THE HARRISON WEDDING!

Great Secrecy as to the Hour For the Ceremony.

EFFORTS TO AVOID A BIG CROWD

The Ex-President Does Not Want His Bride Subjected to the Eager Gaze of People Who Have no Interest in Her or Him. His Children in Indianapolis.

NEW YORK, April 6.—Ex-President Harrison entertained a number of his friends yesterday. Final preparations for his wedding to Mrs. Dimmick this afternoon have been completed. Admission to the church will be by card only, and not more than thirty guests will be present. Even this morning there is a great deal of speculation about the time at which the ceremony will be performed, but no information upon that subject has yet been allowed to leak out. Even the guests do not know the hour.

"You see," said Secretary Tibbets, this morning, "General Harrison does not want a crowd to be around the church when they go in and out. It is not that he desires to make himself exclusive, but that he does not like Mrs. Dimmick to be

MRS. DIMMICK. GEN. HARRISON.

subjected to the eager gaze of people who are not in any way interested in her or in him. It is quite a private matter. If people knew the hour there would be a throng about the church through which they could hardly make their way."

General Harrison took breakfast at the Fifth Avenue hotel yesterday with Colonel Corbin, U. S. A. He had at luncheon Daniel Ramsdell, who was marshal of the District of Columbia during the Harrison administration; Lieutenant Parker and Secretary Tibbets. After luncheon the party called upon Mrs. Dimmick at the home of her sister, Mrs. Gray.

W. H. Miller, attorney general during Harrison's administration, arrived yesterday and spent some time with the prospective bridegroom. Ex-Secretary of War Stephen B. Elkins arrived last night. Senator Redfield Proctor reached the city this morning. Governor Morton will also be present at the wedding ceremony. Mrs. Morton cannot attend, as she is to give a tea in Albany this afternoon. Charles Foster, ex-secretary of the treasury, will not attend the wedding, a telegram advising Mr. Harrison that he found it impossible to get away having been received. Mr. Noble is also unable to come, and Mr. Wanamaker is in Europe.

While it is not known what General Harrison will present to the ushers at his wedding, he has already made his present to General Tracy. This is a stick of unusual interest. It is of plain wood, with the head gold mounted. This stick was presented to General Harrison by a gentleman who was minister to Argentina under the Harrison administration. The original owner of the stick, whose name is not known, General Harrison refusing to state it, called as a Union soldier under General Tracy. General Harrison was presented with this stick some years ago.

Will Not Witness Their Father's Marriage.

INDIANAPOLIS, April 6.—General Harrison's children, Mrs. McKee and Russell B. Harrison, did not start for New York yesterday to attend the wedding of their father. It had been understood for several days that neither would attend. It is given out here that there is no estrangement between father and children, but the son and daughter have decided not to witness the ceremony. On the other hand, it is stated that Mrs. McKee is especially averse to the marriage, declaring that Mrs. Dimmick is much too young to become the wife of the ex-president.

The Cardinals' Plea for Arbitration.

BALTIMORE, April 6.—Cardinal Gibbons yesterday gave out an appeal for arbitration, instead of war, signed by himself and Cardinals Vaughan, of Westminster, and Legge, of Ireland. The document is the result of a correspondence on the subject between Cardinal Gibbons and his colleagues, whose names are fixed to the appeal, and was issued on Easter Sunday because of the appropriateness of the day.

CARLISLE'S POSITION.

The Secretary Not a Candidate For the Presidency.

WASHINGTON, April 6.—Secretary Carlisle has written the following letter on the subject of his candidacy for the presidential nomination at the Chicago convention. It is addressed to Charles R. Long, chairman of the Democratic central committee of Kentucky.

"Your favor of March 30, in which you say, in substance, that many of my friends in Kentucky and elsewhere desire me to become a candidate before the approaching national Democratic convention for nomination for the office of president, and requesting me to give 'some authoritative or definite expression' upon the subject, was duly received, and has been maturely considered.

"Many communications upon the same subject and of similar import have been received from friends in different parts of the country, and while very grateful for these numerous expressions of confidence and esteem upon the part of my Democratic fellow citizens, I have not been able to reach the conclusion that the existing conditions require me to comply with their requests by authorizing them to announce me as a candidate for the presidential nomination.

"While I feel a profound interest in the welfare of my party, I am much more concerned about its declaration of principles than in its selection of candidates, because, in my opinion, its failure or success at the election, as well as its capacity for useful service in the country in the future, depends upon the position it takes or omits to take upon the public questions now engaging the attention of the people, and especially the questions affecting the monetary system of the country and the character and amount of taxation to be imposed upon our citizens.

"His position upon these and other subjects having been agreed upon, and clearly and distinctly announced, the convention ought to have no difficulty in selecting an acceptable candidate who will fairly represent its views, and in order that its deliberations may be embarrassed as little as possible by the contentions of rival aspirants and their friends I think my duty to the party will be best performed by declining to participate in a contest for the nomination.

"The obligation assumed when I accepted my present official position requires me to devote my entire time and attention to the public interests committed to my charge, and I shall continue to discharge the duties imposed on me to the best of my ability and in such manner as will, in my judgment, most certainly promote the true interests of the country; and if, in the opinion of my fellow Democrats in Kentucky, my services entitle me to their commendation and approval, I would regard their indorsement of my public course as an ample reward for the little I have been able to accomplish in behalf of honest administration and a sound financial policy."

