His death will come as a great shock to official and social circles here in the state of the diplomatic representatives of all nations. His death will come as a great shock to official and social circles here in the plan and signal methods.

SKETCH OF HIS LIFE.

A Man of Unquestioned Ability and High Social Attainments.

ville, N. J., Oct. 25, 1829. He graduated from Yale college in 1812, and in 1846 was admitted to the bar. In 1853 he was made elty at orney, and in 1856 city councillor of Newark, N. J., a position he retained until in 1864 he became mayor of the city. He was appointed in 1866 commissioner to revise the military laws of New Jersey, and in 1857 was made brigadier general. and subsequently major general of the New Jersey National Guard. At the out-New Jersey National Guard. At the out-break of the civil war he was placed in command of a New Jersey brigade of vol-uniteers. In 1865 he was the Democratic candidate for governor of his state, but was not elected. In 1873 to 1887 he was chancellor of New Jersey. In March, 1895, he was appointed by President Cleveland United States min-lister to Germany and shortly afterwards was made ambassador in accordance with

was made ambassador in accordance with n law of congress that the United States a law of congress that the United States representative in Germany should be raised to the rank of ambassador reciprocally with the similar action on the part of the German government concerning its representative in the United States. A degree of LL. D. was conferred upon him by Yale, Rutgers and Wesleyan colleges.

Mr. Runyon was the successor of William Walter Phelps, who had held the place of German minister for four years. He was a gallant soldler and Fort Runyon up the Alexandria railrond at the

yon on the Alexandria railroad at the south end of Long bridge near Washing-. .60 ton, D. C., is a perpetuation of his ma At the time of the appointment of Mr

Runyon it was remarked as being that of he office seeking the manbeen presented to the president by Sena tors McPherson and Smith, and he knew nothing of the application which was be ng made in his behalf until he was asked by letter if he would accept. The unequivocal indossment which he received from the senators and the high reputation enjoyed by him in the state led the president to make the appointment without hesitation. He was a man of unquestioned ability and high social attainments.

During his service in Berlin the most important matter that has been pending between the United States and Germany has been that in regard to the removal of the restrictions imposed on importations of American pork and beef products into

this-country.

He moved with his family in the best society. He had three daughters and two sons. The daughters were all noted for their beauty, and there was much regret in Newark society when they followed their father and mother to the German

Ex-Judge Houston's Condition Serious. NEW YORK, Jan. 27. - William T. Houston, formerly a judge of the supreme court of Louisiana, now lying in St. Vincent's hospital with a broken leg and fractured ribs, the result of being attacked by highwaymen last Thursday, is reported to be in a serious condition. In addition J. H. POMEROY, to his injuries he is suffering from an at-tack of pneumonia, which has developed since his admission to the hospital.

Bridge Wrecked by an Ice Gorge. Tolkbo, O., Jan. 27.—The ice gorge in

the Maumee river about eight miles above the city broke about 6:30 last night and in running out carried away two spans of the new bridge in course of construction. The bridge was supported by a trostle work on the ice and the loss is estimated at \$50,000.
