We therefore invite our readers to a perusal of them before they start out on their shopping tours.

THE railread corporations of the state which failed to make export to the Department of Internal Affairs, as required by law, and which were certified to the Attorney. STOCK AND PRODUCE MARKETS. General for collection of the penalty of \$5,000 Closing Quotations of the New York and each, are pleading for mercy. They give through their efficers all manner of excuses for their conduct, and promise never to do it again. For years the department has been cent excitement. Closing bids, harrassed by the failure of these companies to make their reports, and it was decided this year to coforce the penalty. In some cases the penalty will probably be remitted, but in the aggravated cases it will be

# THE SPRING ELECTION.

The time is drawing very near for the The time is drawing very near for the Spring election, and those members of the Citizens party who contemplate seeking the suffrage of the people for borough offices have very little time in which to get their flavour the suffrage of the people for borough offices have very little time in which to get their flavour the suffrage of the people for borough offices the suffrage of the people for borough offices the suffrage of the people for borough offices and 20 c. asked for January. Hay firm; the suffrage of the people for borough offices and 20 c. asked for January. Pork higher; old mess, \$10 \( \) 10.50; short clear, \$10.75\( \) 12.25; done so. According to the published notice of the Citizens Exceptive Committee, all mittee not later than the 17th inst. It will thus be seen that but one week remains for prospective candidates to bring their names properly before the primaries, and a failure to do so will be no fault of the committeemen,

published in the TERRALD, and were adopted a me that "all candidates for horough or ward Veal culves \$6.000.7,0 common, \$502.00 lambs, \$525.00 offices must notify the accretary of the compattee within such time as may be designated by said committee of their intention to become candidates, giving their full names and addresses, stating the offices for which they are candidates and paying to the committee stuck sums of money as may be hereafter stated, as assessments towards the payment

The names of all candidates will be placed spen one ticket, to be furnished by the Standing Committee, and the voter will place a cross (x) opposite the names of the candidates he desires to vote for:

The prospects of victory for the Citizens party in Pohruary were never trighter, and in none of the wards are bitter factional. fights anticipated, as has been the case on several occasions in the past. Friendly and spirited contests for the different offices are to be expected, and should be encouraged. When these contests are conducted in the proper spirit they leave no sores to heal and create an active interest in the election on the part of the voters. Every member of the party has a right to aspire for political preferment, but in doing so they should grant to their opponents the same rights vouchsafed

to themselves, and if defeated accept the result with good grace. If this spirit will govern the candidates in the present contest, victory will crown our offerts.

#### It's a Curious Woman

M's a Curious Woman
who can't have confidence in Dr. Pierce's
Favorite Prescription. Here is a tonic for
tired-out womanhood, a remedy for all its
peculiar ills and ailments—and if it doesn't
help you, there's nothing to pay.
What more can you ask for, in a medicine?
The "Precription" will build up, strengthen
and invigorate the entire female system. It
regulates and promotes all the proper functions, improves digestion, enriches the blood,
dispels aches and pains, brings refreshing
sleep, and restores health and vigor. In
"female complaints' of every kind and in all
chronic weaknesses and deraugements, it's
the surest remedy.

The surest remody.

Nothing arged in its place by a dealer, though it may be better for him to sell, can be, "just or good" for you to buy. Send for a free pain, blot. Address World's Dispensity Medical Association, Buffalo, N. Y.

Dr. Pierce's Pellets cure constipation, piles, illiansness, indigestion and headaches.

#### Relief in Six Hours.

Rellef in Six Hours.

Distressing kidney and bladder diseases relieved in six hours by the "New Great South American Kidney Cure." This new remedy is a great surprise on account of its exceeding promptness in relieving pain in the bladder, kidneys, back and every part of the urinary passages in male or female. It relieves retention of water and pain in passing it almost immediately. If you want quick relief and cure this is your remedy. Sold by Isaac Shapira, draggist, 107 South Main street.

