He will be accompanied by members of his cabinet, representatives of the legislature and judicial branches of the state government and other distinguished Pennsylvanians. The party goes to Atlanta as the guests of the Pennsylvania exposition commission to participate in the exercises next Thursday, which has been designated as "Pennsylvania day." The Pennsylvania railroad has placed at the disposal of the commission the finest train in its service. Thursday noon special exercises will take place at the Pennsylvania building. Governor Atkinson, of Georgia, will deliver the address of welcome, to which Governor Hastings will respond. Addresses will also be made by Mayor King of Atlanta, Judge Henry Williams, of the Pennsylvania supreme court; Lieutenant Governor Walter Lyoa and C. A. Collier, president of the exposition.

How a Mine Boss Quelled a Riot.

BIRINGHAM, Nov. 11.—A threatened riot at Ishkoota mines, near this city, was quelled by Perry Watkins, the mine boss, who killed two men and mortally wounded the third. Watkins was assaulted by Louis Smith, Jr., Louis Smith, Sr., and Columbus Madden with missiles. When they had Watkins down, and thought to be knocked senseless, he emptied his revolver, killing Louis Smith, Jr., and Columbus Madden, and mortally wounding Louis Smith, Sr. The other disaffected miners then threatened Watkins, when they were quelled by Watkins starting the same vigorous defense.

Suffocated in a Mine.

SHAMOKIN, Pa., Nov. 11.—Edward Kelly, 35 years old, a miner at the Pennsylvania mine, was imprisoned by a fall of coal on Friday, which closed the only outlet leading to the gangway. A big gang was put to work and another heading was driven through the pillar of coal to reach his place of refuge, but it was not until yesterday morning, after forty-three hours labor, that the work was accomplished. Kelly had succumbed to the deadly mine gas some hours previous. His death was due to suffocation. He leaves a wife and three children at Ridgville.

Stabbed Himself at the Dinner Table.

SHAMOKIN, Pa., Nov. 11.—Enoch Seebine, of Green Ridge, while eating dinner with his family made a determined effort to commit suicide by stabbing himself with a butcher knife. The blade pierced his abdomen twice and was forced into his neck before the horrified members of his family could interfere and disarm him. Although each of the wounds is large and deep, he did not strike a vital spot, but his recovery is barely possible. Seebine has been a great sufferer from the grip.

A Noted Canadian Scientist Dred.

HALIFAX, N. S., Nov. 11.—Professor George Lawson died here last night from a stroke of paralysis, aged 67. He was secretary of agriculture for Nova Scotia, and professor of chemistry and botany in Dalhousie college. He was one of the most distinguished scientists in Canada, and was the author of numerous pamphlets and works on botany and chemistry. He was a fellow of the Royal Society of England and the Royal Society of Canada.

Charged with Killing His Uncle.

LURAY, Va., Nov. 11.—Newton D. Kibler was arrested here on Saturday for the murder of his uncle, Willis D. Kibler, last Wednesday. Mrs. Kibler, in Kearsney, an old friend of the dead man, now residing in Baltimore, was arrested as an accessory in the crime. Kibler and Mrs. Kearsney were both about to take a train for Baltimore. The evidence is circumstantial, but very strong against both.

School Closed by Disease.

ARDMORE, Pa., Nov. 11.—As a precautionary measure, after consulting with several physicians, the school board of Lower Merion township has ordered the Ardmore public school closed for one week. There has been quite a number of cases of diphtheria, sore throat and similar diseases, but very few fatal ones, in the neighborhood within the past few weeks.

Three Murderers Captured.

SHAMOKIN, Pa., Nov. 11.—Peter Shepoke and two companions were arrested yesterday for having crushed in the skull and face of the former's brother, Frank Shepoke, after he had refused to drink with them. After committing the crime they threw the body on the platform of a Reading passenger train as it pulled out from the station.

The Duke and Duchess at Church.

NEW YORK, Nov. 11.—The newly wedded Duke and Duchess of Marlborough attended service at St. Mark's Episcopal church in Idaho, L. I., yesterday. The church was crowded in expectation of their coming, and they were much stared at. Mr. W. K. Vanderbilt visited his daughter and son-in-law as they country place.

Cause of the Resignations.

The recent frequent resignations by people holding positions at the collieries which are indirectly operated by the Pennsylvania Railroad Company has created some speculation as to the cause. It is stated by people who are in a position to know that they are caused by a retrenchment policy adopted by the company, by which salaries are being reduced. In some instances the salaries of mine officials have been cut as much as fifty per cent.

Criminal Court This Week.

This morning a two weeks' term of criminal court opened. Judge Bechtel will be assisted in the trial of cases by Judge Savage, of Northumberland county, during the first week, and if it is seen the criminal calendar cannot be cleared up the following week with two courts, an effort will be made to run three courts. Up to Saturday 199 new cases had been returned to District Attorney Ryan, and this number, with quite a list left over, will furnish plenty of work. This will be the last criminal court for District Attorney Ryan.

For comfortable, perfect fitting men's, ladies' or children's footwear, you want to go to Womer's, on North Main street, the most popular priced shoe store in town.

NEW THEATRICAL PROJECT

Several Influential Townsmen Have Become Interested in It.

A HOTEL PROPERTY AS A SITE!

It is Proposed to Combine a Hotel With a Theatre—The Site on Which the Commercial Hotel Stands the Desired Point.

There have been rumors from time to time of projects to erect an additional opera house in town, but each report has died out after considerable discussion without any substantial development making its appearance. Another project is now heralded and it seems to be better founded and shows more color of success than its predecessors.

The latest project is in the hands of half a dozen of the most prominent and well-to-do residents, and one of them is so enthusiastic over it that he is ready to make an individual contribution sufficient to cover at least 25 per cent. of the cost.

The project was thoroughly discussed Saturday night and it was decided to organize a syndicate and push the matter along so as to have the new opera house ready for next fall. It is proposed to build on the site at present occupied by the Commercial Hotel, at the northwest corner of Main and Coal streets. The plans in view are to erect a substantial brick structure which will contain both a theatre and a hotel. The latter will have twenty-five rooms and the basement will be fitted up as a billiard and pool room, making a sweep from Main street to Pear alley.

There has been some hesitancy about establishing a second theatre in town for the reason that the majority of the people have feared that the two would not pay, but since it has been learned that Mahanoy City is to have another opera house and C. D. Kaier, who owns the old one, will help the creation of the second, the opinion here is changed and there is no doubt that this town will also have two theatres.

During the deliberations Saturday evening the Commercial Hotel property was objected to as a site, but it was argued that its location is not near as much out of the way as appears at first glance. While at the northern end of the town, it is only two squares away from the central point and only one square further away from the Lakeside Railway terminus than the old theatre is. Besides this the property is located on Main street and the Schuylkill Traction line passes the door. Another meeting is to be held by the projectors before the close of the week.
