**FERMENT IN FRANCE.**

The Political World Again in a Highly Perturbed Condition.

THE AIR FILLED WITH SUSPICION.

Report That the French War Squadron Has Been Ordered to be Placed on a War Footing—Russo-Join in the Contest Against British in Egypt.

PARIS, March 30.—The political world of France is again in a highly perturbed condition, and there are indications pointing to show that the government seeks to retract some of the steps by which it has been placed in the position of important prominence in the dispatch of an Egyptian expedition up the Nile and the defraying of the expenses of it out of the Egyptian debt surplus. The government will be interpellated in the chamber of deputies, and the ministers will be under the necessity of making some kind of statement in reply. An important debate is expected to result, and there is a feeling in some quarters that far-reaching changes of policy may be announced.

The air is filled with suspicion, and numerous rumors are current of great things that are in contemplation. Among those which are circumstantially formulated are that the resignation of M. Berthelot as minister of foreign affairs, announced on Saturday, was connected with the wish of M. Bourgeois, the premier, to recall Baron De Courcel, the French ambassador in London; that France's naval reserve squadron has been ordered to be placed upon a war footing, and that France and Russia will convene a European conference to discuss the powers of the Egyptian debt commission to act against the vote of a minority of the powers guaranteeing the debt, and to discuss also the evacuation of Egypt.

There is a growing feeling among Frenchmen that the entente between Great Britain and the drebund as a whole is not as cordial as it was believed it was when the Nile expedition was first announced. The signs of the unreconciled attitude of Germany towards Great Britain have been noted in France for two weeks past, and the conviction has grown that Germany, though glad to avail herself of Great Britain's assistance to her ally, Italy, will not take a more lenient view on that account of any other forward movements of Great Britain.

Whether the disturbed condition of affairs in South Africa gives France a hope that there will be inserted the wedge to break asunder again the newly formed friendship of Great Britain and Germany is a matter of surmise. But that France regards the alliance of Great Britain with the drebund as less formidable, because less well assured, is evident from many things.

How far the French ministry will reassume the stiff attitude of protest against the Nile expedition, adopted in M. Berthelot's report of his communication to Lord Dufferin when the expedition was first announced, and subsequently softened in face of the outbreak of unbridled French patriotism, is the question of first interest in Paris today.

**Russia's Support of France.**

ST. PETERSBURG, March 30.—The Russian newspapers are unanimous in opposing England's claim to employ the reserve of the Egyptian debt to pay the expenses of the Sudan expedition. This is necessarily an accurate reflection of the views of the government, whose understanding with France on all aspects of the Egyptian question is most complete. Both governments are now seriously considering the adoption of a common political attitude in order to formally establish their opposition to a prolonged occupation of Egypt.

**The March to the Sudan.**

CAIRO, March 30.—Sir H. H. Kitchener, the sirdar of the Nile expedition, has arrived at the front, and the second column has arrived at Akasheh. A small body of dervishes approached the troops, but fled before their artillery fire. Abu Hamed has been reinforced from Berber.

**Three Killed by a Falling Rock.**

HINTON, W. Va., March 30.—Jim and Frank Tillman and Lucy Law were instantly killed by a rock crashing through the house where they were sleeping at Echo, a station forty miles west of here, yesterday morning. Two other members of the family were seriously injured. The house was situated at the foot of the mountain on the banks of the New river. An enormous ledge of rock broke loose on the mountain side, passing over coke ovens and tearing up the track of the Chesapeake and Ohio railroad and breaking through the house. Henry Law, one of the occupants who escaped, had the presence of mind to rush out and flag an east-bound express train which would have otherwise been wrecked.

**Barcelona's Regular Sunday Amusement.**

BARCELONA, March 30.—This city had the anti-American demonstration yesterday, which has been a regular feature of the Sunday festivities for several weeks past. The throngs of promenaders who listened to the band concert displayed a lively enthusiasm when the band played patriotic airs, and their patriotism took the form of publicly burning an American flag. No further disturbance, however, occurred.

