Constitutional Convention Completed.
COLUMBIA, S. C., Nov. 27.—At 7:30 last night the constitutional convention practically completed its work, and a recess was taken until Tuesday next, when it will reassemble and ratify the constitution. A great deal of work was accomplished during the session yesterday, the most important being the striking out of the section allowing divorce granted in other states to be recognized in this, when the marriage took place out of the state and one or both of the parties was not a native or citizen of the state. The constitution goes into effect on Dec. 31.

Lambert's Third Death Sentence.
TRISTON, Nov. 27.—Governor West yesterday issued the death warrant of Theodore Lambert, of Camden, who murdered William Kairer. Lambert is sentenced to be hanged on Dec. 19. Lawyer Semple will make an appeal to the board of pardons for the commutation of sentence. This is the third time Lambert has been sentenced to death. On one occasion a stay arrived within fifteen minutes of the time set for the execution and while the horse containing a coffin for the body of Lambert stood before the jail door.

LIMA, O., Nov. 27.—An east bound freight train on the Pennsylvania road broke in two and ran together near Bleyer. Conductor Herron was thrown through a zaboose window and badly hurt. MADRID, Nov. 27.—Seventy bodies, of which thirty-seven were the remains of women, have been recovered from the ruins of the cartridge factory at Palma, Island of Majorca, which was blown up on Monday. It is now said that the explosion was caused by a workman who had been dismissed. Of the twenty-four injured persons taken to the hospital the majority are expected to die as a result of their injuries.

Dumas' Condition Worse.
PARIS, Nov. 27.—The condition of Alexander Dumas is slightly worse. He has great difficulty in breathing, which is relieved only by the inhalation of oxygen. In view of his remarkably strong constitution, however, the doctors are in hopes of prolonging his life. It is said that meningitis has supervened in the case of M. Dumas.

The Indian Mollusk Fraud.
BALTIMORE, Nov. 27.—Upon the request of Jacob H. Hoen, the father of little Joannita Hoen, who was killed by the Indian, Mollusk, of Buffalo Bill's troupe, State's Attorney Kerr yesterday nolle prossed the case against the Indian. The father wrote that upon investigating the case thoroughly he is convinced the death was wholly accidental. W. E. Cody paid all expenses attending the boy's death.

Refused to Sign White's Petition.
PARIS, Nov. 27.—M. Emile Zola has refused to sign the petition for the release of Oscar Wilde from prison, and most of the other literateurs who have been approached on the subject have either declined or returned ambiguous replies. It is likely, in consequence of these rebuffs, that the promoters of the idea of an international petition of writers for Wilde's release will abandon it.

Cuban Insurgents as Train Wreckers.
HAVANA, Nov. 27.—A band of insurgents derailed a train in the Calbarren district of the province of Santa Clara, killing many of the persons on board and wounding a number of others. The military escort on board the train made a brave defense, during the course of which both sides lost heavily. The insurgents burned the derailed cars.

FOOT BALL TO-MORROW.

Between the Shenandoah Team and the Champions of Eastern Pennsylvania.

To-morrow afternoon a game of foot ball, which will prove itself to be the strongest game played on the home grounds this season, will take place at the Trotting park between the home team and the Temperance team, of South Bethlehem. Both clubs have been in training for some time, and though it will hardly be a U. P. and Harvard game, some genuine sport may be looked for. The line-up of both teams is exceptionally strong and there is considerable interest manifested as to the outcome. The line-up is as follows: Shenandoah: Right End, McGee; Left End, Hickey; Right Tackle, Richter; Left Tackle, Gallagher; Right Guard, Fin; Left Guard, Lynch; Quarter Back, Hart; Full Back, Casey; Half Back, Gray; Substitutes—Hennessey and Troutman.

The visiting team will arrive shortly after dinner and will be quartered at Faley's restaurant. Game will be called at 2:30 o'clock, and an admission fee of 25 cents will be charged. Ladies will be admitted to the grand stand free.

The following members of the Columbia foot ball team will leave for Kutztown to-morrow morning to engage in a game with the Normal school team and will line up as follows: Left end, Staek; left tackle, Morrison; left guard, M. Sculan; centre, Conry; right guard, P. Sculan; right tackle, McDermott; right end, Carroll; quarter back, Sheely; left half back, Meehan; right half back, Ormsby; full back, Keogh. The team will also be accompanied with several substitutes, whose names have not yet been decided upon.

Sechrist, pastor of the English Lutheran church, will assist at the service. The collection will be donated to the aid of the J. T. of H. & T. public reading room. Upon the close of the service a meeting of the local branch of The National Reform Association will be held to take action on the election of a delegate to the national convention.

Satisfaction guaranteed by Bell, the plumber.

Dr. Conwell's Address.

Dr. Conwell, of New Jersey, delivered a very entertaining, instructive and impressive address last night in the First Methodist Episcopal church, on East Oak street, to a mixed audience. His theme was "Young Men." He showed at what age the boy becomes a young man and at what age he passes out of that sphere. He dwelt at some length upon the duties of young men, the choosing of a business, or profession, the building of character, and marriage, and the settlement in home life, as well as the all important matter of choosing Christ and His religion.

Safer and More Satisfactory.

From Hazleton Plain Speaker.
The Shenandoah HERALD and other Schuylkill county papers are advocating the adoption of the Crawford county system of nominating candidates. This method is safer and more satisfactory to the citizens, not to the prospective candidates, however, and if adopted in Schuylkill it would be much of an improvement over the system now in vogue.
