Terrible Punishment of a Negro Murderer in Texas.

WITNESSED BY SEVEN THOUSAND.

A Most Brutal Crime Speedily Avenged In a Most Brutal Manner-The Husbaud of the Brute's Victim Started the Fire Which Consumed His Body.

TYLER, Tex., Oct. 80.-At a point about four miles from Tyler a Mrs. Bell, who had been visiting her mother a short distance from home, was on her return met by a negro named Jim Hilliard. What occurred could only be told by the negro himself, and the evidence given by the head dead body of the hady. The ground shows that she had struggled for her honor, and the condition of the body told of a cruelty that has only been equalled by "Jack the Ripper." After outraging the body the negro deliberately out her throat and. then taking his knife, ripped up her body. A posse was quickly organized, led by Deputy Smith, of Tyler, who, with lant-erns in hand, and alded by a hound, tracked the negro to within four miles of Shenandoah and Vicinity Kilgore, where they found him fast asleep in a cotton pen. The negro was covered with blood, which he had attempted to wash off. The posse started back to Tyler with the negro, who offered no resistance.

Soon after the officers had him handcuffed a mob of some 200 men, heavily armed, arrived on the scene and demanded the immediate surrender of the prisoner, which was readily given. The mob then left for the scene of the murder, where they arrived in the afternoon at 8 o'clock. The crowd continued to gather at the scene of the horrible crime until nearly 2,000 citizens of Tyler and vicinity were there. A few moments before the fiend was brought to the place a meeting was held and a committee was appointed to investigate his identity. Witnesses were summoned and closely interrogated. The result was a thorough identification. When Hilliard arrived he was also brought be-fore the committee. He made a full con-

fession, in substance as follows: "I was coming down the road and saw Barbey's Bohemian Beer. Barbey Bohemian Beer. other place and left." After his confession and thorough iden-

tity a vote was taken as to the mode of punishment. It was unanimously agreed to burn him, and it was agreed that he should suffer the penalty on the public square. The line of march was taken up toward Tyler, and at 4 o'clock the head of the line entered the main plaza, where no less than 7,000 people were assembled. Large crowds of ladies and children were congregated on the awnings surrounding the public plaza. Wagons, carriages, trees and buildings were converted into grand stands, and were thronged. A scaffold was erected in the center of

the square. Wagons laden with kindling wood, coal oll and straw were driven to the scene and placed in position. The negro was then given an opportunity to speak, but his words were inaudible, but when he offered up his last prayer his words could be heard for several blocks. He was then Office-Egan building, corner of Main and through the platform.

WHEN HOPE FADED Mrs. White, a Citizen of Ithaca, Was Saved.

(From the Ithaca Herald.)

(From the Ithaca Herald.) Our representative, hearing of the case of Mrs. H. T. White, called to see her at Seneca and Plain streets. We publish their conversation in the following interview: "Mrs. White, I hear you have some-thing to say about a new remedy for back-ache and kidney disorders. Will you give me your statement for publication?" "Yes, I am quite satisfied to do so. 1

"Yes, I am quite satisfied to do so. 1 think the public should know when a really

time the public should know when a really good remedy is to be had, it is the least I can do in gratitude for my recovery." "Tell me about your complaint." "About a year ago I had the Grippe, and since then my back has pained me con-stantly in the region of the kidneys; a dull pain at times, and at other intervals, sharp, deriver pains discrime through me merger darting pains piercing through me, were almost unbearable. I seemed to be giv-ing out as the pain in my kidneys grew worse, and at last I had to stay in bed the greater part of the time. Finally, I gave up altogether. I had terrific headaches, and suffered so much pain my appetite left me

I often told my friends I believed I should go insane from the pain. I heard of Doan's Kidney Pills, and began their use. After taking them two or three days I began to feel their good effects. I con-tinued, and now am perfectly well." "Am I to understand that Doan's Kid-ney Pills have entirely cured you?" "Yes, that's the truth. I have no more headaches or pains, and my appetite has returned. Before using Doan's Kidney Pills I found it very trying to go up and down stairs, or to sleep on my back; but now I can do so without a single pain, I feel completely cured, and I wish the man-ulations of the state of the constant of the man-

THE EFFORT FOR RECOGNITION.

Thomas Estrada Palma, Chief Delegate of the Cuban Revolutionary Party in New York, to Visit President Cleveland In Behalf of His Cause.

KINGSTON, Jamaica, Oct. 3). - The steamer Laurada, Captain Hughes, 1, om New York for Kingston Oct. 21, reports upon her ar-rival here that after leaving New York she met two boats outside the bay. In which were thirty four Cubans, who embarked upon the Laurada. Later in the voyage they were disembarked off Cuba. The steamer also met two other boats, which carried thirty-two cases of ammunition, which were taken on board and which were again unloaded on Sunday, while the steamer was off Guantanamo, Cuba, after

Meaniner was off Guantanamo, Cuba, after which she proceeded to Jamaica. New York, Oct. 30.—According to a cipher cable message received by Enrique Trajillo, editor of El Porvenir, a Cuban newspaper published in this city, Carlos Manuel de Cespedes, son of the first presi-dent of the Cuban provincial republic of twenty years and the first presitwenty years ago, who sailed from the Delaware ten days ago at the head of a secret expedition, has safely landed in Cuba. El Porvenir issues a bulletin say-

ing: "We have the pleasure of announcing We have the pressure of announcing that the expedition under the civil com-mand of the distinguished young Carlos Manuel de Cespedes, son of the immortal hero of Yara, reached the eastern coast of Cuba safely, and landed on the 20th inst." The expedition, according to Mr. Tru-jillo, consisted of 107 men. Among the Cuban patriots who accompanied De Ces-pedes were Jose Lopez, who was a captain during the last rebellion; Carlos E. Aguirre, licutenant of the late Cuban war; Dr. Serafin Martinez, Mario Carillo, son of the celebrated Cuban poet and writer; Don Isaac Carrillo, Y O'Farrill, nephew of the patriot; D. Miguel Aldena and Hamiro Cespedes, the latter a consin of the leader of the party. According to Editor Tru-jillo the Cespedes party succeeded in landing 500 rifles, 400,000 cartridges, ten cases of miscellaneous war material and and 250 muchetes. Mr. Trujillo did not say anything as to how Cospedes and his staff fell in with the

Laurada. Mrs. Trujillo said she believed the oarty had come down from Canada in boats. L'homas Estrala Palma, chief delegate

of the Cuhan revolutionary party in this city, when seen today, said that he would go to Washington in the near future.

"I shall see President Cleveland and lay the cause of my countrymen before him. Our friends in Cuba are in need of arms and ammunition. The Spanish govern-ment has always denied that it is engaged in war with the Cubans. If that be the case, I see no reason why the United States authorities should prevent us from send-ing merchandise to Cuba."

Mr. Palma said that he would go before congress as soon as it convened, and would agitate in behalf of the Cuban revolutionary party.
