EVENING HERALD

SATURDAY, FERRUARY 29, 1896.

There is no discomfort, Silent no disturbance of business or pleasure, no loss Certain of sleep, after taking Hood's Pills. They assist digestion, so that natural, healthy babit is

brought about. Hood's Pills are silent but nevertheless certain in their effect. Prepared by C. I. Rood & Co., Lowell, Mass, 25c, Sold by all druggists.

LETTERS OF THANKS.

Members of the Home Friendly Society Express Appreciation.

Herewith is published a few letters of thanks to the Home Friendly Soviety from its patrons, who appreciate fair dealings and prompt payments. All the claims referred o have been paid within the past few days To the officers of the Home Friendly Society

of Baltimore, Md.
GENTLEMEN:-I do hereby return my sincere thanks for the promptness in which I received \$140 through your Superintendent, William T. Evans, and Agent Joseph Feist, upon the death of my beloved husband. I recommend this company for their promptness in paying claims, and testify it is a great benefit in time of need.

MRS. SARAH LONG.

I hereby return my thanks for the manner in which I have been treated by your officers, as your Superintendent, William T. Evans, and your agent. James Patterson, called at may house and paid me in full seventy-two April, May and June.

April, Wood will organize during intercalary day from every centurial year my house and paid me in full seventy-two April, May and June. dollars (872) upon the death of my husband, Jacob McSurdy. I can recommend the company to all my friends that need insurance to ulty and equipment. relieve them in time of need;

MRS. KATH McSunny, Ashland, Pa.

I hereby acknowledge the prompt and full payment of the amount, fifty-two dollars (852), due upon the death of my husband, Charles W. Jones. I say without besitancy that your society is excellent in every par-ticular, and I will make it my duty to recmend it to my friends.
Mrs. Eleanon Jones,

At James Goodman and Co's.

Fresh eggs 17 cents per dozen.

Do You Wear Shors?

If so, you can save money by larying them selling a boy's calf cangress for \$1.25 that can't be bought anywhere for less than \$2.00. In fact, all our prices are about 20 per cent. less than at other places, because they are factory prices.

The Octagon Soap is being advertised in A word regarding leap year may not be imppropriate at this time. Historians tell us Carl Golden, a well known business man of that the ancient Romans divided their year March Chunk, wants to purchase one of the Mahanoy City hotels.

The Lehigh Valley collieries will resume which they added another day to make the

Ten days were thus lost every year; but Numa inserted an extra month every two this month was introduced into the calendar immediately after February 23ed. In this way the number of days was increased so as to make 1465 days in four years. The average length of the year then being 4664 days. To offset this gain of one day each year over the true solar time he divided the years into tices and Constables Association will be periods of 8 years each and in every third hebl in Portaville on Monday afternoon next.

The neeting will be called at 1 o'clock.

periods of 8 years each and in every third year-period be inserted only 3 extra mont of 22 days each. This reduced the avera year-period he inserted only 3 extra months of 22 days each. This reduced the average length of year to 3651 days which was approximately correct. But the interjecting of the intercalary month was left to the discretion of the rulers and they not unfrequently, to prolong their reign or to hasten or delay an election, would add to or subtract from the number of days in this extra month,

All are successful teachers, and no better faculty can be found in our larger cities.

With the advice and assistance of Sosigenes, Caesar in the year 46 B. C. abolished the use of the lunar method of many method. of the lunar method of calculating time and adopted the solar. He fixed the number of College gave an entertainment in Centennial days in a year at 365, and every fourth year added an extra day to February, making the average 365‡. But the true solar year brings only 365 days 5 hours 48 minutes and 49.62 The Shenandoah College will organize a seconds long he really lost about ten influence to this special feature of the college.

Prof. Thomas Martin, Ferguson House, has a few more of the charter member appealed to Pope Gregory XIII. to readjust his a few more of the charter member the calcularships to transfer. All who wish to scholarships to transfer. All who wish to scholarships to transfer the should sell at seconds long he really lost about ten minutes has a few more of the charter memoer scholarships to transfer. All who wish to Catholic countries in 1582 to call October 5th, take advantage of the low rate should call at an early date.

Prof. Wood will organize a class for the Prof. Wood will organize a class for the not be a leap year while 2000 will be. The next leap year we will enjoy will be in 1904. This method of calculation was adopted at once by Spain, Portugal and Italy, but the English speaking people did not adopt it until the latter half of the last century. Another interesting factabout the calendar

is the way in which February came to have only 28 days in common years and 29 in leap

When Julius Caesar adjusted the calendar I will take pleasure in recommending the Home Friendly to all as a good society, and for promptness and gentlemanty treatment from representatives.

Mas, Many Gray, Shemandoah, Pa.

Mas, Many Gray, Shemandoah, Pa. of longer duration than the month bearing his name—August. So he took one day from February, leaving it 28, and added it to August, making it 31. Then, in order that three months of 31 days each would not come together, as in July, August and September, he took one day from September and one from November and added them to October and December, giving them 31 respectively and leaving September and November 30

Pope Gregory XIII has also left his mark. Originally Julius had decided that the 24th of March should mark the Vernal Equinox, but by the discrepancy in his calendar it was thrown back to March 14th by the time of Gregory XIII in 1583. In A. D. 325 the church council had convened at Nice and the Vernal Equinox falling then upon the 21st of March they decided that should become the established day, and they decreed that Easter should be reckoned from that day, to which Gregory XIII gave his sanction, and it so stands to the present day.

Cure for Headache.

Cure for Headache.

As a remedy for all forms of Headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle, and give this remedy a fair trial. In case of habitual constipation Electric Bitters cures by giving the meded tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only 50 cents at A. Wasley's Drug Store.

Sacred Entertainment.

In the absence of the pastor, the United Evangelical Singing Society will give a sacred entertainment in the United Evangelical church to-morrow evening. Jacob Warner, a well-know G. A. R. man of Mabanoy City, died yesterday after suffering two years from stomach trouble. The deceased was born in Pottsville, and after the war located at Mahanoy City. The funeral will take place Sunday afternoon at 2 o'clock.

Mrs. Daniel McCarthy, aged 50 years, died at her home in Mahanoy City yesterday, from the effects of a paralytic stroke. She is survived by a husband and three children.

The Grim Reaper.
