COFFEE AND TEA

Man, supplied with reasoning and discerning powers, may improve his condition by the exercise of these faculties. This can be applied with very good effect in the purchase of Coffees and Teas. A good cup of Coffee depends not only on the making—but the brand of Coffee, the grade, the roasting and preparation are very important factors. We feel confident that we can meet all those requirements. A delicious cup of Coffee is a certainty if you use

Our Fancy Java, or our Fancy Blended Coffee.

In regard to Tea, we occupy a front rank, all our Teas being very carefully selected by competent judges, and a trial order will convince you that we can please the most fastidious customers. We offer nothing but good grades that are noted for quality, color and flavor, and they are sold at popular prices

THE DEMOCRATIC PRIMARIES

Full Tickets Nominated in Three of the Wards.

ONE OR TWO SPIRITED CONTESTS!

James McKeon Secured Twelve of the Fifteen Conferees and Will be the Democratic Candidate for High Constable.

The Democrats of town held their primaries last night and, so far as the wards are concerned, are ready for the election, with one or two exceptions. Full tickets have been made up in the First, Fourth and Fifth wards. In the Second and Third wards the tickets have been left vacant as to the School Board and Council. Committees have been appointed to fill the vacancies after the primaries of the Citizens party are held.

The Democrats still adhere to the old conference system for arranging the borough ticket. At each primary a chairman is elected by ballot and he names three men who are called conferees and hold a convention at which a borough ticket is nominated. The fight over conferees used to be the feature of the primaries, but since the Chief Burgess and Receiver of Taxes are elected for three years much of the spirit was taken out of the contest this year. The fight this year was over High Constable, the candidates being James McKeon, of the Fifth ward; John Matthews, of the Fourth; and Anthony Flynn, of the First. In the Second, Third and Fifth wards the contest did not excite much interest, but the voting in the First and Fourth wards was quite spirited, especially in the former. The result is that McKeon gets the majority of the conferees and will be nominated at the convention on Thursday evening. McKeon got the conferees in the First, Second, Third and Fifth wards, making 12 in all. Matthews only secured the three conferees of his own ward—the Fourth. Nothing is said concerning the Borough Auditorship. It was evidently lost to view.

The primary election in the First ward was marked by much of the old-time vigor. A ripple of excitement was caused at the outset by ex-School Director James O'Hearn in explaining his withdrawal as a candidate for School Board. He charged one of the leading Democrats in the ward with being opposed to him and that as a result currency was given to an unfounded rumor that O'Hearn had withdrawn in favor of Timothy O'Brien. Mr. O'Hearn claimed that this rumor injured his prospects for securing the nomination. Although having naught but good wishes for his opponent, Mr. O'Hearn was disposed to let his name go before the primary as a reproof to those who had unfairly opposed him, but he changed his mind and was not a candidate.

The balloting was lively for about two hours. The contest for conferees was spirited, but the fight for the Councilmanic nominations eclipsed it. The votes for the chairman aggregated 216, while the Council fight drew out 286. The result of the ballot for chairman was, Frank Hanna, 79; John McDonald, 75; James Shields, 65. Hanna was declared elected and named Thomas Tracy, William Hill and Thomas Cantlin as conferees for McKeon. McDonald ran in the interest of ex-High Constable Anthony Flynn and Shields for John Matthews.

The result of the ballot on the nomination for Council was a disappointment to the friends of Daniel Cackley. It was the fight they made to secure nomination for the 3-year term that brought out the big vote. It is incidentally mentioned that Mr. Cackley was handicapped by being ill. The vote was Martin Lally, 188; Daniel Cackley, 146; Michael Byrne, 52. Mr. Cackley will, therefore, be a candidate for the 1-year term.

The rest of the nominations were made by acclamation and are: School Director, Michael Sullivan (4 years); Timothy O'Brien (1 year); Constable, Matt. Gibbon; Judge of Election, Martin Lally; Inspector of Election, Thomas Sheehy. President of Council Wm. McGuire was chairman of the preliminary meeting and James Cook secretary.

