EVENING HERALD

MONDAY, DECEMBER 2, 1895.

SHENANDOAH SELECTED.

We are to have a Business College and School of Shorthand.

The celebrated Wood Brothers, famous in Business College work, will organize a College of Business and Shorthand in our town. The institution will be elegantly furnished and compare favorably with any school in our large cities. As the above gentlemen have a national reputation they will add much to the financial and educational interests of our town.

Abolishing Days of Grace.

The law abolishing days of grace in Pennsylvania will take effect January 1, and will apply to all paper made on or after that date. This change involves a departure from methods which are as old as the country itself. There will be considerable annoyance and confusion incident to the change, until the public becomes accustomed to the new method. On January 1, and for quite a period thereafter, there will be two classes of paper current—that made prior to the new year, which will bear grace, and that dated January 1 and after, payable without grace. Until the old paper disappears entirely—and we shall be confronted now and then with a straggling note of the old form even for years to come—the community will need to keep a close watch upon all bills receivable.

Pan-Tina: What is it?

The greatest cure for coughs and colds. At Grahler Bros., drug store.

Farewell Appearance.

Another large audience greeted Miss Ethel Tucker at her farewell appearance Saturday evening, when "A Hoop of Gold" was presented. The work of the star was up to her standard. The universal verdict is that the company is the strongest seen here for some time, and a return engagement would pack the theatre. The attendance during the week clearly demonstrates the fact that Shenandoah is a good show town for first-class companies, but not a very congenial place for barn-stormers.

It Hits the Spot That's Right.

What? Pan-Tina for coughs and colds. At Grahler Bros., drug store.

More Charges Presented.

Ex-Deputy Revenue Collector William Burke, who has become famous in the charges against Internal Revenue Collector Herring, is said to have again sent a list of charges to Washington accusing the collector. The new charges are written in a bulky document and are now in Commissioner Miller's hands, having been turned over to him by Secretary Carlisle.

Mahanoy City Business College.

This excellent college, at 205 East Centre street, gives Commercial, Shorthand and Typewriting courses equal to any in the state at the very lowest rates. Individual instruction. Day and evening classes. Students constantly entering. Catalogues free. 10-14-15 G. W. WILLIAMS, Principal.

Miss Accidents.

John Umbenhower, of Pinegrove township, was instantly killed by a fall of top coal at the Lincoln colliery.

While Thomas McTrafif was walking down a roadway in the Richards mine, near Mt. Carmel, he was instantly killed by a large rock falling on him.

Michael Daley, of Shamokin, was buried beneath a fall of coal in the Pennsylvania mine and instantly killed. He was 21 years old.

A Steamship Pool.

The transatlantic steamship companies have formed a pool to raise the steerage rates. There will be an increase of \$10 over the present rate. Those wishing to purchase tickets should do so before the new rates go into effect. Call on T. T. Williams, steamship agent, No. 4 South Jardin street.

Five Fatal Accidents.

According to the report of Mine Inspector Brennan of the Shamokin district, there were five fatal and twenty-five non-fatal accidents during the month of November.

JUDGE LYON WILL CONTEST.

His Friends Believe That Mr. Dunn Was Elected Illegally.

There have been many rumors afloat in political circles during the past week of an election contest on the part of Judge T. H. B. Lyon against P. M. Dunn, Esq., who was elected to preside over the Orphans Court by a majority of 70. Subsequent events have shown that the friends of Judge Lyon are in earnest. A telephone message from W. Potts Ramsey, Esq., of Mahanoy City, to the HERALD this morning confirms the rumors.

Mr. Ramsey is the legal representative of the Judge, and in the conduct of the contest will have associated with him Hon. John W. Ryou. Mr. Ramsey stated that the specific charges upon which the contest is based are the counting of irregular and fraudulent votes in the election districts of Minersville and Cass township, and that there were sufficient ballots of this nature to change the result as announced by the election board.

The three president judges "nearest to the court house of the county" will compose the court conducting the contest, which will include Berks, Carbon and Columbia counties. The president judges of these counties are Judges Emmenton, Craig and Decker, all Democrats.

The contest must begin within 30 days after the election, and the petition presented to the Attorney General must be signed by fifty qualified electors, upon the receipt of which the Governor designates the judges above to convene without delay for the purpose of conducting the contest.

It is also rumored that Charles E. Breckon, Esq., will institute a contest. He was defeated by Edgar W. Bechtel, Esq., by 189 votes. He has not definitely decided to do so. A contest for the office of District Attorney, however, must be tried by the Court of Quarter Sessions.

These contemplated contests have caused quite a commotion in political circles. Should the contestants fail to prove their claim they are liable for the costs, otherwise the county must foot the bill.

ARE YOU PROPERLY CLOTHED?

Goldin's Mammoth Clothing House, 9 and 11 South Main street, Shenandoah.

Grant Band Masquerade Ball.

