J. Harry James, the lowest bidder, teleraphed his willingness to execute a bond in the sum of \$1,000 to print and deliver all the tickets by 8 o'clock next Thursday. The three Pottsville papers formed a com-

The Commissioners and Controller decided, in view of the fact that the Allentown party was \$500 less than the lowest county bid and \$725.50 less than the Pottsville combine, to award the contract to the Allentown printers, which they did, Late Saturday night the successful bidders licew up the contract because the time is o short, and it was yesterday awarded to J incry James.
