### TOM REED AT WASHINGTON.

**The Ex-Speaker Surprises His Friends by His Altered Appearance.**

WASHINGTON, Nov. 23.—Ex-Speaker Reed arrived in the city yesterday, and took up his old quarters at the Sherman. Mrs. Reed will not join him until later. Mr. Reed had shaved off his moustache, and his altered appearance was quite a surprise to the numerous friends who thronged the hotel last evening to pay their respects. Mr. Reed declined to be interviewed. "I would be gratified by a proper form for me to say anything about the critical situation that confronts the state and treasury departments," said he with a slight touch of sarcasm in his tone, "until we hear from the president. Mr. Cleveland has been so eminently successful in the past two years that we members of congress cannot do better than to await with becoming modesty, awe and resignation until he tells us what to do. Then it will be time for us to act, and perhaps, speak a bit also."

### Burglar and Jail Breaker Sentenced.

ELITE, Pa., Nov. 23.—John Conroy, a persistent jail breaker, was finally brought up for sentence yesterday. Conroy is a burglar and his partner is doing time for a job committed a year ago. He spent his time in the dungeon digging out and escaped just before court. When recaptured Conroy said he would plead guilty and get at his term of servitude. Judge Gunnison gave him two years and six months in the penitentiary.

### Hanged Himself to the Door Knob.

ROSE, N. Y., Nov. 23.—George Payne, while passing through the dining room yesterday morning, noticed a rope tied to the door knob of his mother's room, and the fingers of a hand clamping the edge of the door. He opened the door with difficulty, and there found his mother, aged 65 years, dead. She had hanged herself to the door knob, and was thus compelled to hold her knees off the door. Mrs. Payne's husband committed suicide on April 23 last by cutting his throat with a razor. This, and her ill health, it is believed, led the woman to suicide.

### ADDITIONAL WATER SUPPLY.

The Pottsville Water Company has Acquired Indian Run.

The shortage in the water supply, compelling it to secure water from Tumbling Run when the Eisenhower dam had become dry, has caused the Pottsville Water Company to secure additional sources.

On Saturday they became the owners of Indian Run, water right, by seizure, including about twenty acres. It flows into the west branch of the Schuylkill river near Allison's, a flag station on the Mine Hill division of the P. & R. Railroad, about four miles south of Mifflinville and about three miles north of Cressona. The stream has its source between Sharp mountain and Second mountain, and its length is about three miles.

It is the purpose of the company to pipe the water along the level as far as West Woods, and then pump it to a reservoir which will be created on the north side of Sharp mountain, within easy communication of Pottsville.
