THE TURKS ARE DILATORY

The Sultan Makes No Hast to Fulfill His Pledges.

THE PORTE ANTICIPATES TROUBLE

And Has Made Warlike Preparations at the Dardanelles—Meantime There Comes News of Further Massacres and Confirmation of Others.

CONSTANTINOPLE, Nov. 25.—In spite of the assurances which the Turkish minister for foreign affairs, Tewfik Pasha, gave the ambassadors of Great Britain, Russia, Austria and Italy on Wednesday that the firm allowing the passage through the Dardanelles of four extra guard ships for the use of their embassies would be immediately issued by the porte, the necessary documents have not been forthcoming. Consequently a serious condition of affairs, which was looked upon as having been definitely cleared up, is now again perplexing the ambassadors and threatening to cause the adoption of strong measures upon the part of the powers.

The answer of the powers to the request of the porte that they refrain from pressing their demand for the extra guard ships was that they could see no reason not to support the demands of their ambassadors for more effective means of protecting the foreign residents of Constantinople in an emergency, and in the presence of this unanimous reply it is considered in foreign official circles that the sultan has no alternative but to yield, especially in view of the extra gunboats conveyed through the Dardanelles by battlements of the sultan. Indeed, it seems highly probable that the ambassadors have already determined not to wait beyond a certain time for the firmans. That the porte anticipates trouble is evident from the fact that all the forts about the straits are now fully manned and supplied with ammunition, and have been placed in the highest state of efficiency compatible with the circumstances. Search lights are kept in good order, and are worked nightly over the waters. For over a month past the work of strengthening the fortifications in this vicinity, and particularly about the Dardanelles, has been in progress, and it is understood that the system of submarine mines and torpedoes has been practically completed so far as the resources of the government will allow it.

It is reported that the extra gunboats of the powers have commenced to arrive at the entrance to the Dardanelles, and are now awaiting permission to pass the straits.

The anxiety caused by the absence of direct news from Syria increases. It is reported, however, that large numbers of Turkish troops have been drafted there and a religious war seems imminent. The soldiers are said to be bearing the green flag of Mohammedanism instead of the regular Turkish flag; denoting, it is declared, that although the authorities assert this mustering of fighting men is for the purpose of putting down the insurrection of the Druses, a wholesale onslaught upon the Christians of Syria may be anticipated. Jerusalem is said to be crowded with Turkish troops, and Palestine is reported to be overrun with the soldiers of the sultan. This is considered to be one of the most dangerous features of the present situation.

Another dispatch states the whole of Syria and Palestine are flooded with Turkish soldiers, and that in the country between Jaffa and Jerusalem there are 90,000 troops, all raised within the last twenty days.

The embassies here have learned that in the massacre at Marash on Nov. 18 a thousand persons were killed. The Christian quarters of the town were burned from three points. A letter received here describing previous massacres says that before it commenced the town crisscrossed the Christian shops to be opened under a penalty for refusal. It was then that the pillage and murder began. The writer of this letter, who had been a great philo-Turk adds that there was no sign of either a rising or of resistance on the part of the Christians.

The embassies hear from their consuls that all possibility of rendering assistance to the Sassanites who were the victims of the outrages at that point has been ended, and that the Kurds are wiping them out of existence, and have destroyed all the buildings which have been erected by the expenditure of the English relief fund. A similar story comes from the Van country, where the disturbances continue as badly as ever.

The proposed naval demonstration by the powers against Turkey is now regarded as futile as a restraining influence. The latest news received from the interior of Turkey has a depressing influence on the diplomatic circle. Reports have been received that renewed attempts to massacre the surviving Armenians at Erzeroum have resulted in eight being killed. Some of the priests, in sheer despair, are advising their flocks to save their lives by embracing Islam.

Squeezed by a Car.
Hugh Harkins, 23 years old and residing on the alley between West Lloyd and Coal streets, was badly squeezed about the hips and abdomen by being caught between a car and a piece of timber in the Suffolk colliery this afternoon. He is a laborer but took the driver's place to-day and was engaged in unbiting the mule when the accident occurred. Dr. W. N. Stein is in attendance and says the injuries are very serious.

An Excellent Affair.
The annual turkey supper in Robbins' hall last night, under the auspices of All Saints' Protestant Episcopal church, was a most successful and enjoyable affair. The patronage was very large and the service perfect. The supper was given at the residence of George T. Llewellyn, of North Jardin street, the district superintendent of the company. After partaking of the supper the insurance men went to the company's headquarters in the Rykniewitz building, where several hours were spent very pleasantly. There were recitations and songs and addresses by T. J. English, of Mahanoy City; Mr. Broderick, of Ashland; W. J. Walsh and J. F. Collier, of town.

Object of the Purchase.
It has leaked out that Mr. Brennan, who purchased the Powell property at the corner of Jardin and Oak streets, a few days ago, was not acting for himself, but in behalf of the Columbia Brewing Company, and that a great change will be made in the property. All the frame structures on it will be razed and supplanted by two-story brick buildings fitted up as modern stables for use by the brewery teams. The stables will cover the full width of the property, thirty feet, from Jardin street to Pear alley.

BETHLEHEM IS VANQUISHED

Coal Diggers Too Much For the Sturdy Iron Workers.
WAS A HARD, STUBBORN BATTLE,

Although the Home Team Showed Superiority Over the Visitors at Many Points, Notwithstanding the Size and Weight in the Latter's Favor.