**Fatal Fire in a Hospital.**

LILLE, France, March 30.—A dangerous fire occurred yesterday in St. Saviour church and hospital. All of the patients were rescued from the burning building, but three of them died subsequently from fright. Fifteen soldiers who were employed in quenching the fire went to a druggist's shop and there drank some poison which they mistook for gin. Six of them died as a result of the draught.

**Spain Will Again Apologize.**

KINGSTON, Jamaica, March 30.—The American schooner William Todd, from Mobile, Ala., was fired upon by two Spanish gunboats, six miles off the Isle of Pines. Four solid shot crossed the schooner's bows after the schooner hulled the United States colors. The vessel was boarded and searched by an armed boat's crew. Nothing of a contraband character rewarded the searching party.

**Burned to Death in Her Home.**

PITTSBURG, March 30.—Mrs. Essie Darling was burned to death at her home, No. 5 Fort street, during the night. A live coal from the stove dropped on her dress. Her husband was sleeping in the same room, but her screams failed to awake him, and when the neighbors reached the place the woman was fatally burned, living but a few hours.

**FORTY THOUSAND.**

THAT'S THE NUMBER OF PHYSICIANS WHO USE THE NEW PREPARATION FOR DYSPEPSIA AND WASTING DISEASES.

THEY DO SO BECAUSE IT IS NOT A SECRET PATENT MEDICINE.

And Because They Know It Cures Every Form of Indigestion and Stomach Trouble.

It has been recently stated that not less than 40,000 physicians are using or endorsing the new discovery for indigestion sold by druggists under the name of Stuart's Dyspepsia Tablets. Dr. Tomlinson gives the following reasons why physicians regard this new remedy with so much favor.

First, because it is not a secret medicine but a scientific combination of vegetable essences, pure aspic pepsin, free from animal impurities and of very high digestive power, bismuth and golden seal.

It has been tested repeatedly and the experiments have proven that one grain of the active principle in Stuart's Dyspepsia Tablets will digest three thousand times its own weight of lean meat, eggs, oatmeal and similar wholesome food.

The tablets act wholly upon the food taken into the stomach, digesting it thoroughly no matter whether the stomach is in good working order or not, and cure all forms of dyspepsia and stomach troubles on the common sense plan that they nourish the body and rest the stomach at the same time.

Stuart's Dyspepsia Tablets do not act upon the bowels like the old-fashioned after-dinner pills; nor are they an artificial stimulant like "stomach bitters," nor are they in any way similar to so-called pre-digested foods, which consist of 85 per cent. of "glucose," the stuff that cheap candies are made from, but Stuart's Dyspepsia Tablets do what none of these do, they act wholly upon the food eaten and digest it completely and the cure of indigestion is an assured fact, because the food being properly digested, it cannot lie for hours in the stomach, fermenting, decaying, filling the system with the germs of disease, but is assimilated, nourishing and invigorating not only the body and brain, but the stomach itself, as well.

The tablets are absolutely harmless and can be given and are given with benefit to little children and infants suffering from indigestion, as shown above they contain no mineral poisons, nor anything in any way injurious.

Dr. Wuerth says he has noticed in many cases that the tablets not only cured the indigestion, but that a very noticeable increase of flesh resulted where people who used the tablets were thin and run down in flesh before taking them, and it is not at all surprising that such should be the case when it is remembered that most people are thin because their stomachs are out of order, and when perfect digestion is brought back an increase of flesh is the natural accompaniment.

Within the last six months many thousand cases of stomach trouble and dyspepsia have been cured by Stuart's Dyspepsia Tablets and their convenience and popularity is such that druggists everywhere are now selling them. The price is 50 cents per package and if your druggist has not yet ordered them he will get them for you from his wholesaler; they are manufactured by Stuart Co., Marshall, Mich.

Your druggist if he is honest, will tell you that Stuart's Dyspepsia Tablets is the only preparation now before the public recommended and designed solely for the cure of indigestion and stomach troubles, no other claims are made for it, it is not claimed to be a cure-all.