Death of Ex-Governor Marshall, Sr. Paul, Jan. 10.-Ex-Governor W. R.

Marshall, of Minnesota, died Wednesday night at Pasadena, Cal., where he went about two years ago for his health. Governor Marshall was born in Boone county, Mo., Oct. 17, 1825, and came here in 1847. He was a member of the first territorial legislature in 1849, and in 1855 presided over the first Minnesota Republican convention and was his party's candidate for congress. The Daily Press, afterwards consolidated with The Pioneer, was founded by him. He served with distincion during the war, and was breveted brigadier general in 1855 for gallant service. In 1869 he was elected governor and served four years. He was later, from 1874 to 1881, a state ratiroad commiss

## Camblers Tap the Wires.

SAN FRANCISCO, Jan. 10.—Officials of the Pacific Coast Jockey club charge that the Western Union wires from Ingleside, which is leased by the club, have been avetematically tapped and the results of the races given to all the pool rooms in town at the conclusion of each race. Dischargest telegraph operators are suspected of pan ping the wires and maintaining an organ 'peanut telegraph service.' fight against the down town pool the racing management has closed the telegraph office at the track, and now no of-fices on the coast will be able to get the racing results from the track

#### A Juvenile Heroine.

PORTSMOUTH, O., Jan. 10.-A. wreek on the Baltimore and Ohio Southwestern was averted by little Mary Och, 9 years old, mar Sloeum bridge, this county. The lit-tle girl was out with a lantern hunting a stray horse, which she discovered fast in a bridge near a sharp curve of the railroad. The little girl rushed around the curve and built a fire in the center of the track, to attract the attention of the accommodation train then nearly due. The plan was effective and a terrible disester averted. But for the child's forethen girt the train would probably have plunged into the creek eighty feet below.

#### Fatal Plunge Through a Bridge.

CLEVELAND, Jun. 40.—A train on the Akron, Bedford and Cleveland Electric rallway fell through a bridge into Tinker's creek yesterday, and William Young, one of the trainmen, was instantly killed. He was crushed and ground beneath the falling cars until he was scarcely recognizable maker and Charles Gleb, miraculously es soon afterward and Gleb cannot recover

## Fatally Shot His Elder Brother. Andreson, N. C., Jan. 10. — William Harrison shot his elder brother, Anderson

Harrison, in the head with a double barrelled shorgun yesterday and inflicted a Harrison was arrested and placed in jail. The affray was provoked by a severe whipping that Anderson Har-rism gave has brother a few minutes be-fore the tragedy occurred.

# Had Spellers.

Sarah Bernhardt cannot spell well, and one of our own most cherished actresses does not niways spell correctly. In a re-cent autograph letter of hers we find "oc-cured." Then Bismarck never could spell. He himself has confessed to 'a lack of diligence at school," as a consequence of which his letters contain many spelling man somewhat weak in the same particuthan somewhat weak in the same particular. Even Oliver Wendell Holmes made a mistake in spelling the rather common word "indispensable," which he wrote "indispensable."

# The First Inquest.

The nearest approach to the holding of CHARLES A. DANA, Editor, a judicial inquiry into the cause of death In England occurred as long ago as the year 1200, when, according to an old writer on the subject, "six and twenty yenerhear and consider the testimony of any and all the time, forever, who could speak with authority regarding the death of a digger in the fields named Martin Bolsover."

King Humbert owns nearly 200 horses, and the greatest number of them are Eng-lish bred. The double row of stalls forms a regular street, and each animal has its name printed in large white letters above

No need to fear the approach of cross if you have Dr. Thomas' Eclectric Oil in the house. Never was a case that it wouldn't care if used at the outset.

Best gas fitting is done by P. W Bell.

# Refused to Accept the Resignations.

MONTHEAL Jan. 10.—The latest report from Ottawa is to the effect that Lord Aberdeen positively refused to accept the Howell cabinet He insisted that now that parliament had been summoned, busine proceed and the measures outlined in the speech from the throne must be ont. If this was not done, he declared, the only course open to him was to call on Laurier to form a new ministry.