Sixteen sturdy iron workers from Bethlehem came to town yesterday to show Manager Fahy's foot ball team by what right they claimed the foot ball championship of Eastern Pennsylvania and about six hundred people gathered at the Trotting park to see them do it. Every man on the visiting team was tall enough, and appeared heavy and strong enough to handle two men of the home team, and that the latter won the game is no more of a surprise to the Bethlehemians than it was to the home people.

The game opened with Shortall kicking the ball to the 25-yard line of the visitors and Capt. Gray got the ball, but was downed on Bethlehem's 30-yard line. Davis then made a gain of 10 yards around Shenandoah's right, which was followed by another slight gain, after which the visitors caught the home team napping and by a neat trick scored the first touchdown after play of 6 minutes. On the line up Bethlehem's quarterback passed the ball to the left halfback. In the manoeuvre the latter purposely fumbled the ball, unobserved by the Shenandoahs, who struggled with him, while King picked up the ball and ran around the right end. The trick was not discovered until King had a big lead and he scored the touchdown after a run of 90 yards. Hari kicked the goal and made the score 6 to 0 in favor of Bethlehem.

Shenandoah got the ball on the kick off and the team pushed their heavy antagonists about at will. Shortall went 10 yards through the centre with excellent assistance by Lavelle. Gains of 8 and 11 yards through the same place were quickly added and Fahy made a run of 15 yards around the right. It was a story of steady gains for Shenandoah until the expiration of 13 minutes, when Shortall made the touchdown and kicked the goal, leaving the score 6 to 6.

Bethlehem got the ball on the kick off through a fumble by Wertz. At this point Shortall was so badly choked by Casey that he was unconsious for almost two minutes. This made the Shenandoahs fight with more determination than ever. Gains of 7 yards by Fahy and 8 by R. Rose was followed by a 25 yard run around Bethlehem's left by R. Rose, another gain of 4 yards by Fahy, and gains in rapid succession through Bethlehem's centre in which Shortall and Frost figured until Fahy made a run of 30 yards around Bethlehem's left. He was downed just outside the goal and fumbled the ball, but McHale dropped upon it and scored the touchdown in 61 minutes. Shortall failed to kick the goal and left the score 10 to 6 in favor of Shenandoah.

On the kick off R. Rose got the ball and made 10 yards. During the struggle here McHale had his lower lip badly split. He was succeeded by Davis. Capt. Gray was knocked out at the same time, but recovered and played. Fahy got 30 yards around the right, but after this the fight was so stubborn that Bethlehem got the ball on 4 downs and no gains. Slight gains for Bethlehem were backed up to a 10 yard gain for Hickey, but on a fumble Fahy got the ball for Shenandoah just as time for the first half was called.

After an intermission of 5 minutes the teams lined up again for the second half, which was to last 25 minutes. A Rose fumbled the ball on the 30 yard line after the kick off, but McCormick quickly recovered it. It was then nip and tuck until finally Bethlehem got the ball on 4 downs and no gain. The Bethlehemians had made two changes in the team, C. and M. Mack succeeding Hart and Doyle, the latter limping off with an injured leg. The fresh blood seemed to greatly help the visitors and they got the ball dangerously close to the Shenandoah goal when a bad fumble was made. Wertz picked up the ball and made a grand dash of 75 yards. He got the ball within Bethlehem's 15 yard line before he was downed. The Bethlehemians saw the game was slipping through their hands on a bad blunder at a critical point and claimed that one of the Shenandoah guards had made an off side play. This was not allowed and the visitors left the field amid great shouts and cheers over the score of 10 to 6 in favor of Shenandoah. Bethlehem's manager, M. J. McBride, was the umpire. J. W. Burke, of town, was the referee and J. F. O'Hearn, of Mt. Carmel, and Richard Cleary, of Mahanoy City, the linesmen.

The teams lined up as follows:

Temperance	Shenandoah	
King	Right End	Frost
Lynch	Right Tackle	A. Rose
Richies	Right Guard	McHale
Galagher	Centre	Lavelle
Finis	Left Guard	Fahy
Hickey	Left Tackle	Ringeliser
Morris	Left End	McCormick
Capt. Gray	Quarter Back	Wertz
Casey	Left Halfback	Fahy
Hart	Right Halfback	R. Rose
Doyle	Full Back	Shortall

Standing Room at a Premium.
The large attendance at the theatre last night, to witness the production of "The Last Paradise" by Miss Ethel Tucker and her strong company, were well repaid. The house was packed, standing room being at a premium, and many were turned away. The play is the best in Miss Tucker's repertoire, and deals with the working classes and their oppression by capitalists. The thrilling climax of the second act brought forth hearty applause. In this act especially did the star display her artistic ability, and the support by Mr. Melton was the finest seen on the local stage. He is an actor of rare ability and will retain a warm spot in the hearts of Shenandoah theatre-goers. They will produce "Called Back" to-night.

Explosion of Gas.
Levan Sagovicz, 35 years of age and unmarried, was burned about the head and hands by an explosion of gas in a chute of the West Shenandoah colliery this morning. The body of gas was small and the burns were not of a dangerous character. The victim was sent to the Miners' hospital.