The Democrats of the Second ward had little trouble in arriving at an understanding. The vote for chairman was William Delowry (for McKeon) 30; Michael Purcell (for Matthews) 21; Thomas Devlin (for Flynn) 3. Delowry named Patrick Gibbons, Anthony McNulty and Joseph Peters as conferees. Max Reese was nominated for Justice of the Peace by acclamation. The balance of the ticket was left open and J. K. P. Scheffly, Michael Mollet, James Smith, M. J. Scanlan and B. J. McGuire were appointed a committee to fill the vacancies as they may see fit. Receiver of Taxes M. J. Scanlan was secretary of the meeting.

The primary in the Third ward was even more tame than that in the Second. The vote for chairman was Owen Brennan (for McKeon) 21; John Leary (for Flynn) 7; John A. Reilly (for Matthews) 3. Harry Dowling was nominated for Inspector of Election, and the rest of the ticket was left open.

The only contest in the Fourth ward was for chairman and it resulted as follows: John F. Higgins (for Matthews) 34; Thomas Brennan (for McKeon) 36; Patrick McLain (for Flynn) 3. Higgins named Patrick Flaherty, William Miller and Patrick Holden as conferees.

The following nominations were then made by acclamation: Council, Conrad Egan; School Director, John F. Higgins; Judge of Election, John J. McAlee; Inspector of Election, William Miller; Constable, Adam Smith.

The friends of John Matthews feel very much hurt over the result in the Fifth ward, although it did not, in itself, alter that gentleman's chances. Mr. Matthews says that the party he selected to run in his interest as chairman failed to put in an appearance in the contest. The fight in this ward hinged solely on the Councilmanic nomination. Martin O'Hara was elected chairman without opposition, and he named the conferees for McKeon. They are Matthew Foyle, Thomas McCormick and Patrick Burke.

In the Councilmanic fight 134 votes were cast and Edward Murphy was nominated. He received 83 votes and Thomas Ryan re-

ceived 51. School Director James J. Devitt was renominated for the office without opposition, and the following nominations were made in like manner: Constable, Thomas M. Jolin; Judge of Election, James B. McHale; Inspector of Election, Patrick Purcell; Justice J. J. Cardin was secretary of the meeting. The friends of Thomas Ryan, who was defeated for the Councilmanic nomination, claim that the same combine that defeated E. J. Gallagher last year used the same tactics last night in defeating Ryan and Matthews.

ELUSIVE MAXIMO GOMEZ.

The Cuban Commander Moves at WHI About the Island.

HAYANA, Jan. 22.—An incident of Maximo Gomez's countermarch through Havana province is just reported. On Sunday he was encamped with 3,000 men at the plantation of Amalia. While there he sent for the administrator of Portugallite, and told him that he came to destroy Portugallite with dynamite, in view of its disobedience of his orders against grinding sugar cane. But, he added, if the garrison agreed not to dynamite it, this was agreed to, and the garrison retired, but only as far as San Jose. Portugallite is a fine estate, and Gomez has given a written order not to burn it, out of respect to the administrator and owner, the prominent and aged Spanish patriot, Manuel Calve.

Gomez has traveled towards and arrived at Guayabal, which is only fifteen miles south of Havana and near the line of Pinar del Rio province. The movements of Gomez westward again are believed to be due to a call from Maceo for help to relieve him from a critical situation in Pinar del Rio.

The administrator of Portugallite has arrived in Havana, having been provided by Gomez with a passport, which carried him through the insurgent lines and insured him against molestation. He reports that on his way he found the insurgent leader Cordero, with 300 men, between San Francisco Paula and Cotto, which is only six miles from Havana.

MR. WELLINGTON GETS IT.

Maryland Legislators Select Him for United States Senator.

ARTHUR P. GORMAN'S COLLEAGUE

As Chairman of the Republican State Committee in the Last Campaign He Did Signal Work for His Party.