#### Miss Pullman to Marry.

CHICAGO, Jan. 10.—It is announced in society circles that Miss Florence Pullman, daughter of the sleeping car magnate, shortly will be wedded to Frank O. Lawden, a young lawyer. Florence Pullman is credited with naming all the palace parlor and sleeping cars. It is proba-ble that Gooreo M. Pullman, Jr., will well Miss Felicite Oglesby the same day that his sister is married.

## Governor Jones Probably Dying.

Sax Francisco, Jan. 10.—The condition of Governor Jones, of Nevada, who has been sick for two months, is not improve his trouble as cancer of the stomach, and he is thought to be gradually sinking. His children have been seed for from Carson City, and the governor has made his will.

## URGING ARBITRATION.

The London Chrolicle's Washington Cor-respondent Interviews the Senators. WASHINGTON, Jan. 10.—Mr. Henry Norman, the special commissioner of the London Daily Chronicle in Washington, cables his paper as follows: "The senti-ment for arbitration is a ball which, once set rolling among a civilized people, can-not be stopped. I take it for granted that

zuelan dispute is now certain."

Mr. Norman devotes the major portion of the remainder of his dispatch to authorized interviews with the members of the senate foreign relations committee except Senator Mills, whom he did not All strongly urge arbitration, as does Chairman Hiti, of the house committee on foreign affairs. The latter declared he expressed the opinion not only of his committee, but of the whole house of represen-

Mr. Norman then continues: "The above represents the weightiest and most impor-tant body of opinion that could possibly be secured in the United States. And these are the men to whose consideration any question between England and America would be first submitted and by whose accision the senate and the house would probably be guided. It is impossible to believe that British sentiment will not be moved to respond to such remarkable unanimity and such enlighted utterances. If not, then the world will see that Amer ica is ahead of England in the most striking characteristic of a civilized people

"It is cabled that the British Galana police have occupied the extreme limits of the territory claimed in Venezuela. The American government has brought heavy pressure to bear to prevent the Venezue lan government from committing any overt act, and thus precipitating a hostile situation. Therefore it is imperatively necessary that the British government instantly deny and repudiate such a mon-strous and fatal act as the armed occupation of territory while the question of arbitration is pending.

"My work is done here. I propose to leave Washington immediately. The English public, understanding the American attitude, has changed its own attitude, and nothing blocks the way to a promp settlement not only of the Venbut of all other matters, and they are numerous, now pending and creating in-ternational discord."

#### Warlike Venezuelans.

Caracas, Venezuela, Jan. 10.—Eng-land's manner of answering the United States in regard to the occurrences on the Guiana frontier has enused great excitement here. The newspapers urge the gov ernment to dispatch a large body of troops including heavy artillery, to watch the in vaders and to resist their advance. Many armed Venezuelans have gone to the from tier, without the knowledge of the govern-ment, to act as a territorial guard.

# The Patal Fire in St. Louis,

St. Louis, Jan. 10.—The coroner's jury which has been in session since Monday investigating the explosion which last week caused such descruction of life and property returned the following a verdict saying that the explosion "was caused by the storage of unsafe and dangerous fre-works in the rear of No. 309 North Second street and improper and insufficient help being employed by H. B. Grubb to care for the same." The chemical test of the contents of the unexploded cannon crack-ers found in the ruins after the disaster proved that the slightest friction or severe concussion would cause an explosion. effort whatever is being made by the own-

building to recover the body of young Erickson, the seventh victim, whose remains lie under tone of dehris.

Many merchants are well aware that their customers are their best friends and take pleasure in supplying them with the best goods obtainable. As an instance we mention Porry & Cameron, prominent druggists of Flushing, Michigan. They say: "We have no hesitation in recommending Chamberlain's Cough Remedy to our customers, as it is the best cough medicine we have ever sold, and always gives satisfaction."
