They Secure \$20,000 from an Express Safe at Colorado Springs.

ONLY TWO MEN IN THE ROBBERY.

They Are Believed to be A. J. Gray and J. C. Stuart, Who Escaped from Prison Recently, Where They Were Held for Another Express Robbery.

COLORADO SPRINGS, Colo., Nov. 13 .- The express office at the Santa Fe depot in this city was rebbed of \$20,000 late Monday night. The money was part of a consignment of \$50,000 sent from Denver to Cripple Creek, the remainder of which was in the safe, but was not found.

The stolen money was in currency of small denominations, and was received too late to be delivered to the bank. The package containing the money was placed in the depot safe, and both doors locked. There was nothing to indicate its value. Evidently the thieves knew of its existence. When train No. 6 came in there were other packages aboard with currency to the amount of \$35,000 consigned to the same bank. These packages were delivered to the agent and placed in the safe

with the other.

After the train departed Express Agent George Krout attended to some outside duties, and then entered the office. As he did so two men confronted him, with re-volvers pointed at his head, and com-manded him to throw up his hands. Krout, badly frightened, obeyed. Then one of the robbers, stepping close to the agent, said: "Not a word from you. We want you to open that safe, and be quick about it. Hurry up."

Hurry up."
Krout denied that there was any money in the safe. The revolver was pressed close to him, and he was told to open the safe or suffer the consequences. With trembling hands he slowly turned the combination. When the door awang open Krout ex-plained that there was only one package, and reaching in he picked up an envelope containing \$20,000, which he handed to the short man. He then closed the heavy door. The robbers, seeming satisfied that the agent told the truth, stepped away from the safe. Krout's action in handing out the \$20,000 package and closing the doors of the safe saved the company \$35,000.

The robbers then ordered Krout to un-dress himself and get into bed. After he dress himself and get into bed. After he had done so one of the robsers took pains to see that the quilts and comforters were drawn tightly over Krout's head and tucked down. Then Krout heard one of them say: "Now open the door and see if there is any one about."

Krout heard the door slide back and

bump, and then one of the robbers said: "Wait now, we have missed something. Let us take a good look over the place and

When Krout plucked up courage to jump out of bed and get outside there was no one in sight. An alarm was given and armed posses scoured the vicinity, but no trace of the robbers was found. Finally two bloodhounds were put on the trail, and they are leading the pursuit.

The depot agent was not a hundred yards away from Krout's office while the robbery was being committed, but he did not see the robbers and knew nothing about the matter until informed by

The express company's officials believe that the robbery was committed by A. J. Gray, alias Sam Wells, and J. C. Stuart, alias C. J. Starr, who were arrested for the theft of \$15,000 from the express wagon at Cripple Creek April 11, and who re-cently, in company with Tom McCarthy, escaped from juil in this city. R. T. Montgomery, who was a prisoner at the time of the escape, notified the police at Denver several days ago that Gray and Stuart plotted when in jail to rob the express company again. The officials of the company believe that the robbers had accomplices in the bank.

Rocknfellow's Bondsmen Pay Up. gation over the collection of the bond of ex-City Treasurer Rockafellow, whose private bank, with \$52,000 of city moneys in it, failed in February, 1893, was settled last night. At the time of the failure Rockafellow's bondsmen declared that as the city had accepted interest from its funds in Rockafellow's bank it could not collect from his sureties. The city brought suit and obtained judgment for the full amount. The case was appealed to the supreme court, which ordered a new trial, intimating that the city could not collect the sinking fund, which amounted to \$15,000, from the bondsmen. The latter were willing to cancel the bond, less the \$15,000. Last night city councils conferred with the bondsmen, and rather than go to trial again decided to accept this proposi-

Murder Mystery Solved.

Slovx City, Nov. 18.—The mysterious double tragedy which occurred in this city early on the morning of Aug. 25—the murder of Miss Ora Minter, of Nebraska and Max Noack-has been solved. The police said today that they had indisputable evidence that the dual crime was committed by "Kid" Gallagher and Alexander Chapin, who were sentenced to the Nebraska penitentiary for fifteen years on Monday for a murderous assault on the Kas family, near Pappillion. The men will be indicted by the grand jury here in order that they may be held when wanted here in the future.