ANNEAPOLIS, Md., Jan. 22.—The problem of electing a United States senator which has been going on in the Maryland legislature for the past week was practically terminated last night by the Republicans in caucus nominating Congressman George L. Wellington to succeed Senator Gibson. His victory was decisive. The caucus adjourned without nominating a state treasurer.

GEORGE L. WELLINGTON.

The caucus met at 8 o'clock and a stormy debate ensued over a resolution introduced by Speaker Mudd to make the election of the caucus binding, as a party measure. To this Senator Randall offered a substitute to the effect that it should be binding only upon those who had no conscientious scruples against voting for the nominee. Both

resolutions were withdrawn finally, and balloting began. Upon the first call of the roll it was found that Wellington had secured 40 out of the 48 votes present, and a rush to change began. The nomination was ultimately made unanimous. Prior to the changes the ballot stood: Wellington, 40; Goldsborough, 31; Westcott, 5; Dixon, 2. The beginning of the end occurred yesterday, when in joint session Speaker Mudd took the floor and cast his vote for Wellington, in which he was followed by three other members who had steadily voted against the western shore man.

George L. Wellington is the congressman from the Sixth Maryland congressional district, which comprises Allegany, Garrett, Washington, Frederick and Montgomery counties. He was elected to congress in 1891, defeating Ferdinand Williams, his Democratic competitor, by a plurality of 2,967. Mr. Wellington lives in Cumberland, Allegany county, the home of Governor Lloyd Lowndes, and to his energy Governor Lowndes is greatly indebted both for his nomination and subsequent election. As chairman of the Republican state central committee during the memorable campaign of 1893, which resulted in the election of the entire Republican state ticket and the overwhelming defeat of the Democrats in Baltimore city, Mr. Wellington made an enviable record.

When it became apparent that the Republicans had carried the legislature and would have a majority on joint ballot Mr. Wellington promptly announced himself a candidate to succeed Senator Charles H. Gibson, and has waged an unceasing fight for the place from that moment. He was bitterly opposed by many Republicans, not because he did not deserve the honor at the hands of his party, but because of an ancient statute which prescribes that one of the senators from Maryland shall always come from that section of the state lying east of the Chesapeake, and known as the "eastern shore."

Neither Senator Gorman nor Mr. Wellington reside in that section, and this fact greatly handicapped the latter. The law, however, has been ignored, mainly upon the ground that it is unconstitutional, and Mr. Wellington's nomination has been brought about in spite of it. All of his opponents are from the eastern shore, but the inability of the legislators from that section to unite upon any one of them gave the prize to Mr. Wellington.

The Democrats also held a caucus last night, and nominated State Senator John Walter Smith for United States senator, Spencer Jones for treasurer and Messrs. Gill and Legg, the present incumbents, for police commissioners of Baltimore.

Pennsylvania's Tax Receipts.

HARRISBURG, Jan. 22.—Returns to the department of internal affairs from every county in the state except Schuylkill show that there were collected last year a total of \$1,568,755.98 for the support of the poor, exclusive of \$742,664.00 appropriated for this purpose by counties having almshouses. In sixty-six counties \$11,969,907.91 were collected for public schools, independent of the amount received by school districts direct from the state treasurer. The amount of taxes collected for these purposes was \$25,373,299.87. This includes the amount expended for the support of county governments. These counties collected \$47,917,140.48 in taxes for all purposes during the year. The total amount received during the year from licenses was \$4,943,937.65; on real estate of railway corporations, \$741,263.65; on real estate of corporations other than railways, \$1,862,533.41.

Rockefers Brutal Joke.

MAHANOV CITY, Pa., Jan. 22.—While Tadwich Zagley and Michael Rockefers were conversing on the corner of Main and Center streets the former asked the latter for a pipeful of tobacco. Rockefers complied with the request, filling the pipe himself, at the same time, it is charged, slipping in a dualin cap. Zagley lighted a match and placed it over the bowl of the pipe. While in the act of bringing the stem to his mouth the cap exploded, badly shattering his hand and disfiguring his face. It was intended for a joke, but Rockefers has been arrested.
