EVENING HERALD

SATURDAY, NOVEMBER 30, 1895.

SHENANDOAH SELECTED.

We are to have a Business College and School of Shortland.

The celebrated Wood Brothers, famous in Business College work, will organize a College of Business and Shortland in our town. The institution will be elegantly furnished and compare favorably with any school in our large cities. As the above gentlemen have a national reputation they will add much to the financial and educational interests of our town. 11-28-95

Foot Ball Notes.

Some people urged Manager Fabey not to pay the Bethlehemites the \$100 guarantee because they refused to finish the game, but aside from other considerations, he was too shrewd a manager to do that. Bethlehem may make him a tempting offer some day and if he goes there he will expect what is guaranteed.

In the distribution of laurels for the Thanksgiving Day game the people must not over look Faust and Ringeliser. They performed great work with Lavelle in backing the center.

Bethlehem has defeated Shamokin three times and Shenandoah has beaten both teams. Send us something that will bring out the full ability of our team.

The college foot ball season is closed, but the Shenandoahs are still hunting for teams to conquer.

The Shenandoah team puts up a great game of foot ball and should be liberally patronized.

School Shoes.

At Womer's. The best service for the least money, that is why we shoe about half the children of Shenandoah. 11-27-95

Important Petition.

A petition, already signed by sixty thousand men and women, will be presented to the Board of Education of Chicago, that the Bible may be read in the public schools "in a nonsectarian manner." Letters of indorsement have been received from Cardinal Satolli and several Roman Catholic bishops, one archbishop, two Jewish rabbis, Bishop Fallows, of the Reformed Episcopal church; President Harper of the University of Chicago, (Baptist), and President Rogers, of Northwestern University, (Methodist). If the Board of Education looks favorably upon the proposal, it is reported that a committee representing the various churches will be selected to prepare passages acceptable to all from the Holy Scriptures.

atheists and some of the agnostics will protest; we shall see on what ground.

Funerals.

The funerals of Mrs. Elizabeth Welsh, of West Cherry street, and John W. Dougherty, of West Centre street, took place this morning. The services were held in the Amputation church and interments were made in the parish cemetery.

The funeral of Richard Davis, of Turkey Run, also took place today. It was attended by members of Major Jennings Council No. 327, J. O. U. A. M. Interment was made in the Odd Fellows' cemetery.

J. Donaldson Ford's Good Luck.

Dr. J. Donaldson Ford, of Girardville, has come into possession of property in Baltimore, Md., by the death of his wife. The latter died in 1891, and willed the property to her husband, but her sister contested the will. The court this week decided in the doctor's favor, and he comes into possession of \$19,000.

Says It's Not True.

EVENING HERALD.—We do not know through what "leaky" tub you got the information published in your paper last evening in relation to the purchase of property on the corner of Jardin and Oak streets, by Mr. Brennan for this company, and the subsequent purpose of erecting a two-story stable thereon. We wish to say the statement, as far as this company is concerned, is false. Of Mr. Brennan's purpose we are not informed. COLUMBIA BREWING CO., W. M. BREWER, Pres. Shenandoah, Nov. 30, 1895.

MAKES PEOPLE WELL.

Most Remarkable Remedy in the World.

One True Medicine for Lost Nervous Strength.

Cures Effected by Paine's Celery Compound.

What Scientific Research Has Accomplished.

Proved by Successes Where All Else Has Failed.

There is one true specific for diseases arising from a debilitated nervous system, and that is the Paine's celery compound, so generally prescribed by physicians. It is probably the most remarkable remedy that the scientific research of this country has produced. Prof. Edward E. Phelps, M. D., LL. D., of Dartmouth college, first prescribed what is now known the world over as Paine's celery compound, a positive cure for dyspepsia, biliousness, liver complaint, neuralgia, rheumatism, and kidney troubles. For the latter Paine's celery compound has succeeded again and again where everything else has failed.

Washington correspondents have recently given it a great deal of attention since the most wonderful cure effected in the case of Commodore Howell.

