

GOLDIN'S CORNER.

A Great Push for Fall and Winter Business at the Mammoth Clothing House.

We appreciate the want of and grasp the conditions of lower prices. We establish a new basis of lower prices. We took out the front and enlarged the capacity of our store fifty per cent. and then loaded it with the largest stock of Overcoats by the carload and added the largest stock of Fall and Winter Clothing for Men, Youths and Boys and all the Latest Styles and Novelties in Clothing for the Children.

No look numbers! No misjudgments! No by-gone mistakes! No bankrupt trash! But new stylish overcoats and clothing made to be sold this season. Every man who buys an overcoat or suit at our prices is bound to see that his friend knows what is going on.

The way we're selling, it will take half the money to buy what you're used to in clothes. No doubt about it—multitudes turn to us to save money. \$5 or \$7.50 all-wool suits, good as before \$10 or \$12. \$12 suit now, good as you used to get for \$17.

We're told we're getting too little, but we are not paying attention to the profits. We are looking for the trade. Overcoats almost given away. Note our prices. We are not content to sell at once. We want your friendship. If you call attention to any defect in our clothing we will esteem it as a great favor. Your money will be refunded if the goods are not as we represent them. We are promoters of low prices.

Our entire store represents superior taste which makes competition impossible.

Don't forget the place. Mammoth Clothing House, largest in Shenandoah, Nos. 9 and 11 South Main Street.

Result of the Bicycle Road Race at Mahanoy City Yesterday.

Special to EVENING HERALD. MAHANOY CITY, Oct. 31.—Fred. Bernet, of Pottsville, yesterday clearly established his claim to the championship of bicycle road racing in Schuylkill county. The nearest man to him was Lambrusinski, the foreman of the Miners' Journal, and he was nearly two minutes to the rear at the finish. Bernet appears invincible at the hands of county talent. Something from outside must be brought in to test his full speed and endurance on the wheel. He was as fresh as a daisy when he crossed the finish line yesterday. Indeed, he was the strongest man that crossed the line.

The race was witnessed by about 4,000 people, who crowded the street and barely left room for the bicyclists to pass. There were sixteen entries, but one, William Patterson, of Mahanoy City, failed to start. The race was conducted by the Athletic Association of the Young Men's Republican Club. Three valuable prizes were offered and it was understood that the winner of the first prize would be titled Road-race Champion of Schuylkill county. The first prize was a banquet lamp valued at \$25, a silver tea set valued at \$15 was the second, and the third a gold vase.

The fifteen contestants were ranged in a line extending from the northeast to the northwest corner of Main and Centre streets. William Clifford was the starter; William T. Patterson and Thomas E. Fregellas, timekeepers; Harrison Ball, Charles E. Butler and Michael T. O'Connor, judges. The course was from the corner of Main and Centre streets to the Delano cross roads via Park Place and return via Primrose road to a line from the northwest to the southwest corner of Main and Centre streets. The distance was estimated as close to ten miles.

The racers got off at exactly 4 o'clock. Saylor, of Ashland, shot to the front like an arrow, with Gearhart second, Mengle third and the rest well bunched, Bernet trailing at the rear bar. In this order they went along Main street to the Lehigh Valley railroad and were brought together again by a passenger train crossing their path. When the train stopped at the depot the contestants just around the rear car and commenced the race in earnest.

Bernet led at Park Place, making the distance in 11 minutes and 40 seconds. Dell (Smyrna) of Pottsville, was 30 seconds behind him. Joe Lambrusinski, of Pottsville, was third, reaching the point in 12 minutes and 15 seconds. John Smallwood and Fred Gill, of Mahanoy City; J. E. Seaman, Girardville; Martin Saylor, Ashland; John Lagan, William Price, Harry Gearhart and James Mengle passed the point in the order named from 40 seconds to 2 minutes behind the leader.

