four yards and Shortall managed to crawl over the line and score a touchdown. The kick failed and on Smith's punt Wertz got the ball, getting it back to the centre of the field by clever work. R. Rose got fifteen yards around the Mahanoey left and ran through the centre by McCormick, and R. Rose landed the ball for another touchdown. Again the kick failed. The Mahanoey got the ball on a kick off by Wertz. It was their first time to get the ball while it was in play during the game. Maley was downed after gaining five yards and as he was rendered unconscious the game was stopped. Maley was sent home on an electric car after receiving attendance from Dr. Clifton Robbins. Shortall did not play after the first touchdown, having had his nose broken while making the point.

CHANGE OF PROGRAM.

The One-Price Clothing House Has But One Motto—Low Prices.

The one-price clothing house has adopted the motto that its name implies, and from now on Mr. Redefich will sell all goods at one price, and every garment in his establishment is marked in plain figures. A child can buy as cheap from him as an elderly person. We have the largest store-room in Schuylkill county, and the largest stock. We buy all our goods for cash and therefore save a big discount and sell at a profit of five per cent. I am the oldest and most experienced clothier in the valley, and can sell at retail to my customers at less than what my competitors can at wholesale. All goods in my establishment are guaranteed to be as represented or money refunded.

Hotel Guests in a Panic.

CHICAGO, Oct. 21.—Fire broke out on the fourth floor of the Grand Union hotel at an early hour yesterday morning, and created a panic among the eighty-five guests who were asleep in the building. Awakened by the cries of fire the guests became panic-stricken and rushed from the building, and Mrs. I. Shedy and Louisa Thomas were prostrated by fright. There were several miraculous escapes, one man climbing down the fire escape from the fourth floor, and thus making his way to the street. No one was fatally hurt.

Shot by a Careless Hunter.

SCRANTON, Pa., Oct. 21.—A shocking shooting accident occurred at Waverly, Pa., ten miles north of here. Hugh Archibald, son of President Judge Archibald, with two companions, while hunting, stopped at the farm house of James Green and asked for a drink of water. While Mrs. Green was handing young Archibald a glass of water his rifle, which was cocked, slipped from his knee and was discharged. The ball entered Mrs. Green's right side below the ribs and took an upward course. Since then her life has been hanging by a thread. If it is said she cannot recover. Young Archibald, Judge Archibald, and the families of all the young men, who are well connected, are grief-stricken.

Arresting New Foundland Smugglers.

ST. JOHN'S, N. F., Oct. 21.—The government decided to order the arrest of several persons involved in the smuggling exposures Saturday night, fearing that they would escape, and shortly before midnight four prisoners were taken, one being Michael Tobin, a leading government member of the assembly, and the governor of the savings bank. Thirteen other warrants were executed today, and proceedings against the chief offenders will be taken before the admiralty court, which possesses summary jurisdiction. It is predicted that these arrests will disrupt the Whiteaway government, which is evenly divided on the question of a public prosecution.

Terribly Burned by Exploding Mine Gas.

SHENANDOAH, Pa., Oct. 21.—A frightful explosion of gas occurred at Kulekbocker colliery here, by which three men were fatally and six others terribly burned. The names of the victims are: George Karal, Charles Majak and Michael Chico, fatally injured; Peter Burns, Anthony Surross, Andrew Bossar, John Sopotaki, Felix M. Colski and Robert Lord, all seriously burned. All the men except Lord are Poles and Lithuanians. Ohio's scalp was torn off and his skull fractured. It is believed that Lord, who was a starter and carried a naked light, ignited the gas.

An Unprecedented Drought.

WASHINGTON, Oct. 21.—Reports received at the weather bureau indicate that the present drought is one of the severest, most prolonged and generally known in the United States since the bureau's organization. There are a few places which show an exception to the general condition, but in no large section of the country, unless perhaps in the northwest and far west, does there appear to have been a soaking rain for the past two months or more.

A Young Girl Frightfully Burned.

ROBERTSTOWN, N. J., Oct. 21.—Miss Susan Hamilton, aged 15 years, working on a farm for Shreve Nelson, near Shreveville, Burlington county, while building a fire under the furnace in the kitchen poured kerosene oil on it, not knowing there were live coals beneath. Striking Weavers Desert Rochester.

ROCHESTER, N. Y., Oct. 21.—A peculiar spectacle was witnessed in the streets to-day. It was that of several hundred skilled workmen marching through the streets with banners and flags on their way to the railway stations. From there several of them with their families left the city to go to Chicago and New York to secure employment. The procession was made up of the striking garment workers, who, not being able to secure the concessions they demanded from the bosses, have decided upon this step in order to bring their employers to terms.

Driven Insane by Torture.

UNIONTOWNS, Pa., Oct. 21.—Miss Mollie Ross, the victim of the outrages of robbers, was declared to be insane on Saturday. Miss Ross is 71 years old, and lived by herself in a lonely place. She was reported to have a large sum of money in her possession, and became a mark for the notorious gang which ravaged this country for years. One night the robbers broke into her house and held her feet to burning coals to force her to give up her money, but without avail. Miss Ross never recovered from the effects of this cruel treatment.