The medical journals of the country have given more space in the last few years to the many remarkable cases where the use of Paine's celery compound has made people well than to any other one subject.

Special Sunday Service.

Prof. O'Malley, of the Mahanoy City Business College, will preach in the First Methodist church to-morrow evening at 6:30 o'clock. His subject will be, "The greatest eternal changeless law." Mr. O'Malley is a graduate of Kentucky and Toronto universities, holding the degree of B. A., also degree from College of the Bible, Lexington, equal to B. D. of the Chicago University. He is also a graduate of a leading business college. The public is cordially invited to attend the service, as a treat is in store for all who take advantage of the opportunity.

Goldin's Mammoth Clothing House, 9 and 11 South Main street, Shenandoah.

The application for the new Council in town will soon be in circulation, with the prospect of a large number of applicants.

William B., superintendent of the Pottsville Water Company; John, assistant mining engineer for C. & I. Co., Ashland; Alice and Sallie M., Pottsville. The funeral will take place Monday afternoon.

Wedding at Wm. Penn.

Andrew S. Birkelbach and Miss Sarah A. Baskyfield, both of Wm. Penn, were married at the Methodist Episcopal parsonage at that place on Thursday evening, by Rev. Ephraim Potts. Misses Annie Kline and Carrie Birkelbach were the bridesmaids and Messrs. William Chalmers and Joseph Taggart the groomsmen.

Two Miners Closed in.

Frank Mullen and Thomas Drudy, of Ashland, were working in the gateway at the Potts colliery when the water holes gave out closing the gateway. Mullen was caught by the fall of coal and had his leg broken, while Drudy's hand was badly smashed.

A Steamship Pool.

The transatlantic steamship companies have formed a pool to raise the steerage rates. There will be an increase of \$10 over the present rate. Those wishing to purchase tickets should do so before the new rates go into effect. Call on T. T. Williams, steamship agent, No. 4 South Jardin street.

Church Dedication.

The new edifice of the German Lutheran church, at Tamaqua, will be dedicated to-morrow. Rev. John Grubler, of town, will deliver a sermon at one of the services during the day. The cost of the structure is \$15,000.

Telegraphers' Examination.

The telegraph operators all over the Lehigh Valley system are being subjected to a rigid examination by Michael J. Lennan, of Lehigh Creek, dispatcher for the Lehigh Division. No failures have yet been reported in this section.

The Peanut Ballot.

What has become known as the peanut ballot case was called for trial yesterday at Pottsville. In 1894 the County Commissioners asked for bids for printing the ballots. The three Pottsville papers offered to do the work for \$8,000, while J. Harry James and Barron & Hartman, of Ashland, bid \$4,900. The latter claim the contract was awarded to them, and they submit it to the Pottsville papers, with the understanding that they receive \$400. In the meantime the Commissioners and the Controller received a bid from an Allentown firm to do the work for \$1,970, and the latter were awarded the work. In their defense the Commissioners say that representatives of the three Pottsville papers called upon them and stated that the work could not be done for \$4,900, and that they represented the Ashland people and were authorized to refuse to accept the contract at the price given, claiming it could not be done for less than \$8,000.

High-Grade Pianos.

The carload of Malcolm Love Pianos arrived yesterday morning. They are now on exhibition in O'Neill Bros' warehouses. To say that it is a fine lot of pianos is putting it mildly. It is without doubt the most magnificent selection of high-grade pianos ever shipped into Central Pennsylvania. Our people will do well to call and see them. O'Neill Bros. are the sole agents for the Malcolm Love Pianos. Intending purchasers will confer a favor by consulting the Messrs. O'Neill before buying elsewhere. Their pianos are offered at the lowest possible prices consistent with the quality of the goods.

The Cemetery Clearing.

Michael O'Hara, who was awarded the contract for clearing two acres of the Annunciation cemetery of rocks and stones, has commenced the work. A large force of men and several teams of horses are engaged in it under the foremanship of James R. McHale.
