MIDDLETON AND SEVERN ARE SAFE!

Bechtel Defeats Breckons For District Attorney, Dr. Marshall is Elected Coroner and Geary Beats Downey by 1580 for County Surveyor—Severn's Majority Runs Up to 525 and Middleton Wins by 350.

Special to EVENING HERALD.

POTTSVILLE, Nov. 6, 3 p. m.—The question as to whether Schuylkill county is Democratic or Republican is settled. A count of returns from yesterday's election from the 143 districts of the county shows that it remains in the Republican ranks, and it can be counted upon by that party in the future. Not only have four of the six Republican candidates on the county ticket been given majorities, but the county has also gone Republican on the state ticket.

The Democrats were exceedingly jubilant last night and this morning and claimed everything. Dunn's election was claimed by as high as 1,800 majority. Bechtel's election was claimed by 1,100. Towards noon the Democrats conceded the election of Severn, but now they have dropped with a grand crash. They reckoned without their hosts.

The official count will not be made until tomorrow, but a semi-official count has just been completed. The count tomorrow will make very little, if any change.

Hon. T. H. B. Lyon, of Mahanoy City, is elected Judge of the Orphans' Court by 5 majority; Edgar W. Bechtel, Esq., of Pottsville, District Attorney by 290; Stephen G. Middleton, of Maizeville, Director of the Poor by 350; Benjamin R. Severn, of Shenandoah, County Controller by 525; Dr. David S. Marshall, of Ashland, Coroner by 500; and Joseph W. Geary, Jr., of Pottsville, County Surveyor by 1580.

The figures may be accepted as authentic and their correctness was practically conceded by the Democrats here this afternoon.

The last returns received were those from North Union township. The Dunn people depended upon them to elect their man, but when counted it was found they were tied—53 to 53, and this left Lyon with the majority of 5.

The state ticket has not been counted, but estimates place the Republican majorities at from 500 to 700.

THE RESULT IN TOWN.

Every Democrat on the Ticket Given a Majority—Dunn's Strength.

The result of yesterday's election in this borough was disastrous to the Republican candidates, the Democratic candidates receiving majorities on the whole vote of the borough ranging from 224 to 317. The result shows that both Master and Marshall were sacrificed in many instances and Dunn, the Democratic candidate for Judge of the Orphans' Court, got the benefit of the cutting; but the two candidates succeeded in securing more than the regular Democratic majority the borough gives on a straight vote.

The result is due more to apathy on the part of the Republicans than anything else, and cannot be taken as a criterion for next fall's election. Throughout the campaign the voters of the party maintained an indifference which some mistakenly accepted as in keeping with the quiet campaign which the candidates had decided to make. The consequence was that when the time arrived to count the ballots it was found that many Republicans had failed to appear at the polls. The total vote of the borough fell over 200 behind that of last fall, and the Republican vote yesterday was over 200 short of what it was last fall, so there is the nut in the shell. Governor Hastings polled 1,000 votes in the election last fall, and yesterday Haywood, the Republican candidate for State Treasurer, polled but 736.

On the other hand the Democrats of the town were better organized than they have been for years and the cash contributions by members of the party ran close to \$1,000. The result was that they got every vote out. Carriages sped to all parts of the respective wards from early morning until the polls closed to convey the aged and infirm, and sometimes the hesitating voters, to the polls, and while this was going on the Republican workers were watching and waiting at the polls. Some of the workers made trips for voters, but gave up the work in disgust in many instances. "They wouldn't come out. An engine couldn't pull them out," was their explanation. One of the surprising features of the result is the comparatively light vote Severn

This rooster is of the stalwart Republican breed, and his notes are so clear they can be heard over the entire county.

received. He received several more votes than either Lyon, Breckons, Seyfert or Middleton, but ran behind Geary and did not get near the mark which promises had led him to keep in view. He did well in the Third ward, far better than the Democrats predicted he would, and as both Severn and Master are residents of the ward this result is quite a compliment to the former; but the compliments that were to have come and were needed from other quarters failed to materialize. This was especially the case with the First ward. Severn had received iron-bound assurances that he would receive a big complimentary vote from that quarter, but what did he get? The same number of votes that Breckons received and three more than Lyon got. This shows that the Democrats of the ward went out for the Democratic ticket and were not distributing compliments yesterday.

