AN EVICTION.

Girard Estate Officials Take Possession of a Line Street Property.

Early this morning Deputy Sheriff Roberts and William Thieken, representative of the Girard Estate, accompanied by a number of Italians, went to the house of William Seward, at the west end of Line street, to take possession and remove the house and stable. About a year ago the Board of City Trustees condemned the property on account of the threatening workings of the Kelley Run colliery, and Seward was notified from time to time to vacate the buildings, but he delayed, saying he was unable to procure a place elsewhere. Although he was a squatter on the place he had made many extensive improvements. The dwelling was a new two-story frame building. Yesterday Seward was given 24 hours to vacate and early this morning the Deputy Sheriff and his men appeared and carried out the contents of the house. Seward handed them to a house in "the flats." Seward refused to remove a bull that was in the stable. After a consultation the Deputy Sheriff detailed two Italians to take out his bulldog. The animal proved more docile than expected and was removed from the place without trouble. It is expected the work of tearing down the buildings will begin to-morrow, unless Seward meanwhile removes them.

Date of Birth Required.

A Philadelphia man writes to the Board of Health of town requesting the date of the birth of one Frederick William Sieber, who left Shenandoah in 1879 and is supposed to have been 4 or 5 years old at that time. The letter is written by Max Muller, of 23 Bank street, Philadelphia. It states that Sieber lived at the corner of Centre and Main streets and that his father was a contractor and builder. The correspondent wants the information "for a very important reason," but as the borough had no Board of Health at that time the officials cannot comply with the request.

By order of the committee.

INCREASING ITS STORAGE.

The Borough of Ashland Will Build Additional Reservoirs.

At a regular meeting of the Ashland Council on Wednesday evening an important matter was considered, and has a bearing upon every town in this section, and that is increased storage for their water supply. Sometime ago a special committee was appointed to report upon the improvement of the water supply, and they submitted their report.

The committee recommends that additional storage reservoirs be built with at least 14,000,000 gallons capacity, the cost of said construction not to exceed \$10,000. They also recommended that at least ten acres of land be secured for the purpose of driving tunnels or boreholes, or both if necessary, for further improving the water supply.

The recommendations were adopted and work will begin as soon as possible. It is thought that the additional storage capacity will give the town an abundant supply at all times.

Resolutions of Respect.

At a special meeting of the Board of Directors of Shenandoah School District held in their room, West street school building, on Thursday morning, November 7th, 1895, the following preamble and resolutions were unanimously adopted:

Whereas, It has pleased the Lord in his wisdom to summon from our midst our friend and co-worker, John T. Stanton, whose earnest and intelligent labor for the best interests of our schools during the time which he served as a member of our School Board, has earned the lasting gratitude of the community as well as our friendship and esteem; and

Whereas, We regard the career of our deceased friend as a School Director worthy of commendation, characterized as it has been by an earnest and zealous devotion to the cause of education in our community, and this, with his unassuming and gentlemanly personal traits has endeared him to us and to all who knew him; therefore,

Resolved, That we deeply regret the departure of our co-laborer in the prime of manhood and the height of usefulness, and we realize that we have sustained a heavy loss—the loss of a good citizen, earnestly devoted to duty and the educational advancement of our people.

Resolved, That we tender our sincere sympathy to his grief-stricken wife and family, and recommend them to look for consolation to Him who comforts the afflicted and whose merciful ways are always for the best.

Resolved, That as a mark of respect to the deceased we attend the funeral in a body and make an appropriate floral offering; that the schools be closed during the forenoon; that the teachers attend the funeral; and that these resolutions be published in the town papers, and an engraved copy be presented to the family of the deceased.

Seriously Injured.

Alexander Davis, a miner, aged 27 years, and single, employed at Maple Hill colliery, was seriously injured about the face, hands and body this afternoon. Joseph Cousin, his laborer, aged 23 years, was also slightly cut about the face. Both men reside in Shenandoah. They were working in the seven foot west gangway, and were in the act of drawing a blast that had failed to go off, when it exploded with the result above.

John Haverschick, employed as outside driver at Maple Hill colliery, had his right leg broken this afternoon by being caught by a dirt wagon that jumped the track. He resides in this town.

A Great Concert.

The concert to be given in Ferguson's theatre on Thursday evening, 14th inst., will be an extraordinary treat for the people of Shenandoah and vicinity and will be well patronized. The star of the event will be Edouard Remenyi, the marvelous violinist, who has created great enthusiasm at every place he has visited during his tour of the United States and Canada. Remenyi is a most extraordinary genius and his playing is simply wonderful. He will be assisted in a program of rare attractiveness, by these artists: Miss Pauline Stein, soprano; Mlle. Louise Roman, solo pianist, and Mr. Eugene E. Davis, baritone and accompanist. The chart for sale of reserved seats is now open at Kirlin's drug store.

A REPUBLICAN COUNTY.

The Result of the Official Count Made and Completed Last Night Shows it. Special to EVENING HERALD.

POTTSVILLE, Nov. 8.—Schuylkill county is now a Republican stronghold. The Democrats acknowledge their defeat and are correspondingly depressed. 'Tis true they take considerable consolation out of the election of Dunn as Orphans' Court Judge, the man for whom the tail of the ticket was sacrificed, but when they scan the returns more closely and notice that the Republican state ticket carried the county by over 1,000, that they have but three of the six candidates, it causes a cold chill to creep up the back of the leaders of that party. The men who have political aspirations on that side of the house will hardly shy their castor in the field next year.

On the other hand our party leaders are jubilant, and say that nothing outside of a Democratic tidal wave can redeem the county. Chairman Shepherd, of the Democratic County Committee, reluctantly acknowledges this.

Judge Weldman presided, and he was assisted in the count by Prothonotary Deegan and Deputy Prothonotary Dil Brennan. The clerks were Albert Roehrig, of the Republican; Harry Seligman, of the Chronicle; Captain Myer Strone, George P. Walker and Attorney James O'Hare, of Pottsville, and William Williams, Esq., of Minersville. During the count a number of politicians, notably the chairman and secretaries of both political parties, were present and closely watched the count, the result of which was announced at 10:30 o'clock last evening, and is as follows:

Haywood, R. 11811
Myers, D. 10773
Haywood's majority 1038
Superior Court Judge.
Rice, R. 11829
Willard, R. 11767
Reeder, R. 10965
Grady, R. 11544
Beaver, R. 11556
Bedford, R. 11782
Wickham, R. 10960
Yerkes, D. 10675
Moonbrad, D. 10279
Smith, D. 10881
Soyes, D. 10116
Mages, D. 10176
Dunn, D. 11071
highest, 731, and over Reeder, the lowest, 1,325.
Orphans' Court Judge.
Dunn, D. 11751
Lyons, R. 11707
Dunn's majority 79
District Attorney.
Rechtel, D. 11010
Brooks, R. 11721
Rechtel's majority 189
Controller.
Severn, R. 12013
Master, D. 11428
Severn's majority 575
Coroner.
Marshall, D. 11991
Seyfert, R. 11903
Marshall's majority 291
Poor Director.
Middleton, R. 11829
Kregan, D. 11513
Middleton's majority 307
County Surveyor.
Geary, R. 12298
Downey, D. 10076
Geary's majority 1222
The error in the vote for the judgeship was found in the Fifth ward of Pottsville, where Dunn was credited with but 108 votes, when it should have been 188, giving him a majority of 70. The official returns also increases the Republican vote for Haywood 408, making his majority 1068. Rechtel's majority over Brooks is also reduced to only 189. The average of the total vote polled in the county was 22,991.