Bernet sped down Centre street toward the finish a solitary leader. Some of the other racers were in sight and his victory was a most easy one. The exact time at the finish was:

Table with 3 columns: Contestant, Residence, and Time. Includes names like Fred Bernet, Pottsville (27:55), Joe Lambrusinski (29:45), John Smallwood, Mahanoy City (30:15), Dell Gressing, Pottsville (31:00), Harry Gearhart, Mahanoy City (31:24), William Price (31:24), John Lagan (31:29), James Mengle (32:20), J. E. Seaman, Girardville (32:20), Fred Gill, Mahanoy City (33:50), Frank Schwab (34:16), J. W. Howe, Girard Manor (35:20).

Martin Saylor, of Ashland, John May and Ralph Schertzing, of Mahanoy City, did not finish. Gill lost the tire of his wheel twice. He won the last race over the same course in much slower time. At about 250 yards from the finish Seaman was thrown to the ground by a boy running in front of his wheel. His ribs on the left side were so badly bruised that he will suffer for several days, but he remounted his wheel and finished. Gill first lost his tire on the home stretch near Delano and Saylor ran into him. The latter's left arm was considerably damaged. Gressing broke the seat of his bicycle after leaving the cross-roads and one of the Mahanoy City tail-enders gave the use of his bicycle to the disabled contestant, which was an indication that no personal feeling existed in the contest. None of the accidents had an effect upon the result of the contest, so far as the first three places were concerned.

Before the race it was announced that the first Mahanoy City contestant at the finish would receive a prize of \$5 and a box of chewing gum. Smallwood was the fortunate one and in addition received from citizens a gold watch, chain and charm and a peep-in-hand pair of opera glasses.

Struck His Wife.

Harry Becker, editor of a weekly paper at Girardville, struck his wife in the face in front of Trexler's store in this city this morning. Jeweler Fisher and wife were passing and witnessed the assault. Mr. Fisher told Becker that he ought to be ashamed of himself for striking his defenseless wife. Becker said: "Who and what are you?" He threatened to shoot Mr. Fisher, and drew a revolver. The affair caused considerable excitement. Mrs. Becker was Miss Ellen Ulrich, from Watsontown, and her husband frequently abuses her. Becker said his wife lied to him and that was why he hit her. They returned home this afternoon.

If your children are subject to croup watch for the first symptom of the disease—hoarseness. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse it will prevent the attack. Panic on an Ocean Steamer.

NEW YORK, Oct. 31.—The passengers on the North German Lloyd steamship Trava, which arrived here yesterday, had a startling experience from 8 o'clock on the afternoon of Oct. 25 until 1:42 o'clock the following morning. When off Newfoundland the steering gear was disabled by the breaking of a lever, and the steam rushed in clouds through the engine room skylight, creating the impression that the vessel was on fire. Men and women were scurrying about shouting and crying with fear, until finally Captain Thalenhorst calmed them. The captain determined to proceed under the main and low pressure engines, but in starting up the main pressure engine's cylinder safety valve broke, and more steam invaded the cabins, accentuating the already wrought up feelings of the passengers. It took all the ship's officers to reassure the frightened women, many of whom sat up all night.

Bad for the State Democracy.

NEW YORK, Oct. 31.—The general term of the supreme court has sustained the decision of Judge Bench in the official ballot case. This forbids the State Democracy from having a list of state candidates printed in the column with the local nominees, under the emblem of a rooster, the State Democracy having held no state convention. As originally planned, the State Democracy was represented on the official ballot with the regular Democratic state ticket, followed by the State Democracy's local nominees. The effect of the decision of the supreme court will be to put the State Democracy's local ticket entirely by itself, and to deprive the candidates of whatever advantage might accrue through their names appearing in conjunction with the regular Democracy's state ticket.

Three Killed in a Head On Collision.

ST. LOUIS, Oct. 31.—A terrific head on collision occurred between two sub-urban trains on the Missouri Pacific railroad just outside the city, in which three persons were killed outright and several others more or less seriously injured. Both trains were running at top speed, and the contact was, therefore, very heavy, and the damage to engines and cars very serious. The killed are: John Harper, engineer west bound train; Charles H. Catron, engineer east bound train; George True, fireman of east bound train.