Extensive preparations have been made for the masquerade ball this evening, under the auspices of the Grant Band. It will be held in Robbins' opera house, and the hall has been decorated in artistic style. The music for the grand march will be furnished by the full band, while the dancing music will be rendered by the famous Schoppe orchestra in their inimitable style. The committee has spared neither time nor money in their endeavors to afford the participants an enjoyable evening. The attendance will include people from many towns throughout the county.

Dr. Wood's Norway Pine Syrup seems sent as a special providence to little folks. Pleasant to take, perfectly harmless, absolutely sure to give instant relief in all cases of cold or lung trouble.

The Gorman Mystery.

No new developments are recorded in the Mill Creek mystery, whereby Mrs. Gorman was foully murdered in her own home, although the authorities are still sending broadcast descriptions of the supposed murderer. Charlie Johnson, alias Charles Ryan, the boy tramp who was held in suspicion of being implicated in the deed, was on Saturday taken to his home in Middletown, N. Y., by his father, who was sent for by District Attorney Ryan. The boy is only 14 years old and left home last May with the tramp who was arrested with him and is still confined in the county jail.

PITHY POINTS.

Happenings Throughout the Region Chron-icled for Hasty Perusal.

A Minersville editor is dunning his readers for subscriptions, and the latter refuse to pay because they say he gives them nothing to read.

Andrew Ferguson, outside foreman at Elmwood colliery, was presented with a gold-headed cane and handsome chair by the outside employes at that colliery.

Milton Clauser, of Minersville, was defeated by William James, of Williamstown, in a pigeon match on Saturday for \$250 a side. The latter killed 18 out of 23 birds, while Clauser only killed 9.

Rev. Wm. Wetzel, of Ohio, accompanied by his wife and four children, came to Shamokin two weeks ago on a visit to his father, who is also a minister. Last week one child died from scarlet fever. Yesterday another expired from the same cause, while the other children are critically ill.

Have the leaks in your gas and water mains repaired by P. W. Bell, the plumber.

High-Grade Pianos.

The carload of Malcolm Love Pianos arrived yesterday morning. They are now on exhibition in O'Neill Bros' warehouses. To say that it is a fine lot of pianos is putting it mildly. It is without doubt the most magnificent selection of high-grade pianos ever shipped into Central Pennsylvania. Our people will do well to call and see them. O'Neill Bros. are the sole agents for the Malcolm Love Pianos. Intending purchasers will confer a favor by consulting the Messrs. O'Neill before buying elsewhere. Their pianos are offered at the lowest possible prices consistent with the quality of the goods.

Alms-house Employes Injured.

On Saturday afternoon while several alms-house officials were driving to that institution, the horses plunged down a steep embankment and landed in an old abandoned canal. The carriage was turned over and the occupants thrown to the ground. Chief Clerk John Gressing had two ribs broken, Peter Wachter received an ugly cut about the head and would have bled to death had not medical attention arrived promptly. The other two occupants were Wash Orme and Teamster Hether. The latter was badly shaken up, while the former escaped without injury. The carriage was demolished and one of the horses badly cut about the legs. Mr. Gressing had with him the monthly salaries of the alms-house employes.

Buy Keystone flour. Be sure that the name LESZKO & BAKER, Ashland, Pa., is printed on every sack.

A Local Tattersall.

William Neisewter to-day put a force of men at work remodeling his stables on West Coal street to make them resemble the famous Tattersalls, of Philadelphia. The cellar, first and second floors will be fitted up in the latest lively and sales stable style. They will be occupied solely by stalls, with the exception of a space on the first floor which will be used for the display of horses at weekly sales. The third story will be used for the storage of carriages, wagons, hay and feed. Mr. Neisewter has established a lucrative horse dealing trade, his sales attracting people not only from all parts of this region, but from many distant points, and he is making his headquarters the best equipped in that line of the business outside of Philadelphia.

For carache, put a couple of drops of Thomas Electric Oil on a bit of cotton and place it in the ear. The pain will stop in a few moments. Simple enough, isn't it?

A New Breaker.

A new structure will take the place of the old Tunnel Ridge breaker, and it will be equipped with the latest improved machinery. Work began to-day, and it will be erected about fifty yards from the old site. The Elmwood and Tunnel Ridge collieries will be combined by underground tunnels.

When you want good roofing, plumbing, gas fitting, or general tin-smithing done call on E. F. Gallagher 18 West Centre street. Dealer in stoves. 8-1-14

Coming Events.

Dec. 2.—Grand masquerade ball in Robbins' opera house under the auspices of the Grant Band.

Dec. 4.—33d annual supper of the Welsh Baptist church in Robbins' opera house.

Five Drowned in the Monongahela.

UNIONTOWN, Pa., Dec. 2.—Joseph Pickup, Mrs. Missouri McIntosh, Mrs. Ethel Stephens, Jacob Baking and Joseph McIntosh were drowned in the Monongahela river below Brownsville Saturday midnight. They were returning in a skiff from Brownsville to their homes at Woods Run, and got too close to the steamer James G. Blaine, which was coming up stream. The waves upset the skiff, throwing them all into deep water. Nothing could be done to help them in the darkness. The bodies were recovered.
