

GOLDIN'S CORNER.

A Great Push for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We establish a new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No huck numbers! No misjudgments! No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—multitudes turn to us to save money. \$5 or \$6.75 all-wool suit, good as before \$10 or \$12. \$10 suit now, good as you used to get for \$15. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices.

Our entire store represents superior taste which makes competition impossible.

Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

ONLY ONE FEE ALLOWED.

A Decision Restricting the Charges for Service by Constables.

Presiding Justice Biddle, Court of Common Pleas, Cumberland county, rendered at the September term a decision of much importance to constables. A constable of Carlisle arrested two defendants and served a subpoena upon two witnesses. He claimed a dollar for each arrest and fifty cents for each service of a subpoena. Judge Biddle decides that the Act of May 23, 1893, repealed the Act of April 2, 1868, and that the one dollar allowed for executing a warrant and fifty cents allowed for serving a subpoena, are in full, except for mileage, for all services in relation thereto, irrespective of the number of persons who are included in the writs.

A Bad Wreck.

—of the constitution may follow in the track of a disordered system, due to impure blood or inactive liver. Don't run the risk! The proprietors of Dr. Pierce's Golden Medical Discovery take all the chances. They make a straight-forward offer to return your money if their remedy fails to benefit or cure in all disorders and affections due to impure blood or inactive liver. The germs of disease circulate through the blood; the liver is the filter which permits the germs to enter or not. The liver active, and the blood pure, and you escape disease.

When you run down, debilitated, weak, and your weight below a healthy standard, you regain health, strength, and wholesome flesh, by using the "Discovery." It builds up the body faster than nauseating Cod liver oil or emulsions.

Dr. Pierce's Pellets cure constipation, piles, biliousness, indigestion, or dyspepsia, and headaches.

Royal Welsh Ladies Choir.

Concerning this excellent attraction which will be here Nov. 1st, the Times Herald says: "A magnificent audience of about 1,200 persons greeted the Welsh ladies' choir last evening. Not only was the audience large, but it was most enthusiastic, and the best musicians were the ones most pleased by the splendid singing of the ladies from 'Little Wales.' The 'March of the Men of Harlech,' is one of the most popular Welsh airs, and it was loudly given by the choir, and each number of the program only added to the enthusiasm of the audience. The encores were numerous and well merited. The ladies in their quaint costumes were a pleasing sight and their artless and winsome manners gave them a charm that won them the admiration of the audience."
