The same gentleman who so successfully played his game upon the people of Pottsville and other towns in the county has struck Shenandoah. His plan of operation is to call and inform the hady of the house

that he represents a corset firm ; that they will give away 100 corsets in town as an advertisement instead of spending that amount in newspaper advertising. The oily tongued young man departs after leaving a circular, which he will return for. The circular states that for 12 cents to pay postage

a corset will be delivered free. He returns in about a half hour for the circular and the 12 cents. It is said he has already succeeded in working his scheme of fraud upon quite a number of unsuspecting ladies of Shenandoah. We would warn others from having anything to do with the man. You will never hear any more of him after you pay the 12 cents. He is a frand, which the people of Pettaville have found out to their WOTTOW.

#### Made the Fakirs Disgorge.

Four fakirs struck a snag at Maizoville on Tuesday. The colliery employes at that place received their pay that day and the fakirs threw out snares for them at a hotel. Games of cards were proposed and several Peles became interested and lost considerable money. Seeing that a disturbance was brew-ing the fakirs hastened from the hotel, but were chased by an enraged crowd who chased the fugitivos in neighboring houses and made them roturn the winnings, as well as con-siderable other money. Two of the fakirs were dragged from under a bed and were pretty roughly handled.
