### Children who suffer

from scrofulous, skin or scalp diseases, ought to be given Dr. Pierce's Golden Medical Discovery, for purifying the blood. For children who are puny, pale or weak, the "Discovery" is a tonic which builds up both flesh and strength. What is said of it for children applies equally to adults. As an appetizing, restorative tonic, it sets to work all the processes of digestion and nutrition, moves every organ into natural action, and brings back health and strength. In recovering from "grippe," or in convalescence from pneumonia, fevers, and other wasting diseases, it speedily and surely invigorates and builds up the whole system.

### For all diseases caused by a torpid liver or impure blood, as Dyspepsia, Bilemiasis, Biliousness and Eruptions, it gives most perfect satisfaction.

### Secure Seats Early.

The Remenyi concert at Ferguson's theatre for the benefit of the Primitive Methodist church takes place next Thursday evening. Don't fail to hear Edouard Remenyi. He is the greatest violinist of the age. The Montreal Herald says: "Remenyi has lost none of his popularity in Montreal and none of his skill since his last appearance here. To slightly alter the quotation, 'his very face has music in it,' and he seems to feel it in an unusual degree; the thought his music expresses. In response to a demand for an encore to the eighth number he played an arrangement of a martial air in such a soul-stirring way as to bring down the house in a rapturous applause, which only ceased on his again appearing, vis-a-vis in hand, for a second response." The reserved seat chart is now open at Kiriin's drug store.

### POLITICAL POINTS.

Senators Quay and Cameron are in Florida. Lyon ran ahead of his ticket 70 votes in Mahanoy City.

Warner Miller is the man of the hour in New York state.

Governor Hastings is said to favor McKinley for President.

Dr. Marshall got 873 out of the 1261 votes cast for Coroner in Ashland.

George Walker will hardly be deputy under the present Controller.

Dr. Seyfert got 240 votes out of 285 in his home, leading his ticket by 80.

Mahanoy City has four candidates for Deputy Coroner, with more to hear from.

A. H. Roads, candidate for Poor Director on the Prohibition ticket, received 202 votes.

The Republicans cannot begin too early to organize for the borough election in February.

We believe the next Mercantile Appraiser should come from Shenandoah, and perhaps he will.

A stalwart Republican will succeed Don Cameron as United States Senator. Stick a pin here.

Judge Bechtel's vote would have been much larger had a better effort been made in his behalf.

Middleton ran ahead of the head of the ticket in Gilberton 36 votes, but still got only 304 out of 617 there.

There are one or two Republican office holders at the court house who will not succeed themselves.

Reed and Bradley as the Republican nominees for President and Vice President would sweep the country.

Lyon's majority in Pottsville was 694, nearly 100 less than the State Treasurer's, while Severn's was 574 and Middleton's 712.

The official returns give A. H. Roads no votes at all in the Third ward of town. He should have been credited with 21, making his total 228.

John J. Riordan, of Mahanoy Plains, has announced his candidacy for the Legislature, subject to Democratic rules. The trouble with such rules is that they are not popular in this county.

Schuykill Haven East ward is the banner Prohibition district, with the South ward of the same town second, and our Third ward a good third. Quakee is the leading Socialist-Labor district.

The Socialist-Labor party cuts a smaller figure in Schuykill county than the Prohibitionists. The highest vote their candidates for judges got was 70, while the other two got 47 and 44 each.

The Prohibitionists were not entirely forgotten in the late election, their candidates for judges receiving votes varying from 183 to 201, while our townsman, A. H. Roads, got 302 votes for Poor Director.

C. E. Breckons' vote in St. Clair was 539 out of 709, while his majority in Pottsville was but 261, where the State Treasurer got 730. This is a state of affairs which is likely to be remembered when W. John Whitehouse comes out again.

### Help Comes to Those Who Tuke

Girardville's citizens, by a vote of 366 for to 91 against the project, decided to allow the School Board to increase its indebtedness \$12,000, which sum will be used to provide a new building and increase facilities for educating the children of that town.

### Never Fails for Coughs and Colds.

That's what Pan-Tina is, 25c. At Grubler Bros., drug store.

### It's a Little Fishy.

The Bloomsburg Daily says a man in that town in 1887 marked a piece of money and then spent it in one of the stores. A few days ago, within three days of eight years since he marked the money, he got it back again.

## IS DRIVING OUT DISEASE.

### Dr. J. R. Baird, Well Known in American Missions.

### Hundreds of Bottles of Paine's Celery Compound Prescribed by Him.

### Has Found it a Blessing to the Afflicted Beyond Any Other Remedy.

Dr. J. R. Baird is not only a missionary, but, what is not so well known, he is a physician of large experience.

His published account of the work he has done in the state of Michigan has been read with interest not only by those particularly concerned in missions, but by the public generally.

J. R. BAIRD, PHYSICIAN, MISSIONARY.

Dr. Baird is known as a practical worker. His health was broken by the severe winter climate in Michigan some time ago, and he seemed likely to be obliged to give up his work. But he resorted to the use of that easily obtained remedy, Paine's celery compound, and was himself again, energetic and active as ever, within a few weeks.

The reasonable, undisputed way in which Paine's celery compound fortifies the body against nervous exhaustion and rebuilds its shattered parts has been freely explained by physicians, the best of whom to-day always look to this great remedy where ability is to be overcome. It does its work thoroughly and speedily. Let every nervous sufferer, and every man and woman who feels run down and tired beyond the power of a night's sleep to restore, try Paine's celery compound. It will make the man or woman strong and active and a stout believer in this great remedy.

Dr. Baird who is now at his home in Indi-

ana, Penn., describes his own experience as follows:

"It was about six years ago when I first tried Paine's celery compound for nervous diseases and rheumatism. In the severe winter climate in the state of Michigan I was at our mission station there, and became a great sufferer. I used three bottles of Paine's celery compound, and was greatly benefited thereby. I then began to advise my members who were sick to use it, and in every case where the directions were strictly obeyed the treatment was successful. In a few years past hundreds of bottles have been used directly through my advice. Paine's celery compound is far better than any other remedy, and leaves no bad effects in the system. Its manifold healing qualities make it a boon of life and blessing to the afflicted beyond any preparation within my reach."

The great falling off in the amount of rheumatism, neuralgia and nervous weakness that physicians have everywhere noted comes from the wide spread knowledge that there is no need of suffering any longer from these common diseases. It is now everywhere known how correctly Prof. Edward E. Phelps, M. D., L. L. D., of Dartmouth college, understood the

needs of suffering men and women when he prepared the formula for Paine's celery compound. By the use of this world-famous remedy countless men and women have saved themselves from nervous prostration.

The cares of large families do not stop when the day is over. There is incessant anxiety, wakefulness and concern for some member of the household. It is no wonder that so many, especially women, break down under the crushing weight. Their very love and pride keeps them always at work. They "live on their nerves," as the saying is, till there comes a time when flesh and blood can stand it no longer. It is a simple thing for them to keep well and strong if Paine's celery compound is straightway used at the earliest signs of failing vigor. The tired, "dragged out" feeling is soon entirely removed. There will be no neuralgia, no persistent headaches, no dyspepsia, no haunting pain over the eyes, no nervous exhaustion when Paine's celery compound is used. It makes people well.
