WOMAN SUFFRAGE DEFEATED.

Bouth Carolina's Constitutional Convention Shelves the Proposition.

COLUMBIA, S. C., Oct. 30 .- The constitu-Monal convention voted down the woman suffrage amendment by the decisive vote of 121 to 20. George D. Tillman made a great speech in advocacy of the idea, claim-ing that by enfranchising women with a property qualification the white people would carry the elections by fair and honest methods, and by no other way could they do it. He characterized the suffrage plan of Senator Tillman as a temporary, fraudulent makeshift, which would not andure.

Delegate Patton introduced a substitute suffrage plan basing the franchise upon military service, and giving Confederate and Union soldiers and their descendants the right to vote regardless of educational or property qualifications, while these qualifications would apply to other voters. A vote was not reached when the convention adjourned for the day.

An effort was made to give the legislature authority to give the women the suffrage if they at any time thought proper, but the proposition was killed by a vote of

The Crush at the Durrant Trial.

SAN FRANCISCO, Oct. 30 .- The close of the arguments for the defense in the trial of Theodore Durrant vesterday was marked by the greatest crowd that ever fought for admission to a court room in this city. Judge, jurors, court officers and attorneys struggled for nearly an hour in a surging throng of men and women who crowded through the corridors leading to the court room. Ropes were stretched across the corridors, but they were brushed aside as easily as pieces of twine might have been. General Dickinson finished his argument for the defense at noon. Attorney Deuprey's impaired physical condition was apparent in his argument, which was a dis appointment to the large crowd who fought their way into the court room to hear him. He kept his seat throughout the argument. District Attorney Barnes began the closing argument for the proseeution this morning.
