THEY WILL PROBABLY FIGHT

Another Proposition Made to Corbett and Fitzsimmons.

TO CONTEST FOR A SMALLER PURSE

Julian Agrees to Have His Man in Hot Springs on Oct. 31 to Fight for a \$10,000 Prize, and the Question Now Rests With Corbett.

HOT SPRINGS, Ark., Oct. 23.—While the big fight has been formally declared off, there is still a deal of hope that Corbett and Fitzsimmons will come together here. The situation is, of course, complicated. So far as its relations with the Florida Athletic club is concerned the heavyweight battle under the original Coleman House agreement, which was subsequently amended at Dallas, is a thing of the past. In its stead has cropped up a proposition to sign new articles to fight for a purse not exceeding \$25,000, and have the battle three weeks later than was originally agreed upon.

Corbett, it is known, favors this plan. While Julian insists on the full text and letter of the articles, both as to the date and purses. It is known here that Fitzsimmons will come about and agree to a settlement. It is also thought that he will submit to a reduction of the purse originally hung up by the club, and sign new articles. He recognizes the fact that on the face of recent developments Corbett has escaped himself in the best of it. To overcome this he must and will fight.

Martin Julian has made public the names of six men he had selected from which the referee was to be chosen by Brady. The men named are as follows: John L. Sullivan of Boston, Jake Kilrain of Baltimore, Mike Donovan of New York, Professor John M. Duffy of New Orleans, Yank Sullivan of Syracuse and Lou M. Houseman, sporting editor of the Inter Ocean of Chicago.

The names submitted permit of the selection of but one man on the list—Houseman. Brady would hardly select Sullivan or Kilrain, on the ground that Corbett had whipped them and this might prejudice them. Mike Donovan and Corbett have not spoken since the Sullivan fight. Yank Sullivan and Duffy have been rejected by Corbett already.

Julian's proposition is now to bring his man on to Hot Springs on Oct. 31, put his side bet of \$10,000 up in the hands of Houseman, ask Corbett to do the same, and then allow Houseman to appoint an hour and place for the men to meet in private. If this plan fails, as is likely, for Corbett insists on fighting in public unless Fitzsimmons increases his side wager to \$20,000, Vendig and Stuart think a new deal is sure to ensue.

They say that the men must meet, and that they will come together here. Just on what lines the conclusion is reached is not apparent, but the friends of the club and fighters here are sanguine of a favorable decision on the appeal to the supreme court on Chancellor Leatherman's finding in the habeas corpus case. Equally sanguine are the members of the citizens committee that Governor Clarke will abide by the decision of the supreme court and retro gracefully.

At a late hour last night Martin Julian accepted an offer of a \$10,000 purse made by the Hot Springs Athletic club for a fight on Oct. 31, under its direction. Julian at once started for Spring Lake to confer with Corbett, who had declared early in the day that he would fight for any kind of a purse, on, before or after Oct. 31.

THIEVES AND BOOTY SCOOPED.

An Early Morning Depot Robbery Quickly Fathomed by Police.

About two o'clock this morning a freight car on one of the sidings at the Lehigh Valley depot was broken open and about 100 pounds of tobacco in packages carried away. Developments directed suspicion to William Dempster, of town, and Barney McCarney and Hugh McDonald, of Mahanoy City. C. & I. Policemen George Geiger and Peter Kreiger, assisted by Constable Taliesin Phillips, took charge of the case and they succeeded in arresting the three parties in town to-day. Dempster was arrested at his home, McDonald was found near the depot and McCarney was arrested near the Koblinoor colliery. The prisoners were committed to the lockup to await a hearing. A young man named Parker was suspected of having a hand in the job, but he succeeded in proving an alibi.

After making the arrests the officers unearthed about 84 pounds of the tobacco in the vicinity of the old Columbia park grounds. Some of it was buried in a rock bank, some was found under two feet of clay and coal dirt and a large quantity was taken from beneath the bridge on the road leading to the oil tanks.

PERFECTING THE SCHOOLS!

Special Meeting of the School Board Held Last Night.

MORE NIGHT SCHOOL TEACHERS!

The Total Enrollment Reaches Nearly Five Hundred and Fifty and the Schools Have Become Overcrowded—Additional Teachers Selected.

