GUTHRIE, O. T., Dec. 31.-Henrie Harrison, living near Mound City, got up dur-ing the night and, failing in the fireplace, given a duty to perform, the fulfillment or neglect of which has a corresponding effect

A PREVALENT DISEASE.

NOT NECESSARILY DANGEROUS BUT MAY BECOME SO.

American men and women suffer from a

very general disease—dyspepsia, Dyspepsia has many symptoms. Thin, pule poople are genorally dyspeptic. Hollow checks, had breath, acid eructations, palpi-nation of the heart, hot and cuid flushes, headaches, naussa and vomiting, all these are conceptions of dynamais.

headaches, namea and vomiting, all these are symptoms of dyspepsia. What does dyspepsia mean? In two words, imperfect digestion. How can we remedy it? Not alone by resort to drugs. We must rest the stomach. Tor this purpose we must put into it a food which is already digestest and which will aid the digestion of other foods. We must take Shaker Digestive Corflial, for this is just such a preparation. It contains food which will be absorbed at once. It also con-tains principles which will assist the direc-tion of other foods, while last but not least, it contains a combination of these drugs in the relification of which the Shakers have been so successful, and which act by stimu-

the cultivation of which the Shakers have been so successful, and which act by slimu-lating the liver and bowels. Impartect digestion is often caused by over-work of the digestive apparatus, how much food, food eaten too quickly, nervous worry,

The Shaker Digestive Cordial is the most successful remedy for indigestion that has ever been made. A single 10 cent bottle will afford relief in most cases, although this small quantity cannot be expected to effect a

periest cure. If you find it suitable in your own case, continue its use. All druggists keep it and can supply you with an interesting descrip-tive pamphlet. FATAL NEGLECT OF DUTY.

It Results in Two Deaths and Fatal In-

juries to Three Others. CINCINNATI, Dec. 31.-Two passenger trains collided last night on the Baltimore and Ohio Southwestern railway near Coal City, fourteen miles from Cincinnati, Two persons were killed and six injured. Both engines were totally wrecked, as the engineers had little time to check their speed. The combination car of the Louisville express and express car on a train fight that the crowd halted and wavered,

from St. Louis were telescoped. The dead are: Fireman Wilson, of the and the negro escaped. Louisville express, and an unknown man who was buried under the wreck.

The most seriously injured are: Firemen Herman Braning, of the St. Louis train; Jacob Baner, of Lawrenceburg, Ind., and Alonzo Pruett, engineer of the Louisville express. It is feared that these are fatally hurt

A special train arrived at midnight with the injured, and they were at once taken to the Betts Street hospital. The cause of the accident was the failure of the operator at Sorrs Station, within the city limits, to report to the Louisville train an order to wait at Delhi and let the St. Louis train pass if there.

Electric Bitters.

Electric Bitters. Electric Bitters is a medicine suited for any senson, but perhaps more generally needed in the spring, when the languid exhausted facing prevails, when the liver is torpid and sluggish and the need of a toric and altera-tive is felt. A prompt use of this medicine has often averted long and perhaps fital billions fevers. No medicine will act more surely in conntenacting and freeing the sys-tem from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. Only fifty cents per bottle at A. Wasley's drug store.

Talk of Lynching in Arkansas.

WAT ED TO "SEE HER JUMP." Three Little Boys Try Train Wrecking for Amusement.

BRIDGSPORT, Conn., Dec. 31. - Three youthful train wreckers were acrested yes torday. They are Fred Hashneli, Willie Naegle and Peter Graham, all 11 years old. On Sunday the boys were playing together a mile north of here. It was cold and a fire was suggetted. Naegle went home and got an ax. These the three looked around for firewood, and decided to chop down the Look out for the locomotive when

sign:

the bell rings." After domolishing the post and starting Munyon's Dyspepsia and Stomach Remedy a fire one of the boys suggested that the bits of iron which fastened the sign to the post be laid upon the track, "to make the wheels jump." Thereupon a heavy brace was jammed into a switch frog. Along came a passenger train. The wheels jammed the iron down between the switch points and passed on. Then the boys pried up one end of the iron, jammed stones under it, and walted at a safe distance.

Along came the New Milford milk train. and "the wheels jumped up." The boys were delighted. They enjoyed the scared look on the faces of the train crew. The jouncing overturned many of the milk cans, but strangely enough none of the cars left the track. All the wheels cause down upon the rails, and the train load of milk rushed on. The matter was instantly reported to Superintendent Lyon and the boys were captized.

A Desperate Negro's Plucky Escape,

ST. LOUIS, Dec. 31 .- A negro who has for some time been stealing from the butchers and hucksters at the Union market house was caught in the act yesterday A crowd of angry men selzed him, bound his wrists, put a rope around his neck and strung him up by a block and tackle hanging in the market house. The negro was a fellow of great nerve, and while his tongue was protruding from their sockets he and his eyes bulging from their sockets he and his eyes buiging from their sockets he made a violent struggle, broke the cord which bound his arms, pulled a big knife
