A NEW YORK "HIGHWAYMAN,"
A Story Told by a Lad Who Had \$2,000 "Stolen" From Him.

New York, April 11.—Walter Price, who carried a satchel containing \$2,015, was attacked by a highwayman on Broadway late yesterday afternoon, and robbed of his valuable package. The money belonged to the Gleason Lamp Manufacturing company. The thief made his escape, but Price was arrested. After he had been in jail some time Price made to Detective Cuddehale what the police believe to be a confession of guilt. He told the detective that while he was on his way to the bank he met a man named Duffy. He met the same man on his way back. As the two met, Price said, Duffy, or some one, struck him a blow which dazed him, and upon recovering his senses he turned and saw Duffy running away with the bag containing the money. The detective also learned from Price that he had been greatly in need of money lately because of his relations with a young woman in Harlem.

James Scott, 17 years old, also a clerk for the Gleason Manufacturing company, was with Price when the robbery was committed. Both boys were arrested, as the stories they told the police differed. Scott made the following statement to Captain O'Brien:

"I have been in the employ of the Gleason Manufacturing company for two years and eight months. I go to the bank every week to get money to make up the pay roll. I always take some one with me. About six months ago Price was with me, and he accompanied me again last week. Yesterday morning Price, who worked in the basement, asked me to let him go to the bank with me, and I took him along. "After I got the money and we started for the store he asked me to let him carry the satchel. We came down Lafayette place and turned through Fourth street to Broadway. At the corner of Grant Jones street there was a crowd looking at a man painting. Price said, 'Let's look at the bicycles in the windows.' We stopped, and suddenly he fell against the window and cried that the satchel was gone. He said some one hit him and grabbed the satchel from his hand. Then he said, 'Let's go through Fourth street and see if we can find the man.' We ran through Fourth street, but could see no one." Scott was released, after promising to appear as a witness against Price.

Mr. W. H. Musselman, member of the G. A. I took 10 bottles of sarsaparilla, but it failed in any way to relieve me. I do not think the value of the heart cure can be estimated. It has wrought such a change in my condition that I feel like a new man." Sold at Kirilin's drug store.

During the winter of 1893, F. M. Martin, of Long Beach, West Va., contracted a severe cold which left him with a cough. In speaking of how he cured it he says: "I used several kinds of cough syrup but found no relief until I bought a bottle of Chamberlain's Cough Remedy, which relieved me almost instantly, and in a short time brought about a complete cure." A LETTER FROM GOMEZ.
The Insurgent General Writes of the Struggle for Liberty.

NOT WAITING FOR RECOGNITION.

The Fight for Cuban Independence Will Go on Regardless of the Action of the United States Government—The Need for Arms and Ammunition.

WASHINGTON, April 11.—President Estrada Palma, of the Cuban delegation in the United States, has made public a letter received from General Gomez, the insurgent leader, regarding war conditions on the island. General Gomez writes: "The war continues more active and hard on account of the fierce character which General Weyler had given to it. Our wounded are followed and assassinated cruelly; he who has the misfortune to fall into the hands of the Spanish troops perishes without flinch. The peaceful country people only find death and dishonor. Cuba today, as in 1895, only presents ponds of blood dried by conflagrations. Our enemies are burning the houses to deprive us, according to them, of our quarters for spring.

"We will never use reprisals, for we understand that the revolution will never end to triumph by being cruel and sanguinary. We will go on with this war, the ultimate result of which you need not worry about, with success for the arms of the republic. We fight when convenient to us against an enemy tired out and without faith. My plans are well understood by my subordinates, and each one knows what to do.

"Give us cartridges, so that our soldiers can fight, and you can depend that in the spring campaign the enemy's army will be greatly reduced, and it will be necessary for Spain to send another army, and I do not know whether it would be rash to say that perhaps Spain has not the money with which to do it. We have a great military advantage over the enemy in the incapacity of the majority of Weyler's generals.

"The false official reports of supposed victories, with which they cynically pretend to deceive themselves, their government and the world, contribute to the speedy triumph of the revolution. No human work which has for its base falsehood and infamy can be either firm or lasting. Everything that Spain orders and sends to this land, that she has drenched with the blood of her own children, only serves to ruin her power.

"Much is said and written about the recognition of belligerency by the American government. This would be very advantageous to us, and is only doing justice. But, as when we rose against tyranny we only counted on the strength of our arms and the firm resolution of victory, we follow our march unconcerned, satisfied that what is to happen will happen."

Alleged Cuban Filibusters Acquitted.
NEW YORK, April 11.—After being out eight minutes the jury in the case against the Cubans charged with being concerned in the Bermuda filibustering expedition, returned a verdict of "not guilty." Counsel for the defendants, Mr. Kubens, moved for the discharge of the prisoners and the return of the property. Judge Brown said that this would follow in the natural course. The defendants in the case were Captain Samuel Hughes, John D. Hart, Captain Lawrence Brabazon, Benjamin Guerra and Bernardo J. Barro. They were charged with violation of the national statute prohibiting the organization of an armed body for the purpose of waging war against a nation at peace with the United States.

Steamer Bermuda at Philadelphia.
PHILADELPHIA, April 11.—The steamship Bermuda, which recently landed an armed party of filibusters in Cuba, arrived here last night with a cargo of bananas, and anchored out in the river. Newspaper representatives who went out to the Bermuda in a skiff were not allowed to board her, and information was refused. This was in consequence of orders issued as soon as she was reported at the Breakwater. She was docked early this morning.

Another Cuban Expedition Safe.
TAMPA, Fla., April 11.—The Cubans here held meetings last night in commemoration of the twenty-seventh anniversary of the adoption of their government's constitution. News was received last night of the safe landing in Cuba of Colonel Menzon's expedition of forty-seven men.

LORD BISHOP OF TORONTO, CAN.
The Rt. Rev. A. Sweetman, D. D., D. C. L., Lord Bishop of Toronto, Secures Relief in Ten Minutes by the Use of Dr. Agnew's Catarrhal Powder.

A busy man like the Bishop of Toronto can ill afford to have his capacity for work broken into yet serious phase of cold in the head. And yet, to use a vulgarism, there is hardly anything that knocks a man out more quickly than what we ordinarily term, "Just a cold in the head." There is a way out, however, of this trouble, and the Bishop does not hesitate to say, over his own signature, and for the good of others, that he has used Dr. Agnew's Catarrhal Powder, and derived instant relief in catarrhal troubles.

One short puff of the breath through the blower, supplied with each bottle of Dr. Agnew's Catarrhal Powder, diffuses this Powder over the surface of the nasal passages. Painless and delightful to use, it relieves in ten minutes, and permanently cures Catarrh, Hay Fever, Colds, Headache, Sore Throat, Tonsillitis and Deafness. 50 cents. Sold at Kirilin's drug store.

The Rival Salvationists.
NEW YORK, April 11.—Commander Ballington Booth, of the Volunteers, reached his headquarters in the Bible House from Chicago yesterday afternoon. Regarding the desertion of Major Glen, Commander Booth said: "Poor Glen, I am sorry for him. He has given so many assurances to us personally and to the public generally that he will be regarded by all as a strange man." Commander and Mrs. Booth-Tucker, of the Salvation Army, left this city yesterday for Chicago. Major Lewis, private secretary to Mrs. Booth-Tucker, will join them there on Tuesday. On Wednesday Commander Booth-Tucker goes to Indiana and then returns to this city. His wife and Major Lewis will then go further west, finally reaching Los Angeles and San Francisco.