A special meeting of the School Board was held last night to act on matters bearing upon the evening schools and was attended by Messrs. Ogden, Trezise, Hooks, Edwards, Manley, Hanna, Conry, James, Connors, Raugh, Price, Morgan and Devitt.

Mr. Conry, the chairman of the committee on evening schools, stated that the committee, upon finding that the schools had become over-crowded, decided to have the Board meet to take action towards relieving the condition by electing an additional teacher for the girls' school, one for Union street and one for the Lloyd street building.

Superintendent Whitaker read a report showing the attendance and enrollment at the evening schools, up to and including the 21st inst., as follows: Present on the first night, 373; second, 367; third, 409; fourth, 450; fifth, 394; sixth, 374. Average attendance of boys, 352; girls, 44; total average, 396. Total enrollment of boys, 477; girls, 68; grand total, 545. The above shows the largest attendance ever recorded at the evening schools in this borough and indicates a disposition on the part of the people to take advantage of opportunities offered by these schools. Although the attendance has been very large it has not been as regular as the Superintendent and School Board would like to have it. The attendance at the girls' school has been very gratifying. To improve the schools the Superintendent recommended the employment of an additional teacher for the girls' school, that steps be taken to get the co-operation of parents in order to secure more regular attendance, and that additional teachers be employed for the boys' schools, provided that they be dropped again as soon as the attendance decreases.

After the adoption of the reports there was some discussion as to the average attendance at each school, some of the Directors expressing the opinion that if pupils were transferred from one school to another the average would not be high enough to require additional teachers. Superintendent Whitaker stated that there were many reasons why a teacher of an evening school cannot successfully handle as many pupils as a day school teacher can, among them the fact that the schools embrace pupils of several grades and the teachers employed have not had the advantage of experience that day school teachers have had.

It was finally decided to proceed to elect three additional teachers and they were selected from the following list on the roll of substitute teachers: Misses Martha Shields, Fannie D. Grubler, Sallie Roche, Hattie W. Jones, Katie Brogan, John McGowan, Katie C. Dougherty, Mary D. Griffiths, Lizzie North, Mary E. Mulhearn, Annie Flaherty, Katie Connelly, Libbie Cavanagh, Tessie Harnett and Katie Burns.

It required three ballots to effect the election. On the first ballot Miss Jones was elected; on the second Miss Roche, and on the third Miss Grubler. The Superintendent will assign the teachers to their respective positions and they will begin work to-night.

The Board then discussed the poor gas light that is furnished in some of the evening schools and in the Directors' room. The committee on building and repairs was instructed to give the matter attention.

Watson House Free Lunch. Scalloped oysters to-night. Vegetable soup to-morrow morning.

Canvassing Under Difficulties. Councilmen McElheny and Kane, who are engaged in canvassing the town for the purpose of making up the water duplicate, are making good progress in the work, considering the difficulties they have to contend with. Many of the Polish, Lithuanian and Hungarian families who do not understand the mission until an interpreter explains, cause considerable delay in the work. The Councilmen are frequently taken for tax collectors and many people of the classes named refused to give any information until their minds are disabused of the impression. When the Councilmen approached one house yesterday they saw one man run away from the premises barefoot and without hat and coat. A second followed with equal speed and dressed himself in his flight. The astonished Councilmen asked what the excitement was about and the woman in charge of the house smilingly told them, "Me no got tax; dem men pay when come back." Thus far the canvass has been completed on all the streets and alleys running east and west and Main street has been canvassed from the southern limits to Centre street.

An Award for Keenan.

Harry Haase, Charles Graber and Charles D. Boyer met as arbitrators at Pottsville yesterday and listened to testimony in the case of Luke Keenan against Thomas H. VanDusen for the recovery of a strip of land 11 inches wide and 30 feet long. The arbitrators gave an award to Keenan for the land, six cents damages and costs of the suit. The property in question is situated on the south side of West Lloyd street, between West and Chestnut streets. The McHale property is on one side and VanDusen's on the other side of it. When Keenan was preparing to sell the property to John P. Boehm a search of the title showed that McHale had built on 9 inches of it and VanDusen on 11 inches. The former settled for his share, but VanDusen refused to and Keenan instituted the suit for ejectment with the result stated.