The returns of the Second ward are significant and should be given careful attention. It will be observed that while the state ticket was given a majority the ward went against every Republican candidate on the county ticket except Geary, although Severn was defeated by but one vote.

It is also interesting to note the vote Senator Coyle received last fall and that received by Lyon yesterday. Coyle got 175 votes in the First ward, 151 in the Second, 291 in the Third, 191 in the Fourth, and 194 in the Fifth. Lyon ran behind Coyle 75 in the First ward, 48 in the Second, 42 in the Third, 51 in the Fourth and 47 in the Fifth.

The following is a tabulated report of the votes cast in all the wards of the borough yesterday:

BUSHNELL'S BIG VOTE IN OHIO.

McKinley's State Gives the Republican Candidate a Plurality of Eighty Thousand Votes—Tammamy Wins the Municipal Fight in New York City—Amos Cummings Wins His Fight for a Seat in Congress—A Republican Plurality in Pennsylvania of 74,469.

PHILADELPHIA, Nov. 6.—Returns received up to midnight indicate that Benjamin J. Haywood, rep., has been elected state treasurer by about 150,000 plurality, a Republican gain over 1893, which was also an off year, of about 15,000. This state also elects seven judges of the new superior court. Of these the six Republicans nominated are elected, as follows: James A. Beaver, Edward N. Willard, John J. Wickham, Charles E. Rice, Howard J. Reeder and George B. Orady. The seventh man on the ticket is in doubt. The Dem-

ocrats have six men on the ticket, and returns indicate that each of these has run ahead of the ticket in his own section. The choice apparently lies between Magee of Allegheny, Smith of Lackawanna and Yerkes of Bucks, with chances favoring the former.

In this city the Republican ticket is elected by an overwhelming majority. The ticket elected is as follows: Judge court of common pleas, Craig Biddle; district attorney, George S. Graham; recorder of deeds, William M. Geary; city controller, John M. Walton; coroner, Samuel H. Ashbridge; clerk court of quarter sessions, William B. Ahern. William M. Geary, who is regarded as David Martin's representative on the ticket, was cut to some extent, but not as much as had been expected. Complete returns from eighteen out of thirty-seven wards show Republican pluralities of 34,965. If this ratio is kept up the plurality in this city will be fully 60,000.

BUSHNELL'S BIG VOTE.

The Republican Candidate for Governor of Ohio Gets 80,000 Majority.

COLUMBUS, O., Nov. 6.—At midnight it was thought that the tidal wave of the past two years had continued in Ohio, although no estimates would be given. The Democratic state committee in comparing the vote with that of last year, when the Republican plurality was 137,000, shows Democratic gains, but not enough for them to claim any close result on the state ticket or more than one-third of the members of the legislature.

The Republicans in comparing the vote with that for McKinley and Neal for governor two years ago, are claiming that they will approximate the plurality received by McKinley and have two-thirds of the legislature. At the headquarters

A. B. BUSHNELL.

they say they will poll a much larger vote than in 1893, and that the Democrats polled a much larger vote than that year. The total vote was about 860,000, the largest ever cast in the state. The Republicans say their plurality will not fall below 60,000.

The Republican state committee now claim that the plurality of Bushnell will exceed the vote of 1893, with which year's vote they are comparing returns. There are some at their headquarters who say that complete returns will show a Republican plurality almost equal to that of last year (137,000), the high water mark. The Republican state committee saw fit to

ATTACKED BY A DOG.

Mrs. Holden, of Turkey Run, suffers seriously—It Was a Bull Dog.

A vicious bull dog attacked an aged lady named Holden in her house at Turkey Run last evening. The brute sank his teeth deep in the left forearm and tore large strips of flesh from it, laying the bones bare from the wrist to the elbow. The fury of the dog was only checked by the timely arrival of neighbors. The dog was killed. Dr. Hamilton attended the lady, and pronounced her injuries quite serious. Mrs. Holden is about 55 years of age.
