Successful Entertainment.

A cantata entitled "The Jolly Farmers" was produced at the Primitive Methodist church last night. Despite the very stormy weather the audience was a very large one and the entertainment was a gratifying success financially and otherwise. The principal parts were taken by Misses Lizzie Jones, Nellie and Sarah Hough and Mr. Edward Cooper, who were very ably assisted by the church choir and members of the Sunday school. As many people missed the entertainment on account of the storm an urgent request has been made that there be a reproduction for the benefit of these people and others who may wish to witness the cantata, and the request will be complied with in the near future. Due notice will be given.

May Buy the Eagle Farm.

The Board of Trustees of the State hospital have under consideration the purchase of the Eagle farm at Fountain Springs, through which they will secure one of the most valuable water rights in the region. During the past summer the hospital water supply has been secured from the Eagle farm at a daily cost of \$2.00, and the supply was always abundant. The trustees think that it would be a good investment, as it would add largely to the hospital stores, and at the same time bring in a good rental. Mrs. Engel holds the property at \$17,000.—Ashland Telegram.