A Ten-Year-Old Murderer.

CROSBY, Tenn., Nov. 18 .- A 10-year-old son of George Dennis deliberately shot his to year old sister through the head on Sunday night, killing her. Recently while the boy was sick he asked his sister to give him something to eat, but she refused, having instructions from the attending physician not to give him food except as directed. The boy grew angry, and told her if she did not feed him he would kill her when he got well.

A Murderer's Confession.

CLEVELAND, Nov. 18.—Edward Campbell, alias Charles Rice, alias George Smith, in jail here, has made a confession to the murder of Maggie McGraw, of No. 23 River street, Newark, N. J. He says he hit the woman over the head with a chair during a drunken row, and that she died from the effects of the blow. The Newark authorities have been notified.

Great Northern Strike a Pallure. St. Paul, Nov. 13.-The branch of the A. R. U. at Devil's Lake has formally de-clared the Great Northern strike off. This practically end the trouble between the company and its men, as the recalcitrants at Hillyard, Columbia Falls and Spokane had already gone back to their places.

"Tell me about your complaint,"
"About a year ago I had the Grippe, and since then my back has pained me con-stantly in the region of the kidneys; a dull stantly in the region of the kidneys; a dull pain at times, and at other intervals, sharp, darting pains piercing through me, were almost unbearable. I seemed to be giv-ing out as the pain in my kidneys grew worse, and at last I had to stay in bed the greater part of the time. Finally, I gave up altogether. I had terrific headaches, and suffered so much pain my appetite left me."

"Did the disorder affect the bladder?"
"Finally, it did. The urine was highly colored, and varied in suppression and excess. I often told my friends I believed I should go insane from the pain. I heard of Doan's Kidney Pills, and began their use. After taking them two or three days I began to feel their good effects. I continued, and now am perfectly well."
"Am I to understand that Doan's Kid-

Pills have entirely cured you?"
Yes, that's the truth. I have no more "Yes, that's the truth. I have no more headaches or pains, and my appetite has returned. Before using Doan's Kidney Pills I found it very trying to go up and down stairs, or to sleep on my back; but now I can do so without a single pain, I feel completely cured, and I wish the manufacturers every possible success."

MR. PULLMAN IN DANGER

His Life Threatened by a Crazy Window Cleaner

WHO WANTED TO KILL TWO MEN.

The Palace Car Magnate and the Manager of His Chicago Building Were the Victims Selected, and They Escaped Because He Hesitated Which to Kill First.

CHICAGO, Nov. 13.—The life of George M. Pullman and that of John B. Griffin, the manager of the Pullman building in this city, were menaced by an insane man last night. Both men were to have been shot and killed on or before the 17th and 87th of this month. The delay of the mashad it his month. The deray of the ma-niac in making up his mind as to who should be the first victim gave the police time to arrest him. The prisoner is Will-iam Sherman, who has been employed as a window cleaner around the Pullman building. A woman fortune teller is at present held responsible for the suggestion that placed the lives of Mr. Pullman and his manager in jeopardy, and the police are now endeavoring to find her, and ask why she advises her patrons to commit

After searching for some time they found him in the freight elevator, and took him into custody. He had no hesi-tation in declaring that he intended to kill either Mr. Pullman or Griffin, or both. He said that during the afternoon he had consuited a fortune teller, because he was unable to sleep. The woman told him that he was troubled by secret ene-mies, and that unless he killed them before Nov. 17 or 27 they would kill him. She described the men to him, and the descriptions were those of Mr. Pullman and

Mr. Griffin. The woman would not tell him the names of the men unless he paid her \$25. This he declined to do, as he knew the men by the descriptions she gave. Sher-man said that he would have killed one of the men yesterday afternoon if he could have made up his mind which to take first. The man is probably insane, and was removed to the Detention hospital.