Says Carlisle Would Accept.

LOUISVILLE, April 6.—The Courier-Journal publishes the following editorial on the letter of Secretary Carlisle: "The position which Mr. Carlisle takes is one entirely in accord with the dignity of the office of president and with the duties of the office of secretary of the treasury. He declines to participate in a contest for a nomination, holding that the matter of first moment is the declaration of the party's principles. He desires the indorsement of his services by the state, and, though he does not say so in so many words, if his state shall present his name to the national convention on a satisfactory platform he will undoubtedly accept."

KILLED IN A MINE BREACH.

A Boy Crushed to Death While Engaged in Picking Coal.

Robert, 15-year-old son of George Gillilan, of West Lane street, was instantly killed at 11 o'clock this morning while engaged in picking coal in a mine breach at the North end of Chestnut street, and within a short distance from his home. The breach has been a source of supply to the residents of the vicinity for a long time, and the surface on one side had been very much undermined. While the boy was under a large ledge of coal it fell without warning. The victim's neck, right arm and right leg were broken. The remains were removed by neighbors to the home of the father. Two boys were in the breach with Gillilan, but at the time of the fall were standing on the opposite side of the place.

DOCKETS OF THE JUSTICES.

Expirations of Lent Fills Them With Police Cases.

ONE POLE WAS ALMOST MURDERED

Benton and Scalped in a Free Fight in a Boarding House—Small Riot Last Night in the Fourth Ward—Police-man Stanton Fights Well.

In accordance with the predictions, the dying out of the Lenten season brought a revival of business for the police and magistrates and their harvest was a large one. The First ward furnished a case that almost terminated in a murder, and the Fourth ward came forward with a riot. The scene of most active operations was in the First ward, although one man states that ten wagon loads of beer were sent to "the rocks" on Saturday night.

Stincy Soluke was the one who barely escaped figuring as the corpse in a murder case. He boards with one Kaszta Grimalawicz in the Tobin houses, First ward. The particulars of the case have not been clearly stated as yet, Soluke being confined to his bed by his injuries. Most of his scalp is missing and the doctors in attendance say they will not express a positive opinion on the case for a few days. Meanwhile William and John Litke are held to await the result of the injuries. All hands were drinking freely in Grimalawicz's house yesterday when a fight started and the latter alleges that the two Litkes beat Soluke over the head with a large bowl. A big club covered with matted hair and splashes of blood is also in evidence. Justice Toomey has charge of the case with eight other cases of assault and battery of more or less degree, among them one in which Frank Bakles is the accused. Bakles is a step-brother of one of the men held at Pottsville on a charge of killing a man at a Park Place wedding a few weeks ago.

Another case Justice Toomey had was one in which Mike Kotosky presented Joe Kasawicz for assault and battery. When the accused was arraigned for hearing Kotosky denied that he had entered the suit and Justice Toomey sent him to the lockup in default of payment of the costs.

At about 11 o'clock a Pole, residing in one of the Egan houses on West Mayberry alley, raised a window to look out and see if it was snowing. Before he could find out a rock thrown by another Pole standing in the alley struck him on the head. Cries of "Murder" brought Policeman Stanton and a citizen to the scene and they grabbed the man who had thrown the rock, but almost at the same time a gang of fifteen Poles appeared and commenced an assault to rescue the prisoner. The citizen made tracks for his home after receiving a blow on the head from a rock and getting his hat smashed, but Policeman Stanton stood his ground. Witnesses of the affair say the young officer fought bravely, but the prisoner eventually got away from him. Stanton fired two shots in the air to bring the fugitive to a halt, but did not succeed. Later Chief Tosh and Policeman Stanton and Foltz succeeded in arresting five of the men who made the attack. Two paid fines and costs and were discharged. Other arrests will be made.

A Just Punishment.

Last evening a young girl, daughter of Benjamin Beacher, dropped two \$2 bills on East Centre street. A Pole named John Urgel picked up the money and refused to give it up. He addressed shameful language to the girl and was followed to the Lehigh Valley depot and caught by Patrick Igo, who turned him over to Policeman Lee. When before Justice Toomey Urgel still insisted that the money was his own, but the Justice became convinced to the contrary and gave the money to the girl. He then committed Urgel in default of payment of fine and costs for creating a nuisance on the street.

Received Stolen Goods.

Michael and Nicholas Satz were this morning arraigned before Justice Rykowski on a search warrant issued by George Kozesick, for receiving an overcoat worth \$30, which was stolen from the prosecutor. Both defendants refused to give the name of the thief and were held in \$500 bail for appearance at court.

Wall Collapsed.

During the operations on the new foundation for Keller's annex about 30 feet of the wall of the Coffee House caved in. The rest of the wall, which is about 20 feet in length, will have to be rebuilt as the weight is so heavy that the wall and house are sinking.

Concert for Hospital Patients.

The Amphion Mandolin Club, of Mt. Carmel, with its instructor, Prof. E. W. Wilde, of town, gave a concert at the Miners' hospital Saturday afternoon for the benefit of the patients. It was a grand success. The patients were so well pleased that they insisted upon repeating encores and the concert was continued from 3 to 6 o'clock, instead of two hours, as first intended.
